

SANKALP PATRA-2024

Maharashtra Assembly
Election

BHARATIYA JANATA PARTY, MAHARASHTRA

“

**Viksit Maharashtra is the
most important part of the
resolution of Viksit Bharat**

”

- Prime Minister Shri Narendra Modi ji

Shri Chandrashekhar Bawankule State President BJP, Maharashtra

Jai Bhavani, Jai Shivaji!

Bharatiya Janata Party has always been a party that brings new changes in the State of Maharashtra and has worked towards making the State one of the leading states in terms of growth in the country. The Mahayuti Government in the state has taken the progress to new heights. As we complete 2.5 years of governance, we have laid the groundwork for a new era of progress and prosperity driven by the aspirations and dreams of every citizen of this great State.

The NDA Government, under the dynamic leadership of Hon. Prime Minister Shri Narendra Modi Ji, has transformed India into a nation of unparalleled growth and opportunity. Here in Maharashtra, our Government has mirrored this spirit, implementing bold reforms and inclusive policies to propel our state forward. Our achievements, whether in infrastructure, agriculture, healthcare, or education, reflect our commitment to a 'people-first' governance model that ensures development touches every corner and community.

Maharashtra's cultural pride and heritage have always been a priority. We have honoured the state's Asmita through various initiatives: featuring Chhatrapati Shivaji Maharaj's emblem on the Navy flag, bestowing classical language status upon Marathi, and acquiring Babasaheb Ambedkar's house in London. But today, there are forces at work trying to misguide and spread false narratives, aiming to halt our State's progress.

We believe in the ideology of 'Ek Maharashtra Shresht Maharashtra' and are committed to the motto of Yuti – Gati - Pragati. Over the past years, we have worked tirelessly to transform our promises into reality. From boosting infrastructure and creating employment opportunities to revolutionising the healthcare and education sectors, we have laid the foundation for a resilient and thriving state.

The 'Ladki Bahin Yojana' has been launched for women's empowerment, providing them with financial support of ₹1,500 per month. This scheme, initiated by the late Manohar Parrikar in Goa, has proven successful in BJP-governed Madhya Pradesh and Chhattisgarh. Although the Mahavikas Aghadi has downplayed such schemes, we pledge to continue this scheme in Maharashtra. We are committed to making the state drought-free by waiving electricity bills for farmers' pump sets and providing free electricity, along with initiatives like Nilwande, Tembu Lift Irrigation, Jalyukt Shivar, Nar-Par, and Daman Ganga-Godavari projects.

The Bharatiya Janata Party is the only party that takes its manifesto seriously, fulfils its promises, and conducts a thorough review each year. This manifesto represents our commitment to making Maharashtra the most advanced and prosperous state to transform it into a trillion-dollar economy. Our aim is to make the state drought-free, create employment opportunities, develop world-class infrastructure, and provide every family with shelter and clean water. Join us in building a prosperous, self-reliant, and strong Maharashtra, where every citizen will progress, and every dream will come true.

Thank You, Jai Maharashtra

Chandrashekhar Bawankule
State President BJP, Maharashtra

Shri Devendra Fadnavis Deputy Chief Minister, Maharashtra

Message...

**Dear Sisters and Brothers,
Jai Bhavani, Jai Shivaji!**

The Bharatiya Janata Party has accepted the responsibility of leading Maharashtra towards progress and prosperity. With the vision of *"Ek Maharashtra - Shreshtha Maharashtra,"* the BJP has consistently prioritised development, progress, and public welfare, while upholding and nurturing the spirit of Maharashtra's dharma. Through the concept of 'Mahayuti-Gati-Pragati,' we have united the best of minds and initiatives to drive Maharashtra's progress and development. We firmly believe that together, we can help Maharashtra attain new heights.

With the guidance and support of our esteemed Prime Minister Shri Narendra Modi Ji and Union Home Minister Shri Amitbhai Shah Ji, Maharashtra has achieved remarkable progress since 2014, with the exception of the two-and-a-half years of stagnation under the MVA Government. Our state is a nation-wide frontrunner in vital areas such as investment, employment, and infrastructure development.

Empowering women remains a central component of our vision. Under the 'Ladki Bahin' scheme, we have been providing our sisters with a monthly honorarium of ₹1,500 to support financial independence. Our dedication to farmers is steadfast; the Mahayuti Government has ensured free electricity for farmers, with zero electricity bills now a reality. We are committed to making Maharashtra drought-free by reviving the Jalyukt Shivar initiative and advancing river-linking projects. These efforts have bolstered Maharashtra's position as a premier destination for global investments across sectors such as semiconductors and green energy, positioning the state on a path toward becoming an economic superpower. As a result, Maharashtra has attracted 52% of the total investments flowing into the country.

In Maharashtra, a strong foundation has been laid, and we are confident this foundation will bear fruits of prosperity for all citizens. By sustaining this momentum, Maharashtra's journey toward a trillion-dollar economy is inevitable. This progress will position us as the nation's foremost state in terms of wealth and opportunity.

This election is not just about choosing a Government; it is also about preserving Maharashtra's development, heritage, and aspirations. It is crucial to choose a Government that believes in the potential of its people. I urge you all to come out in large numbers, cast your vote, and support the BJP and Mahayuti Government in their journey towards a stronger, more prosperous Maharashtra. Let us translate the promise of *"Ek Maharashtra - Shreshtha Maharashtra"* into reality.

Thank you, Jai Maharashtra!

Devendra Fadnavis
Deputy Chief Minister, Maharashtra State

Shri Sudhir Mungantiwar Manifesto Committee President

Vande Mataram,

The 2024 Maharashtra Legislative Assembly election is crucial in determining the direction and pace of the State's development and preserving our culture and traditions.

This election coincides with significant anniversaries: the 350th year of Chhatrapati Shivaji Maharaj's coronation, the 300th year of Punyashlok Ahilyadevi Holkar's birth anniversary, the 75th anniversary of the Indian Constitution, the 150th birth anniversary of Iron Man Sardar Vallabhai Patel, the 150th birth anniversary of Veer Birsa Munda, and the centenary of our visionary former Prime Minister, Atal Bihari Vajpayee.

Following the 2019 Assembly elections, Maharashtra endured a period of halted development. However, we have now emerged from that challenging time and entered a promising new era of progress. To prevent a recurrence of the stagnation seen from 2019 to 2022, it's crucial that we put in our best efforts in these elections.

With the BJP and its allies now forming the Government at the Center, we are poised for greater progress. Since 2014, under the visionary leadership of Prime Minister Shri Narendra Modi Ji, India has achieved remarkable milestones across all sectors. Guided by the unwavering commitment of leaders like Shri Amitbhai Shah Ji and Shri J.P. Nadda Ji, the BJP has advanced with dynamic energy and purpose. To sustain and accelerate Maharashtra's development journey in alignment with the Center, it is vital that the BJP-Mahayuti alliance leads the government here. We are confident that Mahayuti's steadfast unity and shared vision will resonate with the people and ensure a decisive victory.

As we face this election, a manifesto outlining our policy direction and key focus areas for the State's development is being prepared to present to the voters. We identified priority sectors and formed sub-committees with experts in each domain. Additionally, we invited suggestions from various scholars and the general public to contribute to the development plan for the state. A dedicated email ID and WhatsApp number were set up for this purpose, and the initiative received an overwhelming response.

This manifesto sets the path for transforming Maharashtra into a trillion-dollar economy. Our roadmap prioritises giving agriculture the respect, security, and prosperity it deserves, while ensuring safety, dignity, and equal opportunities for women. We are committed to reaching the benefits of development to the last individual in society, embodying the principle of 'Antyodaya'. The manifesto covers commitments for all sections of society, including farmers, youth, women, workers, and senior citizens. Through this manifesto, we aim to showcase the Bharatiya Janata Party's sincere dedication to the State's welfare and progress.

I express my heartfelt gratitude to the party leadership for giving me the opportunity to serve as the chairman of this manifesto committee and for entrusting me with this responsibility. I also thank the chairpersons and members of the sub-committees, and all those who contributed directly or indirectly to the preparation of this manifesto.

I urge all of you to study this manifesto, understand its promises, and convey them effectively to the voters.

Jai Hind, Jai Maharashtra.

Sudhir Mungantiwar
Chairman, Manifesto Committee

MAHARASHTRA ASSEMBLY ELECTIONS 2024

INDEX

01	Top 25 Highlights	10
02	Agriculture and Allied Sector	16
03	Economy and Industry	22
04	Education	26
05	Youth and Sports	28
06	Healthcare	32
07	Mahila Samman	36
08	Social Justice	38
09	Good Governance and Public Administration	42
10	Infrastructure	44
11	Urban Development	46
12	Rural Development	48
13	Culture and Tourism	50
14	Environment, Forest and Natural Resources	54
15	Mumbai Metropolitan Region	56

TOP 25 HIGHLIGHTS

Under the **Ladki Bahin Yojana**, financial assistance will be **increased from ₹1,500 to ₹2,100** per beneficiary, and **financial literacy training will also be provided** to strengthen their financial independence. Further, **25,000 women** will be **inducted into the police** force across Maharashtra.

A loan waiver will be provided for farmers, along with an **increase in support under the Kisan Samman Yojana from ₹12,000 to ₹15,000** annually. Additionally, a **price support scheme** will be introduced in alignment with the **MSP** to cover price variations of **up to 20%**.

Food and shelter will be provided **to all poor people** in the State.

The **Old Age Pension** will be **increased from ₹1,500 to ₹2,100 per month**, providing greater financial security and dignity for senior citizens across Maharashtra.

Prices of essential items will be stabilised to ensure affordability and shield households across Maharashtra from market fluctuations.

TOP 25 HIGHLIGHTS

A **monthly stipend of ₹10,000** will be provided to **10 lakh students across Maharashtra** to support their education and ease financial burdens on families. Additionally, **25 lakh jobs will be created** in the state.

Farm tracks will be built across **45,000 villages** in Maharashtra.

Anganwadi workers and ASHA Sevaks will receive a **monthly honorarium of ₹15,000** and insurance coverage to ensure their financial security and well-being.

Electricity bills will be reduced by 30%, with a greater **focus on solar and renewable energy** sources.

Within 100 days of forming the Government, we will present **'Vision Maharashtra 2029'**.

TOP 25 HIGHLIGHTS

By 2028, **Maharashtra aims to become a \$1 trillion economy.**

To make Maharashtra a global hub in technology, manufacturing, and innovation, the following steps will be taken:

- a. By implementing the **'Make in Maharashtra' policy**, Maharashtra's position as a leading manufacturing State in India will be further strengthened.
- b. Maharashtra will be established as the **global capital for fintech and artificial intelligence (AI)**. To achieve this, an environment will be created to attract global fintech companies and promote new concepts in financial technology. Additionally, the country's first **dedicated AI university will be established** to foster AI research, innovation, and development.
- c. Nagpur, Pune, Chhatrapati Sambhajnagar, Ahilyanagar, and Nashik will be developed into modern **aeronautical and space production centres**, establishing them as advanced aerospace technology and manufacturing hubs.

To **increase farmers' income**, we will implement the following comprehensive initiatives:

- a. Farmers will receive a **rebate on the entire State Goods and Services Tax (SGST) paid on purchased fertilisers**, refunded to them as a subsidy.
- b. To ensure farmers receive a **minimum price of ₹6,000 per quintal for soybeans**, we will establish a dedicated value chain for soybean production, processing, and value addition.

TOP 25 HIGHLIGHTS

By 2027, **50 lakh lakhpati didis** will be created in Maharashtra. To achieve this, an **industrial cluster will be established for every 500 self-help groups**, with an initial **revolving fund of ₹1,000 crore**.

Under the **Akshay Anna Yojana, free rations**, including rice, jowar, groundnut oil, salt, sugar, turmeric, mustard, cumin, and red chilli powder, will be provided monthly to **families from low-income groups**.

We will introduce the **'MAHARATHI (Maharashtra Advanced Robotics and AI Training Hub Initiative)—ATL (Atal Tinkering Labs) Yojana'**, offering Robotics and AI learning opportunities in all State Government schools.

A **Skill Census will be conducted in Maharashtra** to analyse the skill gaps based on industry needs. This will enable the provision of skilled manpower and facilitate the planning for the **availability of a new skilled workforce as required**.

TOP 25 HIGHLIGHTS

A '**Chhatrapati Shivaji Maharaj Akanksha Kendra**' will be established in every district of Maharashtra, through which **10 lakh new entrepreneurs will be created**. These centres will include **co-working spaces and incubation facilities** where students, professionals, and entrepreneurs can connect, network, and promote innovative concepts.

Interest-free loans of up to ₹15 lakh will be provided to **entrepreneurs of Scheduled Caste, Scheduled Tribe, and other backward classes** for their business growth.

Eligible students from the **OBC, SEBC, EWS, NT, and VJNT categories** will receive **reimbursement of tuition and examination fees**.

Swami Vivekananda Youth Health Card will be launched for **annual health check-ups** of youth aged 18 to 35, and a permanent scheme for **Nashamukt-Vyasanmukt Maharashtra** will be implemented.

TOP 25 HIGHLIGHTS

Maharashtra is home to many ancient and historical forts, which symbolise the State's glory and play a significant role in its historical and cultural development. To preserve and promote this heritage, a **Fort Development Authority (FDA)** will be established.

- A **'Senior Citizens First' policy** will be adopted, which includes:
- Implementing **Aadhaar Enabled Service Delivery (AESD)** to ensure automated services for every senior citizen.
 - For **all senior citizens aged 80 and above**, arrangements will be made to **deliver requested documents**-such as health records, identification papers, and pension-related documents-**directly to their homes**.
 - Establishing **dedicated outpatient departments (OPDs)** for senior citizens in all Government hospitals.

A **strict law will be enacted against forced and fraudulent conversions**, ensuring protection from coercive and deceptive religious conversions.

To **prevent loss of life and property** caused by wildlife such as tigers, leopards, elephants, nilgai, wild boars, and monkeys in agricultural and human settlement areas, as well as to **reduce human-wildlife conflict**, modern technologies like **artificial intelligence (AI), drones, and radio collars** will be effectively utilised.

Agriculture and Allied Sector

OUR PROMISES

Agriculture: Our goal is to bring prestige, security, and prosperity to farming.

1. A loan waiver will be provided for farmers, along with an **increase in support under the Kisan Samman Yojana from ₹12,000 to ₹15,000** annually. Additionally, a **price support scheme** will be introduced in alignment with the **MSP** to cover price variations of **up to 20%**.
2. An **annual cultivation and marketing plan** will be formulated to ensure **fair prices for farmers' produce**, especially for cash crops.
3. **Irrigation:** We will expand **irrigated areas and enhance water resources and irrigation capacity** across Maharashtra, with initiatives like **Jalyukt Shivar Abhiyan 3.0**, the **Marathwada Water Grid Project**, the **Nar-Par-Girna River Link Project**, and the **Nal-Ganga-Wainganga River Link Project**. A 'Water Budgeting' concept will be implemented at every village level, along with expanding the '**Magel Tyala Shet Tale**' (Farm Pond on Demand) scheme. Additionally, grants for **micro-irrigation will be increased** to promote the 'Per Drop More Crop' initiative.
4. **Farm tracks** will be built across **45,000 villages** in Maharashtra.
5. **Dr Punjabrao Deshmukh Organic Farming Mission:** To encourage sustainable agricultural practices, the **area under organic farming will be increased from 10 lakh hectares to 25 lakh hectares by 2029**. **Organic farming markets** will be established at district and taluka levels.

OUR PROMISES

6. Maharashtra will be transformed into an **agri-tech startup hub** by creating **division-wise clusters and allocating substantial funds** for technology-based agricultural management.
7. Under the visionary **'Annadata to Urjadata'** initiative, farmers will be actively involved in **solar energy production**, turning them into **energy providers**. This innovative program will introduce **solar panel-covered farming**, supported by **incentive-based grants** to promote **energy-producing farms across the State**.
8. Maharashtra will be developed as a centre for **maize and bamboo-based ethanol production**, promoting sustainable energy generation, supporting local agriculture, and driving economic growth through strategic incentives.
9. **Apiculture (beekeeping) will be encouraged as a supplementary livelihood** to boost farmers' incomes. Training and outreach programs will be launched to **assist 1 lakh farmers in incorporating beekeeping** alongside traditional farming practices.
10. To **increase farmers' income**, we will implement the following comprehensive initiatives:
 - a. Farmers will receive a **rebate on the entire State Goods and Services Tax (SGST) paid on purchased fertilisers**, refunded to them as a subsidy.
 - b. To ensure farmers receive a **minimum price of ₹6,000 per quintal for soybean**, we will establish a dedicated value chain for soybean production, processing, and value addition.
11. To prevent **post-harvest losses and maintain crop quality** until it reaches the market at favourable prices, we will establish a **'Krushī Sankalan Kosh'** to develop **solar-powered cold storage and smart packaging** facilities across rural Maharashtra.
12. Cotton-picking and processing will be modernised with advanced technology. Under this, measures will be taken to strengthen the **'Cotton to Cloth' value chain, ensuring economic benefits for the farmers and the textile industry**.
13. Maharashtra will be positioned as a **major pulse-producing region, with processing centres** established in rural areas to make the **state self-sufficient** in pulse production by 2027.

14. To boost agricultural exports, **large-scale packing houses will be established to enhance storage and processing capacities**, promoting export-oriented crop production. These centres will offer **training in packing and processing**, enhancing vocational skills and creating job opportunities.
15. Through **Pradhan Mantri Kisan Samridhhi Kendras**, we will **promote sustainable farming** practices, contributing to increased farmer income.
16. A **comprehensive policy** will be implemented to **ensure fair prices for onions**. An **'Onion Portal'** will be launched for onion production registration, and a **'Market Stabilisation Fund'** will be established to maintain stable onion prices. Recognising the perishability of onions, **incentives** will be provided for developing **onion storage and processing clusters**.
17. An annual **Shetkari Pragati Mahotsav** will be organised in each district, featuring **two-day intensive training sessions** on agriculture specifically for women and youth. The event will offer free entry to exhibitions, live demonstrations of modern farming technologies, and opportunities for idea exchange among diverse agricultural stakeholders.
18. To boost agricultural output and efficiency, a **'यांत्रिक कृषी' Mission (Farm Mechanisation Mission)** will be launched, which will include:
 - a. **Training farmers with knowledge of farm mechanisation.**
 - b. Efforts to **reduce the cost of agricultural inputs** for lowering production expenses by using **drone technology**.
19. To ensure **fair market access and prices for agricultural produce**, Agricultural Produce Market Committees (APMCs) will be modernised through information technology.
20. Comprehensive **training programs will be organised for Farmer Producer Organisations (FPOs)** to enhance their skills and enable them to fully utilise available incentives and funding.

21. To make **Farmer Producer Organisations (FPOs)** more **technically and practically proficient**, a **policy will be implemented** to connect them with renowned private sector industries related to their produce.
22. An **orange pulp processing plant** will be established in Nagpur's MIHAN, and **banana processing plants** will be set up in Jalgaon and Nanded.

Cooperatives

23. In light of the changing trends in rural areas and the agricultural sector, **necessary changes will be made to strengthen the District Cooperative Banks (DCBs) and Primary Agricultural Credit Societies (PACS)** by enhancing their efficiency, transparency, good governance, and professionalism.
24. **Modern policies will be formulated for sugar and cotton cooperatives** to make them more competitive and efficient through advanced technology and improved management practices.
25. A **single-window system will be established** to form **new cooperative societies**, which includes an **online application and tracking system**, resulting in increased transparency in this process and faster approval procedures.
26. We will launch a **comprehensive Green Energy Programme** in co-operatives, including:
 - a. **Grant-in-aid** for ethanol storage enhancement in cooperative sugar mills.
 - b. Arrangement of **equity funding at a ratio of 1:2** for establishing bio-CNG, solar energy, and hydrogen projects.
 - c. **50% grant-in-aid** for establishing briquetting and pelleting units using agricultural biomass.
 - d. **Subsidised funding for operational costs of green energy projects** through the National Cooperative Development Corporation (NCDC).
 - e. **Interest subvention for capital expenditures** on green energy infrastructure.

27. Cooperative societies will be encouraged to establish **crop-based agricultural processing units** outside the sugar sector:

- a. Arrangement of **equity funding in a 1:2 ratio** for setting up processing units.
- b. Providing **concessional rate financing** for the operational expenses of agro-processing units in co-operatives.

Fisheries

28. The **'Maharashtra Matsya Mission'** will be launched to double **fish production by 2030** with the following measures:

- a. Infrastructure such as **cold storage, bio floc systems, and cage fish farming** facilities will be established.
- b. A robust **market linkage chain will be developed** to ensure favourable market prices for fish production.

29. To make **Maharashtra a leading shrimp-producing State in the country**, we will increase shrimp production in small and large water bodies by:

- a. **Training and support will be provided** through technical assistance centres for the sustainable economic development of fish farmers engaged in shrimp production.
- b. An **insurance protection scheme** for shrimp farming will be initiated.

30. **Fishing Cooperatives will be empowered** by providing financial assistance, training, and processing & marketing infrastructure, thereby **boosting the livelihoods of fishermen** along Maharashtra's coastline.

Animal Husbandry

31. By launching the '**Maharashtra Dugdh Vikas Mission,**' milk production capacity will be increased to **300 Lakh MT by 2030**, thereby promoting the dairy processing industry and sales.
32. **Mobile veterinary clinics/ambulances** will be provided in every taluka to safeguard the livestock in the State.
33. **Breeding and nurturing cattle indigenous to Maharashtra**, including Dangi, Deoni, Gaolao, Khillari and Red Khandhari, will be incentivised.
34. To support and promote the conservation and protection of cattle, the previously implemented **Govardhan - Govansh Seva Kendra Yojana** will be expanded.

Economy and Industry

OUR PROMISES

India's Growth Engine

1. By 2028, Maharashtra aims to become a \$1 trillion economy.
2. The **Ease of Doing Business Act** will be implemented.
3. A '**Chhatrapati Shivaji Maharaj Akanksha Kendra**' will be established in every district of Maharashtra, through which **10 lakh new entrepreneurs will be created**. These centres will include **co-working spaces and incubation facilities** where students, professionals, and entrepreneurs can connect, network, and promote innovative concepts.
4. To make Maharashtra a global hub in technology, manufacturing, and innovation, the following steps will be taken:
 - a. By implementing the '**Make in Maharashtra**' policy, Maharashtra's position as a leading manufacturing State in India will be further strengthened.
 - b. Maharashtra will be established as the **global capital for fintech and artificial intelligence (AI)**. To achieve this, an environment will be created to attract global fintech companies and promote new concepts in financial technology. Additionally, the country's first **dedicated AI university will be established** to foster AI research, innovation, and development.
 - c. Nagpur, Pune, Chhatrapati Sambhajnagar, Ahilyanagar, and Nashik will be developed into modern **aeronautical and space production centres**, establishing them as advanced aerospace technology and manufacturing hubs.

OUR PROMISES

5. Jalgaon, Amravati, Nanded, and Solapur will be established as **new industrial districts** for the **sunrise industries**.
6. To establish **Nashik as the next IT hub** in Maharashtra, world-class facilities will be provided in the proposed IT park and will be completed.
7. The **Vidarbha-Marathwada Defence Circuit Corridor**, the largest defence project in India, will be established, impacting 12 districts in Maharashtra and creating significant employment opportunities.
8. By setting up a **food park in Solapur**, **local ready-to-eat and ready-to-cook** products like **shenga chutney** will be promoted.

Industrial Promotion

9. Under the '**One District One Product**' (ODOP) initiative, **three stalls will be reserved in every mall** to promote local products from Maharashtra.
10. **Financial incentives will be provided** to small businesses, such as fruit, flower, vegetable, and hand cart vendors.
11. **32 defunct coal mines** will be repurposed **in Vidarbha** for Coal Gasification Projects.
12. **The existing Ferro Alloy Plant** will be **expanded** in Chandrapur District.
13. The 1,000-acre **PM Mitra Park project in Amravati district** will be accelerated to boost regional development.
14. A **mega textile park will be established in the Parbhani district**, encompassing the entire clothing value chain, including fibre extraction, weaving, dyeing, printing, and garment manufacturing.
15. A toy **manufacturing cluster will be established in Nashik** to make it the largest toy production centre in the country.

16. A **training centre for the coir industry will be established in North Konkan** with the help of the Central Government's Coir Board. **The coir policy will be expanded in Maharashtra**, and a **'Konkan Coconut and Coir Festival'** will be organised every year.

17. **The export of Kolhapuri chappals** will be given key focus by promoting the local manufacturing industry.

18. A **turmeric park will be established in Sangli**, promoting Government branding for GI-tagged Sangli turmeric and spices.

Micro, Small, And Medium Enterprise (MSME) Promotion

19. **Multi-Modal Logistics Parks (MMLPs)** will be established to ensure balanced industrial development.
20. **Local entrepreneurs** will be prioritised when **allocating plots in the MIDC area**, encouraging their growth.
21. A **plug-and-play facility MSME** (Micro, Small, and Medium Enterprises) park will be established in **Jalna**.
22. In the Gadchiroli and Chandrapur districts, **bamboo artisans will receive training and certification** through the Bamboo Research and Training Center to **foster their entrepreneurial skills**.

Education

OUR PROMISES

1. We will establish **Swatantrya Veer Savarkar Art and Sports Complexes**, inspired by **Bal Bhavan**, to provide rural students with appropriate guidance in arts, music, and sports.
2. A **Digital Education Empowerment Program (DEEP)** will be launched, which will include:
 - a. Establishment of **state-of-the-art computer laboratories** in all Government schools, with internet access provided to each school.
 - b. Implementing **interactive teaching methods in Science, Technology, Engineering, and Mathematics (STEM)** education.
 - c. Under the '**New Education Policy (NEP) 2020**', an option to learn computer languages will be made available.
 - d. Implementing an **Artificial Intelligence (AI) education system - 'Mahavidya'** in every Government school.
3. All existing Anganwadis will be upgraded to the new generation's '**Saksham Anganwadis**'.
4. A state-of-the-art **Karmaveer Bhaurao Patil Adarsh Marathi School** (model composite school) will be established in every district, providing quality education from **pre-primary to 12th grade**. This will include:
 - a. A spacious **10-acre campus with smart classrooms** and state-of-the-art laboratories for robotics, machine learning, and digital skills.
 - b. **Residential facilities for students** and a fully-equipped sports complex.

OUR PROMISES

5. By launching the **'CM SHRI Scheme,'** educational facilities will be improved for **Marathi schools that could not be included in the PM SHRI scheme,** enhancing their infrastructure and modern educational amenities.
6. To promote skill development for students from grades 6 to 12 and to introduce them to professional knowledge, **the current work-experience subject in school education will be expanded** with the collaboration of local organisations and technical training institutes.
7. Eligible students from the **OBC, SEBC, EWS, NT, and VJNT categories** will receive **reimbursement of tuition and examination fees.**
8. An **'Edu-City'** will be established under the NAINA project, which is being developed as the 'Third Mumbai' in the Navi Mumbai area. This will encourage world-class educational institutions.
9. An **independent university for ocean science and fisheries** will be established.
10. The modernisation of **Industrial Training Institutes (ITIs)** will be undertaken, along with curriculum renewal to include subjects such as **Augmented Reality (AR), Virtual Reality (VR), Artificial Intelligence (AI), and Machine Learning (ML).** Additionally, the number of ITIs will be increased as per requirements.

Youth and Sports

OUR PROMISES

Youth Empowerment

1. Under the **Chhatrapati Sambhaji Maharaj Youth Leadership Training Scheme**, **10,000** youths will be trained for political and public leadership.
2. **Swami Vivekananda Youth Health Card** will be launched for **annual health check-ups** of youth aged 18 to 35, and a permanent scheme for **Nashamukt-Vyasanmukt Maharashtra** will be implemented.
3. Improvements will be made to **enhance transparency in the State Government recruitment examinations**.
4. Instead of charging different fees for various competitive exams conducted for the recruitment process, a **single annual fee will be implemented**. This fee will be reasonable and allow candidates to appear for the exams based on their eligibility.

Skill Development

5. A **Craft University** will be established to recognise and promote traditional skills.
6. We will introduce the '**MAHARATHI (Maharashtra Advanced Robotics and AI Training Hub Initiative)-ATL (Atal Tinkering Labs) Yojana**', offering Robotics and AI learning opportunities in all State Government schools.

OUR PROMISES

7. To promote and preserve traditional crafts in the field of craftsmanship and to encourage skill development, a **'Lokshahir Annabhau Sathe Kalagram'** will be established. This initiative will provide **specialised training for artisans and equip them with the necessary tools** to succeed in the modern market.
8. A **Skill Census will be conducted in Maharashtra** to analyse the skill gaps based on industry needs. This will enable the provision of skilled manpower and facilitate the planning for the **availability of a new skilled workforce as required**.

Employment

9. A **monthly stipend of ₹10,000** will be provided to **10 lakh students across Maharashtra** to support their education and ease financial burdens on families. Additionally, **25 lakh jobs will be created** in the state.
10. Recruitment for **11,000 teachers has already been completed**, and now a **'Mahabharti Abhiyan'** will be launched to fill all remaining vacancies.
11. An **Overseas Placement Cell** will be established for the youth of Maharashtra, facilitating job registrations for **Grade C and D positions** through **government-to-government (G2G) agreements** with other countries and Fortune 500 companies. This initiative will provide global employment opportunities to the youth of Maharashtra.
12. A **separate fund will be allocated for startup seed funding**, encouraging new entrepreneurs and their innovative ideas.
13. **50 state-of-the-art art studios will be established** across the state, providing **content creators with the resources and infrastructure** needed to produce high-quality content.
14. An **alternative placement scheme** will be implemented to **offer opportunities to candidates who have passed the written examination** in competitive exams but were not selected, allowing them to utilise their knowledge effectively.

Sports

15. **The Maharashtra Olympic Training Academy** will be established in every division of Maharashtra, enabling the state's athletes to succeed in international sports competitions.
16. Infrastructure will be provided **to enhance the sports culture in Maharashtra**.
 - a. A **'Khelo Maharashtra' initiative** will be launched across the State, modelled after the **'Khelo India' program**, which will help identify and develop local talent.
 - b. Comprehensive **health insurance and health cards will be made available to athletes**, ensuring they receive free medical check-ups and necessary healthcare services.
 - c. Promoting the introduction of a **Bachelor in Sports Science** in colleges across the state, aiming to develop a skilled workforce of coaches, physiotherapists, and sports managers.
 - d. Establishing sports complexes in all Zilla Parishad (ZP) schools through the **'Gaon Tithe Krida Kendra'** scheme.
17. To develop **districts as sports centres** based on locally popular sports:
 - a. A world-class stadium will be built in **Kolhapur** to establish it as a **centre for football**.
 - b. An **ultra-modern hockey stadium** will be constructed in **Nanded** to achieve excellence in hockey.
18. We will establish a state-of-the-art **Esports arena cum training centres** in Pune, Nagpur, Nashik and Chhatrapati Sambhaji Nagar, equipped with high-end technology.

Healthcare

OUR PROMISES

Affordable and Accessible Healthcare

1. Under 'Mission Swasth Maharashtra,' public health facilities across the state will be strengthened to meet the growing demand for healthcare services by:
 - a. Considering the increasing demand for healthcare services, the **number of students in medical, nursing, and Diploma in Medical Laboratory Technology (DMLT) colleges in Maharashtra will be increased.**
 - b. Under the Ayushman Bharat and Mahatma Phule Jan Arogya Yojana, **free medical treatment up to ₹5 lakhs will be provided to all.**
 - c. **PM Jan Aushadhi Kendras** will be established at every primary health centre and sub-centre to ensure **affordable medicines are available to the public.**
2. The **number of hospitals included** under the **Ayushman Bharat scheme will be increased**, ensuring beneficiaries have easy access to healthcare services and improved treatment options.
3. **Teleconsultation services** will be provided across Maharashtra in collaboration with **AIIMS, Nagpur, and the upcoming AIIMS, Pune.**
4. **Free check-ups and medication** will be provided for **lifestyle-related diseases such as hypertension, diabetes, and obesity.**
5. Under the **Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana (PM-JAY)**, **free health check-up camps for senior citizens and women** will be organised every six months at each Sub-centre.

OUR PROMISES

Healthcare Infrastructure

6. **Dhanwantari and Godavari Medicity, with 24 hospital buildings**, will be established in **Nagpur and Nanded**, respectively. These facilities will have a total capacity of **10,000 beds and all super-speciality Hospitals** in one location.
7. **Advanced healthcare services for women and children**: Health facilities for women and children will be enhanced, with **women and child hospitals equipped with maternity and newborn health services** made available in all districts.
8. By 2047, a commitment is made to **eliminate Sickle Cell Anaemia from Maharashtra**. The following steps will be taken:
 - a. Establishment of **screening centers**, facilities for the examination of pregnant women, and distribution of **sickle cell identification cards**.
 - b. Establishment of **Sickle Cell Anaemia Research Centres** as needed.
9. Blood supply services in Maharashtra will be expanded **to ensure timely and sufficient blood availability for thalassemia patients**. Furthermore, dedicated research institutions will be established to recommend modern and effective treatments for thalassemia.
10. By 2029, all **rural hospitals in each taluka will be modernised** to include a **two-bed dialysis unit, a four-bed ICU, and an operation theatre**.
11. To achieve a **tuberculosis-free Maharashtra and eliminate cataracts, free diagnosis and treatment camps** will be organised monthly in each district.
12. In recent times, the incidence of cancer has been increasing. Early diagnosis can help combat cancer. Therefore, **free cancer screening**

facilities will be available at the taluka level, and state-of-the-art cancer diagnosis laboratories will be established in each district.

13. **All Primary Health Centers in tribal areas will have a Medical Mobile Unit** to deliver healthcare services to remote regions, ensuring last-mile healthcare delivery in remote tribal regions.
14. **Digital de-addiction centres will be established in every district** across Maharashtra to help control new-age addictions like smartphones, online gambling, and gaming.

