| Total | | 149 | 24 |

The Agara lake is situated in Sy. No.11 with an extent of 05A 39G in Agara village and Sy. No.11 with different Hissas (sub-division) to a total extent of 143A 25G in Venkejiraokhane village of Begur Hobli, Bangalore South Taluk, Bangalore Urban District. The total extent of the lake is 149A 24 G. The village map of Venkejiraokhane village shows the existence of the Agara lake in Sy.no.11 is produced herewith.

The Agara Lake is situated to the South of Bellandur lake. The excess water from Agara lake overflows through the storm water drain (rajakaluve) to the Bellandur lake. The catchment area for Agara lake is the land on the eastern and western sides which is adjacent to the lake. Presently, the catchment area is fully developed by the BDA by forming HSR layout, which has allotted sites to various allottees who have put up constructions. Hence, presently the only source of water to the lake is rain water.

The lake is in the custody of Lake Development Authority. When the lake was in the custody of BDA at the time of formation of HSR layout which is formed to the east of the Agara lake certain portions on the periphery of the lake land have been used for the formation of ring road, flyover and Civic Amenities sites. The BDA has also formed the 14th main road, HSR layout and the Storm Water Drain on the western side of the lake which is within the lake boundary, which has resulted in the reduction of the total extent of the lake which at present measures 97A-32G. BDA has developed this lake during the year 2002-03. However, due to the inflow of sewage through the storm water drains it has become necessary to restore the lake again. The preparation of Detailed Project Report (DPR) for overall development and rejuvenation of the lake is in progress.

The satellite imageries of Agara Lake taken at different years between 2000 and 2014 is as follows:

Bellandur Amanikere

| Name of the Village | Survey No. | Extent | |
|--|--------------|------------|----------|
| | | Acre | Gunta |
| Agara (Begur Hobli, Bangalore South Taluk) | 43/A | 166 | 15 |
| | 43/B | 5 | 0 |
| | 43/C | 0 | 20 |
| | 43/D | 0 | 20 |
| | 43/E | 0 | 18.08 |
| | 43/F | 1 | 0 |
| | 43/G | 1 | 0 |
| | 43/H | 0 | 1.08 |
| Ibbalur (Begur Hobli, Bangalore South Taluk) | 12 | 399 | 14 |
| Amanikere Bellandur Khane | 1 | 284 | 20 |
| Beluru | 2 | 16 | 0 |
| Yamalur | 62 | 3 | 4 |
| Kempapura | 6 | 13 | 15 |
| | Total | 891 | 9 |

The Bellandur Amanikere shares the Sy. No.43 divided in to 7 Hissas (sub-division) of Agara village and Sy. No. 12 of Ibbalur village of Begur Hobli, Bangalore South Taluk, Sy. No.62 of Yamalur Village, Sy. No.1 of Amanikere Bellandur Khane, Sy. No. 6 of Kempapura Village and Sy. No. 2 of Beluru Village of Varthur Hobli, Bangalore East Taluk, Bangalore Urban District. The lake is spread over an area of 891 A - 9G which comprises of 174A-35G of Sy No. 43 of Agara Village, 399A-14G of Sy. No.12 of Ibbalur village, 3A-4G of Sy. No.62 of Yamalur Village, 284A-20G of Sy. No. 1 of Amanikere Bellandur Khane village, 13A-15G of Sy. No.6 of Kempapura Village and 16A-0G of Sy. No.2 of Beluru Village. The village maps for the above said six villages are produced herewith.

Bangalore Development Authority is the present custodian of the Bellandur Amanikere lake. Though the lake was fenced earlier, it has been damaged at many places. The lake is in urgent need of rejuvenation as the lake is being constantly fed with sewage water.

The lake area has to be resurveyed and encroachment/s have to be evicted and fenced properly. The entry of the sewage in to the lake should be stopped and other developmental work has to be carried out by the BDA.

The catchment area for this lake is situated on the southern side as well as from the Challaghata Valley on the North-Western side.

The land acquired by the KIADB for the proposed SEZ is the land which is situated between the Agara lake and the Bellandur lake which is one of the catchment areas for the Bellandur lake. This area is classified as sensitive zone in the present CDP Master Plan 2015.

The satellite imageries of Bellandur Amanikere Lake taken at different years between 2000 and 2014 is as follows:
