Economic Survey of Maharashtra 2024-25

DIRECTORATE OF ECONOMICS AND STATISTICS,
PLANNING DEPARTMENT,
GOVERNMENT OF MAHARASHTRA

PREFACE

According to Maharashtra Arthsankalp Niyampustika, Vol.1, Para No.139 the Economic Survey of Maharashtra is a concerted endeavor of Directorate of Economics and Statistics, Planning Department, which is prepared every year and presented in the Budget Session before the State Legislature. The present publication for the year 2024-25 is the 64th issue in the series.

2. The latest available information related to various socio-economic sectors of the economy along with indicators and trends are provided in this publication. This publication provides time series data of important statistics for the State and selected socio-economic indicators of all states in India. This year, districtwise selected socio-economic indicators are incorporated in this publication. In an effort to provide latest available data, some of the data / estimates are provisional.

3. This Directorate is thankful to the concerned Departments, Offices and Undertakings of the State and Central Government for providing useful information in time that enabled us to bring out this publication.

Dr. Jyotsna Padiyar
Commissioner
Directorate of Economics and Statistics,
Government of Maharashtra

Mumbai

Annx. 3.6	Real gross value added at basic prices by industry of origin, real gross domestic product at market prices & gross national income(at constant prices (base year 2011-12))	31
Annx. 3.7	Nominal net value added at basic prices by industry of origin, nominal net domestic product at market prices & net national income(at current prices)	32
Annx. 3.8	Real net value added at basic prices by industry of origin, real net domestic product at market prices & net national income(at constant prices (base year 2011-12))	33
Annx. 3.9	Nominal gross district domestic product (at current prices), real gross district domestic product (at constant prices (base year 2011-12)) and Per capita nominal net district domestic product (at current prices)	34
Annx. 4.1	Groupwise consumer price index for rural areas in Maharashtra	46
Annx. 4.2	Groupwise consumer price index for urban areas in Maharashtra	47
Annx. 4.3	Groupwise consumer price index for the state compiled by National Statistical Office, GoI for rural, urban and combined areas	48
Annx. 4.4	Consumer price index for agricultural labourers and consumer price index for rural labourers for Maharashtra and All-India	49
Annx. 4.5	All-India consumer price index for industrial workers	50
Annx. 4.6	Inflation based on various important price indices at All-India level	51
Annx. 4.7	Consumer price index for industrial workers for centres in Maharashtra	52
Annx. 4.8	Consumer price index for industrial workers for centres in Maharashtra	53
Annx. 4.9	All-India wholesale price index	54
Annx. 4.10	Districtwise number of ration card holders (As on 31 st December, 2024)	55
Annx. 4.11	Allotment of rice and wheat by Government of India to the State	56
Annx. 4.12	Quantity of rice and wheat distributed to authorised ration/fair price shops	56

	Subject	Page No.
Annx. 4.13	Under NFSA, districtwise allotment, off-take & distribution of foodgrains to fair price shops for Antyodaya Anna Yojana households during 2023-24	57
Annx. 4.14	Under NFSA, districtwise allotment, off-take & distribution of foodgrains to fair price shops for Priority Households during 2023-24	58
Annx. 4.15	Upto June, 2024 districtwise number of godowns and fair price shops	59
Annx. 5.1	Series of fiscal indicators	74
Annx. 5.2	Details of receipts on revenue and capital account	75
Annx. 5.3	Details of development and non-development expenditure on revenue and capital account	76
Annx. 5.4	Expenditure on government final consumption and capital formation as per the economic and purpose classification of state budget	77
Annx. 5.5	Borrowings & other liabilities during the year	78
Annx. 6.1	Deposits and credit of all scheduled commercial banks in the State	88
Annx. 6.2	Districtwise Annual Credit Plan (2024-25)	89
Annx. 6.3	Districtwise details of Pradhan Mantri Jan Dhan Yojana	90
Annx. 7.1	Total number, area and average size of operational holdings in the State according to Agricultural Censuses	125
Annx. 7.2	Land utilisation statistics of the State	126
Annx. 7.3	Area under principal crops, production and yield per hectare in the State	127
Annx. 7.4	Cropwise index numbers of agricultural production in the State	129
Annx. 7.5	Irrigation & non-irrigation water charges	130
Annx. 7.6	Livestock and poultry in the State	131
Annx. 8.1	Minerals production in the State	158
Annx. 8.2	Selected characteristics of industries in the State (Based on Annual Survey of Industries)	159
Annx. 8.3	Index numbers of industrial production in India	161
Annx. 8.4	Details of Co-operative societies in the State	162
Annx. 9.1	Installed capacity, generation & consumption of electricity in the State	190
Annx. 9.2	Road Length by type of roads in the State (Maintained by National Highway Authority of India, Public Works Department and Zilla Parishad)	191
Annx. 9.3	Classification of district-wise road length according to breadth (Maintained by National Highway Authority of India, Public Works Department and Zilla Parishad)	192
Annx. 9.4	Number of motor vehicles in the State	193

	Subject	Page No.
Annx. 10.1	Management and education levelwise number of schools, teachers and enrolment	268
Annx. 10.2	Regionwise and education levelwise institutions, enrolment and number of teachers	269
Annx. 10.3	Number of Health science institutions, their intake capacity and students admitted in the first year of the course during year 2024-25 upto January	270
Annx. 10.4	Number of Technical institutions, their intake capacity and students admitted in the first year of the course for the year 2024-25 upto January	271
Annx. 10.5	Number of institutions for Arts, Science, Commerce, Non A.I.C.T.E courses, Law, Education, Fine Arts, their intake capacity and students admitted in first year of the course during year 2024-25 upto December	272
Annx. 10.6	Number of institutions for Agriculture, Veterinary and Fishery Science courses, their intake capacity and students admitted in first year of the course for the year 2024-25 upto January	273
Annx. 10.7	Medical facilities available in the public sector of the state	274
Annx. 10.8	Districtwise health infrastructure in the State (upto December, 2024)	275
Annx. 10.9	Birth rates, death rates, infant mortality rates and total fertility rates based on sample registration scheme of the State	276
Annx. 10.10	Economic classification of workers as per Population census 2011	277
Annx. 10.11	Average daily employment in different industries in the State	278
Annx. 10.12	Working factories and factory employment in the State	279
Annx. 10.13	The details of notified vacancies, placement and persons on the live register in skill development, employment and entrepreneurship guidance centres	280
Annx. 10.14	Number of persons on the live register of skill development, employment and entrepreneurship guidance centres as on October, 2024	281
Annx. 10.15	Categorywise number of works completed and expenditure incurred thereon under the Mahatma Gandhi National Rural Employment Guarantee (MGNREG) in the State	282
Annx. 10.16	The Details of industrial disputes in the State	283
Annx. 10.17	Districtwise Human development index 2011	284

OVERVIEW OF THE STATE

Maharashtra is located on the coast of the magnificent Arabian Sea and occupies the western & central peninsular region of India. The State has 720 km long coastline & Sahyadri mountain ranges on the west, the Satpura hills along the north and Bhamragad-Chiroli-Gaikhuri ranges on the east as its natural borders. The State is surrounded by Gujarat to the north west, Madhya Pradesh to the north, Chhattisgarh to the east, Telangana to the south east, Karnataka to the south and Goa to the south west. For administrative convenience, the State has been divided into 36 districts and six revenue divisions.

Maharashtra experiences a tropical monsoon climate with hot, rainy and cold weather seasons. The month of March marks the beginning of the summer and is followed by monsoon in early June and winter season in November.

The State ranks 2nd by population & 3rd in terms of geographical area and is one of the highly urbanised states in India. The State is well connected through roadways, railways, airways, waterways and ultra-modern transport systems like monorail & metrorail. The *Atal Bihari Vajpayee Sewri-Nhava Sheva Atal Setu*, is the longest sea bridge in India with an engineering innovation is located in Mumbai.

Well developed infrastructure, abundant natural resources, connectivity to all major parts of the country, skilled manpower and quality education make Maharashtra an ideal destination for setting up of new industries.

Mumbai the State capital, is the financial capital of India. Mumbai is home of nationalised banks, leading finance institutions, corporate houses & firms as well as has Asia's oldest Stock Exchange, the Bombay Stock Exchange.

Maharashtra has a rich cultural heritage and is known for its vibrant traditions and festivals. Varied customs and traditions co-exist peacefully in Maharashtra. Along with traditional folk music & dance Maharashtra has a very good tradition of theatre including *Sangeet Natak*. Maharashtrian cuisine varies with the regions. *Malvani (Konkani)*, *Kolhapuri* and *Varhadi* cuisins are examples of well-known regional cuisines. Maharashtra celebrates all major religious festivals in a peaceful and harmonious manner.