Ayush Arogya Maharashtra

15. **AYUSH treatment methods will be included and promoted in Maharashtra's healthcare system.**
 - a. Regulation and promotion of **AYUSH-Ayurveda, Yoga, Unani, Siddha, and Homeopathy** will be implemented, along with establishing an independent framework for this purpose.
 - b. **AYUSH health services will be gradually made available** in hospitals at the taluka level.
16. A **State-level apex institution will be established** on the lines of the **All India Institute of Ayurveda** to promote research, education, and treatment in Ayurveda in Maharashtra.

ALL INDIA INSTITUTE OF MEDICAL SCIENCES NAGPUR

Mahila Samman: Security, respect, and equality of opportunity will be ensured for all women in the state

OUR PROMISES

Mahila Atma Nirbharta

1. Under the **Ladki Bahin Yojana**, financial assistance will be **increased from ₹1,500 to ₹2,100** per beneficiary, and **financial literacy training will also be provided** to strengthen their financial independence. Further, **25,000 women will be inducted into the police force** across Maharashtra.
2. **Anganwadi workers and ASHA Sevaks** will receive a **monthly honorarium of ₹15,000** and insurance coverage to ensure their financial security and well-being.
3. Under the **Mukhyamantri Annapurna Yojana**, each family will receive **three free gas cylinders annually**. This initiative will continue in the future.

Woman Changemakers

4. By 2027, **50 lakh lakhpati didis** will be created in Maharashtra. To achieve this, an **industrial cluster will be established for every 500 self-help groups**, with an initial revolving fund of **₹1,000 crore**.
5. Considering the importance of **UMED (Maharashtra State Rural Livelihoods Mission)** in making women financially independent, UMED will be strengthened.
6. **Permanent markets will be established** for women entrepreneurs and women's self-help groups, and an **annual 'Karmayogini Mela'** will be organised in each district.

OUR PROMISES

7. The following measures will be taken to **strengthen women's self-help groups in Maharashtra**:
 - a. Financial assistance in the form of **loans of ₹10 lakhs will be provided** to upgrade women's self-help groups into MSMEs.
 - b. **Interest-free loans** will be made accessible under the **MUDRA scheme** to provide special incentives for women entrepreneurs.
 - c. The **digitisation of women's self-help groups** will be undertaken to establish strong relationships with banks, facilitating easier access to loans.
 - d. **Dedicated cells for women's self-help groups** will be established in each district and urban cooperative banks.

Mahila Samman, Safety, And Facilities

8. The '**Rajmata Jijau Matri Vandana Award**' will be initiated to honour women who have excelled in **social and political fields**.
9. State-of-the-art **Ahilyabai Holkar women's hostels** with robust security will be established at each district headquarters for **female students and women professionals** from rural areas for education and business purposes.
10. Based on the highly successful Tejaswini buses launched in Mumbai, **special bus services for women will be introduced in major cities** during peak hours to ensure safe and comfortable travel for female passengers.
11. **Vishakha Committees** will be established in all **educational institutions to prevent harassment and discrimination** against girls and women.

Social Justice

OUR PROMISES

Senior Citizen Welfare

1. A **'Senior Citizens First'** policy will be adopted, which includes:
 - a. Implementing **Aadhaar Enabled Service Delivery (AESD)** to ensure automated services for every senior citizen.
 - b. For all **senior citizens aged 80 and above**, arrangements will be made to **deliver requested documents**-such as health records, identification papers, and pension-related documents-**directly to their homes**.
 - c. Establishing **dedicated outpatient departments (OPDs)** for senior citizens in all Government hospitals.
2. The **Old Age Pension** will be increased from **₹1,500 to ₹2,100 per month**, providing greater financial security and dignity for senior citizens across Maharashtra.
3. At the taluka level, **'Aaji Ajooba Parks'** will be established to provide **recreational spaces for senior citizens**.

Divyang Welfare

4. **Divyang Bhavans** will be established in every district of the State to provide facilities for skill assessment, vocational guidance, and economic self-reliance for people with disabilities.
5. These Divyang Bhavans will include **awareness-raising Divyang Sensitisation Units** to ensure respectful treatment of divyangs in society and **specialised treatment rooms** to provide necessary care based on their requirements.

OUR PROMISES

Scheduled Castes (SCs), Scheduled Tribes (STs) and Other Backward Classes (OBCs)

6. **Interest-free loans of up to ₹15 lakh** will be provided to **entrepreneurs of Scheduled Caste, Scheduled Tribe, and other backward classes** for their business growth.
7. To ensure that the **respective categories fill all reserved Government positions** and remain unoccupied for long periods, **walk-in interview campaigns** will be conducted every June and January, subject to regulations.
8. A dedicated university named **'Aadi Krantikari Bhagwan Birsa Munda Tribal University'** will be established to conduct in-depth studies of tribal art, culture, lifestyle, customs, traditions, skills, and traditional knowledge.
9. **Sant Gadge Baba Hostels will be constructed** in each district for OBC students.
10. **Student hostels for tribal students will be established** in Nagpur, Nashik, Mumbai, Chhatrapati Sambhaji Nagar, Pune, and Amravati.

Antyodaya Welfare

11. **Food and shelter** will be provided **to all poor people** in the State.
12. **Prices of essential items will be stabilised** to ensure affordability and shield households across Maharashtra from market fluctuations.
13. **Electricity bills will be reduced by 30%**, with a greater **focus on solar and renewable energy sources**.
14. **Economic Development Corporations** will be established to promote the advancement and development of various social groups as per their demands.

15. The **Dr Babasaheb Ambedkar Shram Safalya Awas Yojana** will be revived, granting **home ownership rights to sanitation workers**.
16. Under the **Akshay Anna Yojana, free rations**, including rice, jowar, groundnut oil, salt, sugar, turmeric, mustard, cumin, and red chilli powder, will be provided monthly to **families from low-income groups**.
17. In the next five years, **housing will be provided to 36 lakh families**.
18. A **welfare board** will be established for the unorganised workers in the supply sector of app-based companies.
19. Necessary measures will be taken for the **welfare and respect of the transgender community**.

Relief and Rehabilitation

20. The **2013-14 Rehabilitation Act** will be effectively implemented.
21. A **committee** will be established to **develop a comprehensive rehabilitation policy** that addresses issues faced by affected individuals during the implementation of the assistance and **rehabilitation policy and to define clear guidelines** for the assistance and rehabilitation processes.
22. **Rehabilitated settlements will be integrated into the relevant local self-government institutions** to ensure that residents receive essential services such as clean water, sanitation, electricity, healthcare, education, and infrastructure.

BHARATIYA JANATA PARTY SANKALP PATRA

Good Governance and Public Administration

OUR PROMISES

Law & Order

1. A strict law will be enacted against forced and fraudulent conversions, ensuring protection from coercive and deceptive religious conversions.
2. Stringent laws and executive measures will be implemented to repatriate illegal Bangladeshi and Rohingya infiltrators and to prevent further infiltration into the State.
3. A *Maha Police Bharti Abhiyan* will be launched to fill vacant positions in the police department. Excellent housing facilities will be provided to all police personnel.

