(WPI), as set out in the formula in the said Rules. The toll rates, indexation and the basis of revision adopted in the Feasibility Report and the financial model are consistent with this framework. No peak / off-peak or congestion pricing is permitted, and the user fee shall be revised only in accordance with the said Rules. The detailed fee provisions are set out in Article 27 of the Concession Agreement and the Fee Notification at Schedule-R thereof.

1.2.8 Other details of the process to be followed under this Bidding Process and the terms thereof are spelt out in this RFP.

1.2.9 Any queries or request for additional information concerning this RFP shall be submitted by e-mail to the officer designated in Clause 2.11.4 below with identification/ title: "Queries/Request for Additional Information: RFP for Construction of Elevated corridor from Yeshwanthapura (Methikere Cross) to Old Madras Road (Tin Factory junction KR Puram) via IISC - Mekri Circle - Jayamahal - St. John Church Road - Ulsoor Lake (3 Lane x 2 flyover) in Bengaluru City on BOOT (Toll) Mode – Dynamic Duration

1.2.10 A Bidder is required to submit, along with its technical bid, a self-certification that its Bid meets the local content requirement for "Class-I local supplier" / "Class-II local supplier", as the case may be. The self-certification shall also have details of the location(s) at which the local value addition is made. In case, bidder has not submitted the aforesaid certification, the bidder shall be treated as "Non-Local Supplier".

In the above pretext, the Class-I Local Supplier, Class-II Local Supplier and Non-Local Supplier are defined as under:

(i) "Class-I Local Supplier" means a supplier or service provider, whose Goods, Services or Works offered for Procurement, meets the minimum Local Content as prescribed for "Class-I local supplier" under this RFP. The "Local Content" requirement to categorize a supplier as "Class-I local supplier" is minimum 50%.

(ii) "Class-II Local Supplier" means a supplier or service provider, whose Goods, Services or Works offered for Procurement, meets the minimum Local Content as prescribed for "Class-II local supplier" under this RFP. The "Local Content" requirement to categorize a supplier as "Class-II local supplier" is minimum 20%.

(iii) "Non-Local Supplier" means a supplier or service provider whose Goods, Services or Works offered for Procurement, has Local Content less than that prescribed for "Class-II Local Supplier" under this RFP.

(iv) "Local Content" means the amount of value added in India which shall be the total value of items procured / proposed to be procured (excluding net domestic indirect taxes) minus the value of imported content in the items (including all customs duties) as a proportion of the total value, in percent.

In case of procurement for a value in excess of Rs. 10 crores, the "Class-I local supplier" / "Class-II local supplier" shall provide a certificate from the statutory auditor or cost auditor of the company (in case of companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content.

1.2.11 Determination of the Maximum Concession Period:

The maximum Concession Period for the Project has been fixed at 32.5 (thirty two point five) years, reckoned from the Appointed Date, for the reasons set out hereunder:

(a) The said period is commensurate with the design life of the principal civil structures comprising the elevated corridor, thereby enabling the recovery of the capital investment over the productive life of the asset and ensuring that the Project Assets are transferred to the Authority in a sound and serviceable condition upon expiry of the Concession Period;

(b) Having regard to the Grant in the nature of Viability Gap Funding equivalent to 40% (forty per cent) of the Estimated Project Cost being extended by the Authority, and on a prudent assessment of traffic and revenue, the said period has been determined to be adequate for the recovery of the Total Project Cost together with the financing costs thereon and a reasonable return to the Concessionaire, and no longer period is considered necessary for ensuring the financial viability of the Project;

(c) The fixation of a definite ceiling on the Concession Period sub-serves the public interest by ensuring that the levy and collection of the Fee does not extend beyond the period reasonably required to render the Project viable, and that the Project reverts to the control of the Authority within a finite and determinate period; and

(d) The said ceiling is in consonance with the prevailing practice adopted in comparable public-private partnership concessions in the road and transport sector, and affords the Bidders an established and bankable framework for the formulation of their Bids.

Accordingly, the Concession Period constitutes the Bid Parameter, and each Bidder shall quote a Concession Period not exceeding the aforesaid ceiling of 32.5 (thirty two point five) years. The Bidder quoting the lowest Concession Period shall, subject to the provisions of this RFP, be declared the Selected Bidder.

Guidelines of the Department of Disinvestment

(Refer Clause 1.2.1)

No. 6/4/2001-DD-II

Government of India

Department of
Disinvestment
Block 14, CGO
Complex New
Delhi.

Dated 13th July, 2001.

OFFICE MEMORANDUM

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like net worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteriafor the qualification/ disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

(a) In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment] adverse order by a regulatory authority that casts a doubt on the ability of the bidder to manage the public Sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. Grave offence is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case to case basis after considering the facts of the case and relevant legal principles, by the Government of India.

(b) In regard to matters relating to the security and integrity of the country, any chargesheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or by any sister concern of the bidding party would result in disqualification. The decision in regard to the relationship between the sister concerns would be taken, based on the relevant facts and after examining whether the two concerns are substantially controlled by the same

person/ persons.

(c) In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.

(d) Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.

(e) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.

(f) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.

(g) Henceforth, these criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority is pending against them. In case any investigation is pending against the concern or its sister concern or against its CEO or any of its Directors/ Managers/ employees, full details of such investigation including the name of the investigating agency, the charge/ offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be obtained along with EOI.
