

OMR'S MANIFESTO

2026

250 COMMUNITIES • 50,000 HOMES • 3 LAKH VOTERS

We, the electorate of OMR, demand time-bound, measurable commitments - no vague assurances or slogans. We expect decisive action that matches the IT corridor's pace and dynamism.

Sewerage & Water Supply

- Commission **4 new 100 MLD STPs** with public-access dashboards.
- Ensure **24/7 piped potable water** to every home, gated community and locality on OMR.

Stormwater Drains & Flood Mitigation

- Build an **integrated Storm Water Drain network** linked to all waterbodies with zero-stagnation targets.
- **Restore natural flow paths** for canals and publish tracking for desilting schedules.

Road Infra & Traffic Management

- Implement **time-bound road relaying** with defect-liability guarantees.
- Provide **unobstructed service roads** and **scientific traffic engineering** at major junctions.

Public Transport & Mass Transit

- **Fast-track** Metro Phase-2 with clear milestones.
- Increase **peak-hour MTC bus** frequencies and formalize **last-mile feeder** solutions.

Urban Planning & Zoning

- Enforce "infrastructure-first" approvals - roads and utilities must precede new building permits.
- **Designate** the Buckingham Canal as protected **blue infrastructure**.

Smart City & Digital Infrastructure

- Create a **unified OMR grievance platform** integrating all line agencies (GCC, Police, Metrowater, etc.).
- Deploy **flood prediction** and **early warning systems** on accessible platforms.

Solid Waste Management

- Enforce ward-level **segregation** and establish local Material **Recovery** Facilities (MRFs).
- Set a **firm timeline** for **restoring** the Perungudi dumpyard to its original marshland state.

Environmental Protection

- Protect and **revive the Pallikaranai marsh** with clear boundary enforcement.
- Install real-time public **dashboards** for **air and noise** pollution monitoring along the corridor.

Electricity & Street Lighting

- Deploy **underground cabling** on all OMR roads.
- **Revoke** recent electricity tariff hikes affecting **common area usage** in apartments.

Emergency, Health & Safety

- Establish a **government multi-speciality hospital** on OMR with a dedicated trauma center.
- Build **Fire & Rescue stations** at Thazhambur, Perumbakkam, and Thoraipakkam.

Human-Animal Conflict & Coexistence

- Establish full-fledged **Govt. Vet hospital** & implement humane **ABC** (Animal Birth Control) support.
- Strictly enforce **owner accountability** for **abandoned cattle** and pets esp. on public roads.

Governance & Execution Standards

- Correct **poor coordination** among GCC and Govt departments to ensure **single point of accountability**.
- **Grant FOMRRA formal stakeholder status** in all planning and review processes.

This is an **extract** of some of the points shared with leading political parties of TN. The **full document** can be **downloaded** at <https://manifesto.fomrra.org>

This concise and actionable priorities list, compiled by the residents of Old Mahabalipuram Road (OMR) and adjacent neighbourhoods, is proposed for **inclusion** in the **2026** Tamil Nadu Assembly election manifestos. It reflects the **key needs** of the state's primary IT hub and dense residential corridor.
