Re-imagining Bengaluru: Transforming Urban Living – My vision

As your MP, I am going to strive for

- **Rightful funds**, central projects & opportunities for my state and my city. I will be the unwavering voice of the people of my constituency
- **Laws & policies** to transform India, Karnataka and Bengaluru
- Frameworks for healthy, educated, **gainfully employed** Bengaluru

My manifesto below outlines how I will address the neglect by BJP MP over the **last 15 years** & how I will take concrete steps to transform Bengaluru Central.

“Namma Makkalu Namma Bhavishya” “Our Children Our Future” :

- Every class will have a dedicated teacher for every subject
- Discourage the appointment of contractual teachers in regular vacancies and the use of teachers for non-teaching activities
