11. PROSECUTION AND COMPOUNDING OFFENCES.

No prosecution was launched during the year. Penalisation was avoided and improvement was attempted through educative, publicity/propaganda and persuasive measures.

12. DIFFICULTIES ENCOUNTERED IN THE IMPLEMENTATION OF THE ACT:

- 1 Demand for birth certificate not created adequately – School admissions, issue of food ration cards etc., are being done despite non-production of birth certificates.
- 2 Jurisdiction of registrars and notifiers in rural areas not being co-terminus is leading to problems of imperfect co-ordination.
- 3 High levels of Illiteracy, lack of awareness, lack of supporting infrastructure facilities are the contributing factors for under registration in rural areas.
- 4 Inadequacy of staff at all levels.
- 5 In form No.1 address of Informant alone is provided with which it is difficult to locate the parents for distribution of birth certificates. Hence need is felt for inclusion of parents permanent address also in Form No.1.
- 6 Lack of administrative authority to the Chief Registrar over registration functionaries.
- 7 Inadequate budget provision to the Chief Registrar for publicity, supervision etc.

13. INSPECTION, TRAINING AND MEETINGS OF REGISTRATION FUNCTIONARIES:

13.1 INSPECTION ARRANGEMENT.

Inspection of registration centers and registration record is important in ensuring qualitative and quantitative improvement of registration work. The District Registrars and Additional District Registrars were directed to conduct inspection of registration centres of rural as well as urban areas of their district.

State level Officers were also conducted inspection in the State. Besides these routine inspections, registration centres were inspected by the officials of Revenue Department also.

4533 inspections of the registration units were done by the District Statistical Officers of the Directorate and Officers/ Officials of the Revenue Department for the year 2007.

13.2 TRAININGS.

During the year 2007, District Statistical Officers were conducted 141 trainings to the district staff to improve the Civil Registration System. Detailed procedures of RBD Act and State Rules, Clarifications and discrepancies in filling up of reporting forms were also discussed in these trainings.

In 4 divisions of the State, 7 trainings on Medical Certification of Cause of Death were held in the year 2007. A total of 277 Medical Officers/Coders were trained in the workshop.