The State houses world heritage sites such as Ajanta, Ellora & Elephanta caves, 19th century Victorian Neo-Gothic public buildings & 20th century Art Deco buildings and Chhatrapati Shivaji Maharaj Terminus. There are three Ramsar sites viz. Nandur Madhameshwar in Nashik district, Lonar crater in Buldhana district and Thane creek. These world heritages, architectural structures like Gateway of India, Viharas & Chaityas, wild life & bird sanctuaries, beaches, forts, caves, lakes & waterfalls and Ramsar sites attract tourists from all over the world.

Maharashtra is known for its pioneer role in development of modern education system in India. The state has well developed infrastructure with modern healthcare facilities. Also the State has sizable contribution in sports, arts, literature and social services. The State is also home to 'Bollywood', the world famous entertainment industry.

Maharashtra, a pragmatic & progressive State has always been a substantial participant in the movement towards sustainable development of the Nation.

Prices And Public Distribution

1.3 During April to December, 2024 the average Consumer Price Index (CPI) (Base year 2003=100) compiled for rural and urban areas in the State was 394.1 and 371.1 respectively. The year-on-year inflation during this period was 6.0 per cent for rural and 4.5 per cent for urban areas.

1.4 There are in all 265.20 lakh (58.90 lakh yellow, 184.24 lakh saffron and 22.07 lakh white) ration card holders in the State upto December, 2024.

1.5 For distribution of foodgrains, ePoint of Sale (ePoS) devices have been installed in 52,813 Fair Price Shops across the State as on 31st January, 2025. During December, 2024 about 1.51 crore families availed ration with *Aadhaar* based biometric authentication.

1.6 At the end of November, 2024 in all 1,884 *Shivbhojan* Centres were functioning in the State. During 2024-25 upto November, in all 3.97 crore *Shivbhojan Thalīs* were distributed.

1.7 Since inception of the 'One Nation, One Ration Card' scheme, upto December 2024, in all 1.05 lakh ration card holders from Maharashtra have lifted foodgrains from other states and 11.93 lakh ration card holders from other states have lifted foodgrains from Maharashtra.

Public finance

1.8 The Revenue receipts of the State are expected to be ₹ 4,99,463 crore for 2024-25 (BE) as against ₹ 4,86,116 crore for 2023-24 (RE). The tax and non-tax revenue (including central grants) for 2024-25 (BE) are expected to be ₹ 4,19,972 crore and ₹ 79,491 crore respectively. Actual revenue receipts during 2024-25 upto January were ₹ 3,81,080 crore (76.3 per cent of BE).

1.9 The Revenue expenditure of the State is expected to be ₹ 5,19,514 crore as per 2024-25 (BE) as against ₹ 5,05,647 crore in 2023-24 (RE). During 2024-25 upto January actual revenue expenditure was ₹ 3,52,141 crore (67.8 per cent of BE).

1.10 As per 2024-25 (BE), the share of capital receipts in total receipts and share of capital expenditure in total expenditure is expected to be 24.1 per cent and 22.4 per cent respectively.

1.11 As per 2024-25 (BE), the percentage of fiscal deficit to GSDP, revenue deficit to GSDP and debt stock to GSDP is expected to be 2.4 per cent, 0.4 per cent and 17.3 per cent respectively

1.12 Total outlay for Annual Plan 2024-25 is ₹ 1,92,000 crores, of which ₹ 23,528 crore is for the District Annual Plan

Institutional finance

1.13 As on 31st March, 2024 aggregate bank deposits and gross credit of scheduled commercial banks in the State were ₹ 46.68 lakh crore and ₹ 45.99 lakh crore respectively. Credit-Deposit Ratio of the State was 98.5 per cent as on 31st March, 2024.

1.14 Annual Credit Plan size for Priority sector of the State for 2024-25 is ₹ 7.25 lakh crore of which the share of 'Agriculture' sector is 24.4 per cent and that of 'Micro, Small, Medium enterprises' sector was 60.7 per cent.

- As on 30th September, 2024, State has highest share in aggregate deposits (22.9 per cent) and gross credit (28.0 per cent) of scheduled commercial banks at All-India level
- As on 30th September, 2024 number of Automated Teller Machines (ATMs) per lakh population was 22 in the State
- Under *Pradhan Mantri Jan Dhan Yojana*, upto 31st December, 2024 in all 3.61 crore bank accounts were opened in the State of which 55.0 per cent were from rural/semi-urban areas

Agriculture & allied activities

1.15 The State received 116.8 per cent of the normal rainfall during monsoon 2024. In the State, 203 talukas received excess rainfall, 68 received normal rainfall and 84 received deficient rainfall.