Good Governance

4. Within 100 days of forming the Government, we will present 'Vision Maharashtra 2029'.
5. A time-bound program will be implemented to fill 3 lakh vacancies in the administration over the next five years.
6. By using geospatial technology in the fields of urban planning and rural development, town planning will be executed more precisely.
7. The Maharashtra Government has enacted the Service Guarantee Act to ensure that applicants receive Government services within a specified time frame. Under this law, applications received from women, youth, farmers, and senior citizens will be prioritised and resolved promptly.

OUR PROMISES

8. To strengthen **local self-governance institutions**, the 'Uttamrao Patil Training Institute' will be established to train public representatives within these institutions.

Infrastructure

OUR PROMISES

Road Transport Facility

1. We will introduce the **'MahaGatiShakti'** initiative, integrating infrastructure projects from various State departments, such as **roadways, ports, industrial corridors, and airports**, to boost connectivity and competitiveness in Maharashtra.
2. **Existing bus stations will be developed** and transformed into **bus ports**. This will include establishing facilities such as stages to promote local arts, cinemas for Marathi films, and farmers' markets for local agricultural produce.
3. We will create **over 5,000 kilometres of modern expressways**, like the **Mumbai-Pune Expressway** and the **Samruddhi Mahamarg**.

Railway Transport Facility

4. Efforts will be made to complete key railway routes such as **Wardha-Yavatmal-Nanded, Ahmednagar-Parli Vaijnath, Jalna-Jalgaon, Solapur-Tuljapur-Dharashiv, and Pune-Nashik**.
5. Efforts will be made to introduce additional **Vande Bharat and Amrit Bharat trains** connecting Mumbai with Nagpur, Kolhapur, Nanded, and Latur.
6. With the cooperation of the Central Government, the **Namo Bharat Regional Rapid Transport System (RRTS) will be developed**, connecting the cities of **Pune-Jalna and Pune-Nashik**.

OUR PROMISES

Air Transport Facility

7. **Helipads will be constructed in every Taluka** across Maharashtra to facilitate faster emergency services during medical emergencies.
8. **Commercial Air Services will be expanded to 16 districts** in Maharashtra. Additionally, efforts will be made to establish a runway in each district.

Water-ways Transport Facility

9. A **'Water Metro'** will be launched on the lines of Kochi (Kerala), connecting the **coastal cities and islands of Maharashtra** through fast waterways.
10. **Fishing ports** in Alibag, Versova, Malvan, Arnala, and Uttan will be **modernised**.

Urban Development

OUR PROMISES

Transport and Infrastructure

1. By 2034, a total of **1,000 km metro network** will be developed in cities such as Mumbai (MMR), Pune, Chhatrapati Sambhajinagar, Nagpur, and Nashik, **revolutionising public transportation systems**.
2. To facilitate the seamless use of suburban rail transport, metro, monorail, urban bus services, taxis, rickshaws, and feeder rickshaws in the city, an **integrated smart card scheme will be implemented**.

Cleanliness and Waste Management

3. With the goal of **treating all sewage water by 2029**, the capacity of the existing systems will be enhanced, and **new systems will be established as needed**. Maharashtra will also be declared an **open drainage-free State**.
4. A **comprehensive waste management initiative will be implemented in Maharashtra**, which includes:
 - a. Establishing the **Maharashtra Waste Management Corporation** to oversee and regulate waste disposal and recycling processes statewide.
 - b. Eradicating the **'Mountains of Trash'** by mandating the use of up to 8% plastic waste in road construction through the **'Rags To Roads'** scheme.
 - c. To convert solid waste into electricity, **Waste-to-Energy power plants will be established** across the State, starting with **five major cities** in the first phase and gradually expanding to all major cities.

OUR PROMISES

5. To make Maharashtra the cleanest state, the **'Swachhata Vikas Abhiyan for Cleanliness and Hygiene (SWACH)'** will be launched:
 - a. A **'Maha Swachhata Ranking'** will be initiated, and waste processing centres will be established in every city.
 - b. **Competitions will be organised** for clean bus stations and clean Government hospitals.
 - c. **Public toilets will be set up** at various locations as needed.

Rural Development

OUR PROMISES

Digital Connectivity and Education

1. We will ensure **100%** penetration of broadband internet connectivity in every village through BharatNet.

Sustainable Development and Environment

2. The Maharashtra Sarovar Samvardhan Yojana will be launched statewide to rejuvenate water bodies at the village level, promote water conservation, and support local livelihoods.

Local Governance and Community Empowerment

3. In the next five years, under the PM Surya-Ghar Yojana, solar energy will be made available to **25%** of households in every village.
4. Last rites have become a concern in many places in the state. **Necessary measures** will be taken to ensure that **every deceased individual** receives a dignified farewell.

Culture and Tourism

OUR PROMISES

Chhatrapati Shivaji Maharaj

1. Maharashtra is home to many ancient and historical forts, which symbolise the State's glory and play a significant role in its historical and cultural development. To preserve and promote this heritage, a Fort **Development Authority (FDA)** will be established.
2. Government-recognised NGOs working to preserve forts will be encouraged, and enthusiasts like '**Durg Sevaks**' and '**Rakshaks**' will be officially recognised for their contributions. **Dedicated committees will be formed for each fort** to ensure focused attention on their upkeep.
3. A magnificent **Maharashtra History Heritage Park** will be established in Pune, honouring the valour and legacy of the various empires in Maharashtra
 - a. This museum will feature facilities such as laser shows, war reenactments, and virtual reality experiences.
 - b. Additionally, cultural festivals celebrating Maharashtra's heritage, including traditional music, dance, and art forms, will be organised.
4. To preserve the **legacy of Chhatrapati Shivaji Maharaj**, we will establish:
 - a. A Smarak for **Veer Shiva Kashid** on Panhala Fort.
 - b. A memorial for **Sarkhel Kanhoji Angre** and a **Maratha Navy Museum** at Vijaydurg, Sindhudurg.
 - c. A world-class memorial-cum-museum of **Bajirao Peshwa I** will be established at his birthplace, Dubere, Nashik.

OUR PROMISES

Marathi Language

5. **Maharashtra Diwas** will be celebrated with the **participation of local Marathi people** in all Indian embassies abroad and all Raj Bhavans in India, along with establishing a **'Friends of Maharashtra' network**.
6. **A three-day cultural festival** will be started **at the headquarters of each district**. It will showcase local traditions such as the Marathi language, Lavani, Bharud, and Powada from the respective regions.
7. The **Marathi language** has recently been granted the status of a **classical language**. In this context, efforts will be made to **strengthen Marathi language research institutions** and encourage in-depth study of the Marathi language through scholarships.

Cultural Heritage and Preservation

8. Substantial funding will be approved for the **development of the Tuljabhavani Temple**, and **pilgrims will be provided with convenient travel facilities** by connecting this temple to major airports and railway stations.
9. A **Mahalaxmi Temple Redevelopment Plan** will be implemented to develop and expand the facilities of the **historic Mahalaxmi Temple in Kolhapur**.
10. The **Ghats of Godavari will be renovated** and infrastructure developed so that the **Simhastha Kumbh Mela** can be held in **Nashik-Trimbakeshwar in 2027**.
11. A **Divya Darshan Tourism Circuit** will be launched, including pilgrimage sites such as Trimbakeshwar, Panchvati, Saptashrungi, Someshwar, Navshya Ganapati, Mukti Dham, Shani Shingnapur, and Shirdi.

12. **Restoration of temples over 400 years old** will be undertaken.
13. To ensure the participation of the corporate world in the preservation of culture and heritage, a **specified portion of CSR funds will be reserved for Corporate Cultural Responsibility (CCR)**.
14. **Cultural committees will be established within local self-governance institutions** in the State to promote local heritage sites, historical monuments, artisans, artists, and art forms, and **relevant laws will be amended as necessary**.
15. To honour Maharashtra's spiritual and cultural heritage, we will:
 - a. Construct a memorial of **Mahatma Basaveshwar** at Mangalvedha.
 - b. Construct a grand memorial honouring **Sant Chokhamela** in his birthplace, Mehuna Raja Village, Bhandara.
 - c. Renovation and beautification of the **Moraya Gosavi Samadhi area in Pimpri-Chinchwad, Pune**.
 - d. Establishment of the **Namdev Maharaj Memorial** in Pandharpur.
 - e. Renovate the **Biroba Temple in Arewadi, Sangli**.
16. **'Shri Vitthal Cultural Circuit'** will be established, connecting major Varkari pilgrimage sites such as Pandharpur, Alandi, Dehu, Paithan, Trimbakeshwar, Saswad, Muktainagar, Apegav, and Nevasa.
17. The **Sarangkheda Chetak Festival** of international prestige will promote **Ashv Pradarshan** and Maharashtra's culinary culture.
18. Funding will be provided for the **rejuvenation and conservation of the Mehruan Lake in Jalna district**.
19. A branch of the **Lalit Kala Akademi** will be established in Maharashtra to promote various art forms and provide a dedicated platform for artists to showcase their skills.
20. **A ₹ 300-crore** project to redevelop the **Dikshabhumi in Nagpur and Chandrapur will be expedited for completion**.

21. A **comprehensive plan** will be developed and implemented for the **development of all Government and private museums** in Maharashtra.
22. **All facilities will be provided for pilgrims** visiting various pilgrimage sites on foot.
23. A **development tourism plan will be implemented**, especially for youth, to facilitate visits to various development projects of the Central and State Governments and various service initiatives.
24. **Gondhal, Dashavatari Khel** and similar traditional art forms, as well as the traditional craftsmanship of artisans, will be properly documented (pre-writing) and intellectual property rights (IPR) will be acquired, through which their original form will be protected from adulteration.

Tourism Development and Promotion

25. A scheme will be launched to **train local youth as tourist guides and provide certification**, making it mandatory for guides at historical sites, especially forts, **to have certification**.
26. To offer systematic training in mountaineering, the **'Tanaji Malusare Giryarohan Sanstha'** will be established in the State.
27. To promote tourism in Konkan, the **'Come to Konkan' initiative** will be launched. This initiative will encourage various forms of tourism, including **coastal tourism, scuba diving, backwater tourism, eco-tourism, and food tourism**.
28. The **Kaas Plateau will be developed as an environmentally sustainable tourism destination**, promoting eco-tourism that preserves its unique biodiversity while benefiting the environment and local communities.

Environment, Forest and Natural Resources

OUR PROMISES

Forest and Wildlife Conservation

1. To **prevent loss of life and property** caused by wildlife such as tigers, leopards, elephants, nilgai, wild boars, and monkeys in agricultural and human settlement areas, as well as to **reduce human-wildlife conflict**, modern technologies like **artificial intelligence (AI), drones, and radio collars** will be effectively utilised.
2. The **'Ek Ped Maa Ke Naam'** initiative will be implemented effectively.
3. **District Habitat Plans** will be developed in alignment with environmental goals, focusing on **protecting ecosystems** and promoting the sustainable use of agriculture, water, and land resources in each district.
4. In all coastal cities of Maharashtra, a **Mangrove Protection and Restoration Program** will be initiated, including **locals' involvement** in mangrove conservation and urban planning.
5. Under the slogan **'Sabse Bada Dhan, Jal aur Van,'** efforts will be made to promote the **establishment of community-managed forests** to enhance the State's green cover with local community participation. Additionally, **Devrai (sacred groves)** will be preserved to protect their unique biodiversity and cultural significance.
6. **Awards will be instituted at the district and taluka levels** to encourage individuals and organisations actively involved in forest conservation and environmental protection.

OUR PROMISES

Water, Land and Ecosystem Management

7. Advanced cleaning technologies, including 'Ro-Boat' systems, will be employed to clean rivers in Maharashtra.
8. Preventive measures will be implemented to curb siltation in riverbeds by using dense-growing grasses such as bamboo and vetiver.

Mumbai Metropolitan Region

OUR PROMISES

1. **Comprehensive urban development** in Mumbai will be achieved through the strict implementation of the **Development Control Regulations (DCR) 2034**.
2. All **MHADA** (Maharashtra Housing and Area Development Authority) **colonies in Mumbai will be developed** through clusters over the next five years.
3. Efforts will be made to **achieve a slum-free Mumbai** through the effective implementation of the recently announced **new housing policy**.
4. A **fleet of 12,000 EV buses will be added to the BEST service**, ensuring eco-friendly and affordable travel for Mumbaikars.
5. A **robust mechanism will be established** to ensure that all **open spaces** (Government and Semi-Government) within the limits of all municipal corporations in the Mumbai Metropolitan Region **remain free from encroachments**.
6. The **Dr Babasaheb Ambedkar Shram Safalya Awaz Yojana** will be reinstated. **Sanitation workers in Mumbai** and all urban local bodies will be granted **home ownership rights**.
7. A significant number of flyovers have been constructed in the Mumbai Metropolitan Region. **Turf facilities will be developed underneath these flyovers**, making previously unused open spaces available for sports activities.
8. The **Vande Metro service** will be launched to **connect Mumbai with nearby cities**, significantly reducing travel time and bringing surrounding cities closer to Mumbai.
9. A **'Water Metro'** will be initiated on the lines of Kochi (Kerala), **connecting coastal cities and islands** through environment friendly water routes, utilising **electric boats (EVs)**. This will help **reduce the strain on the transportation system in Mumbai**.
10. By establishing **multi-storey automated parking systems** in urban areas of Maharashtra, parking and traffic issues will be addressed.
11. To **prevent 'waterlogging' in cities** during monsoons, a **Smart Drainage System** will be implemented in Mumbai and all major cities.
