## **12. DIFFICULTIES ENCOUNTERED IN THE IMPLEMENTATION OF THE ACT:**

- 1 Demand for birth certificate not created adequately – School admissions, issue of food ration cards etc., are being done despite non-production of birth certificates.
- 2 Jurisdiction of registrars and notifiers in rural areas not being co-terminus is leading to problems of imperfect co-ordination.
- 3 High levels of Illiteracy, lack of awareness, lack of infrastructure facilities are the contributing factors for under registration in rural areas.
- 4 Inadequacy of staff at all levels.
- 5 In form No.1 address of Informant alone is provided with which it is difficult to locate the parents for distribution of birth certificates. Hence need is felt for inclusion of parents permanent address also in Form No.1.
- 6 Lack of administrative authority to the Chief Registrar over registration functionaries.
- 7 Inadequate budget provision to the Chief Registrar for publicity, supervision etc.

## **16. INVOLMENT OF NGO's.**

Plan India has been carrying out birth registration campaign in Nine States in India to ensure 100% registration in every State. In Karnataka the programme was launched in 2004, working in eight districts namely Bangalore Rural, Bidar, Chikmagalur, Davanagere, Gulbarga, Mandya and Kolar. Since then the district partners have employed strategic ways to create awareness and facilitate the registration and issue of birth certificates in all the villages in these districts.

To create awareness about Universal Birth Registration, VOICES with support from Plan India, produced several programmes that were broadcast on All India Radio. Backed with experience in Community Radio, VOICES used innovative way to generate awareness in rural Karnataka by narrow casting programmes, a process that plays programmes to small groups using tape recorders, thereby facilitating a two way communication process. Short television spots on ETV and Local Cable Channels were also telecasted.

## **17. GENERAL REMARKS:**

1. About 80 clarifications on the legal aspects of the system to the registration functionaries/general public were issued and 6 court summons were attended during the year.
2. Importance of birth and death registration was advertised in Dailies and Local Newspapers.