1.16 Average size of operational holding in the State as per provisional figures of Agriculture Census 2021-22 is 1.23 ha as against 4.28 ha during Agriculture Census 1970-71. According to provisional figures of Agriculture Census 2021-22, the total area of small & marginal operational holdings (upto 2.0 ha) constituted 54.5 per cent of the total area of operational holdings whereas number of small & marginal operational holdings constituted 84.5 per cent of the total number of operational holdings.

1.17 During *kharif* season of 2024-25, sowing was completed on 157.59 lakh ha area. The production of cereals, pulses, oilseeds and cotton is expected to increase by 49.2 per cent, 48.1 per cent, 26.9 per cent and 10.8 per cent respectively, while production of sugarcane is expected to decrease by 6.6 per cent over the previous year.

1.18 During *rabi* season of 2024-25, sowing was completed on 62.81 lakh ha area. The production of cereals & pulses is expected to increase by 23 per cent & 25 per cent respectively while, production of oilseeds is expected to decrease by 22.7 per cent over the previous year.

1.19 During 2023-24 area under horticulture crops is expected to be 21.74 lakh ha and production is expected to be 326.88 lakh MT.

1.20 Irrigation potential created upto June, 2023 by major, medium and minor irrigation (State sector) projects was 56.33 lakh ha. During 2023-24, actual irrigated area (Provisional) was 39.27 lakh ha.

1.21 As on 15th October, 2023 live storage in the major, medium & minor irrigation (State sector) reservoirs taken together was 32,596 million cubic metres, which was 74.5 per cent of the total storage capacity.

1.22 During 2024-25 upto September crop loans of ₹ 40,778 crore and agricultural term loans of ₹ 68,722 crore were disbursed through Scheduled Commercial Banks, Regional Rural Banks and District Central Co-operative Banks.

1.23 Compensation for loss due to untimely rains and hailstorms between January to May, 2024 was sanctioned for maximum three ha area. Compensation of ₹ 797.94 crore was sanctioned to 4.95 lakh farmers for 2.88 lakh ha affected area. Similarly, compensation for loss due to heavy rainfall and flood between June to September, 2024 was sanctioned for maximum three ha area. A compensation of ₹ 1,470.92 crore was sanctioned to 50.36 lakh farmers for 37.67 lakh ha affected area.

1.24 As per Livestock Census 2019, the State ranks seventh at All India level with total livestock of about 3.31 crore. The State ranks fifth at All India level with about 7.43 crore poultry birds.

1.25 During 2023-24, the average daily collection of milk by co-operative dairies was 42.32 lakh litre and During 2022-23, it was 38.45 lakh litre.

1.26 During 2023-24, marine and inland fish production was 4.35 lakh MT and 2.65 lakh MT respectively. During 2022-23, it was 4.46 lakh MT and 1.44 lakh MT respectively.

1.27 The forest area of the State at the end of March, 2024 was 20.1 per cent of the geographical area.

1.28 As per the India State Forest Report, 2023 the State ranks first at national level with tree cover of 14,525 sq km (4.7 per cent of the geographical area)

As per Basic Animal Husbandry Statistics-2024, During 2023-24,

- The State ranks third in the country in meat production with 11.3 per cent share
- Per capita availability of meat in the State 9.1 kg per annum as against 7.4 kg per annum at national level
- The State ranks fifth in the country in milk production with 6.7 per cent share
- Per capita availability of milk in the State 347 gram per day as against 471 grams per day at national level
- The State ranks 7th in the country in egg production with 5.5 per cent share
- Per capita availability of eggs in the State is 62 eggs per annum as against 103 eggs per annum at national level

Industry and Co-operation

1.29 In the State total number of MSMEs registered on Udyam registration portal upto December, 2024 were 46.74 lakh (45.03 lakh micro, 1.53 lakh small and 0.18 lakh medium) with 201.67 lakh total employment therein.

1.30 As per the 'India Tourism Statistics - 2023' report, the State had 1,113 lakh domestic tourist visits and 15.1 lakh foreign tourist visits during 2022 as against 435.7 lakh domestic tourist visits and 1.9 lakh foreign tourist visits during 2021.

1.31 As on 31st March, 2024, there were about 2.22 lakh co-operative societies, with about 6 crore members. Of these, 9.4 per cent were primary agricultural credit societies, 9.5 per cent were non-agricultural credit societies, 11.5 per cent

were agro processing societies, 56.6 per cent were housing societies, 5.1 per cent were labour contract societies and 7.9 per cent were engaged in other activities.

- During 2023-24, exports from the State contributed 15.4 per cent in the total exports from India
- As on 23rd January, 2025 the State has the highest share (24 per cent) in the startups recognised by GoI at all India level
- During October, 2019-September, 2024 Maharashtra has remained at the top position in FDI inflows in India with 31 per cent share

- 'Maharashtra Logistics Policy 2024' has been declared with an aim to make Maharashtra a global logistics hub by modernising the State's logistic sector
- 'Maharashtra Tourism Policy 2024' has been declared which focuses on transforming Maharashtra into preferred, sustainable and globally recognised tourist destination
- 'Maharashtra State Export Promotion Policy 2023' is being implemented with a vision to achieve economic growth and generate employment opportunities
- 'New IT and ITeS Policy of Maharashtra State 2023' is being implemented in the State for the balanced development of Information Technology all over the State
- 'Integrated and Sustainable Textile Policy 2023-2028' is being implemented in the State with an objective to evolve the textile industry of the State

Infrastructure

1.32 As on 31st March 2024, total installed capacity of electricity generation in the State was 38,601 Mega Watt (MW) of which share of thermal, renewable, hydro and natural gas was 52.8 per cent, 32.0 per cent, 7.9 per cent and 7.3 per cent respectively.

1.33 During 2023-24, the total electricity generated in the State was 1,43,746 Million Units (MU) along with this electricity received from central sector was 45,725 MU and total consumption of electricity was 1,62,054 MU.

1.34 During 2023-24, the average peak demand for electricity was 23,105 MW and supply at that time was 23,811 MW.

1.35 During 2023-24, transmission losses of MAHATRANSCO were 3.27 per cent, whereas for 2024-25 upto November, it was 3.37 per cent. The distribution losses and 'Aggregate Technical & Commercial' (AT & C) losses of MAHADISCOM for 2023-24 were 15.8 per cent and 19.3 per cent respectively.

- Total installed capacity in the State increased from 31,291 MW in 2014-15 to 38,601 MW in 2023-24 with growth rate of 23.4 per cent
- Electricity generated in the State increased from 1,03,779 MU in 2014-15 to 1,43,746 MU in 2023-24 with growth rate of 38.5 per cent
- Electricity consumption in the State increased from 1,12,855 MU in 2014-15 to 1,62,054 MU in 2023-24 growth rate of 43.6 per cent

- Total installed capacity of renewable energy in the State increased from 6,717 MW in 2014-15 to 12,355 MW in 2023-24 with growth rate of 83.9 per cent.
- Share of installed capacity of solar energy in installed capacity of renewable energy has increased from 4.9 per cent to 31.7 per cent during this period

1.36 At the end of March, 2024, the total road length in the State maintained by National Highways Authority of India, PWD and ZP was about 3.28 lakh km.

1.37 The total number of vehicles on road in the State as on 1st January, 2025 was 488 lakh (149 vehicles per km road length) as against 458 lakh (141 vehicles per km road length) on 1st January, 2024.

1.38 Number of Battery Electric Vehicles registered in the State upto December, 2024 was 6,44,779 as against 3,94,337 upto December, 2023.

1.39 During 2024-25 upto December, Maharashtra State Road Transport Corporation (MSRTC) has on an average effectively operated on an average 15,560 buses per day and carried 58.69 lakh passengers per day.

1.40 During 2023-24, total cargo traffic handled by major and non-major ports in the State was 2,299.49 lakh MT as against 2,187.25 lakh MT during 2022-23.

1.41 During 2023-24, the passenger traffic from domestic and international airports in the State was 524.70 lakh and 146.03 lakh respectively, whereas the corresponding figures for 2022-23 were 446.98 lakh and 114.13 lakh respectively.

1.42 During 2023-24, domestic and international cargo handled by airports in the State was 2.79 lakh MT and 5.92 lakh MT respectively. The corresponding figures for 2022-23 were 2.87 lakh MT and 5.40 lakh MT respectively.

➤ Mumbai Metro Rail Project

- Metro Line 1 (Versova-Andheri-Ghatkopar) (11.40 km length): During 2024-25, an average number of passengers travelled per day is 5.0 lakh
- Metro Line 2A (Dahisar-D.N. Nagar) (18.6 km length) and Metro Line 7 (Andheri (E)-Dahisar (E)) (16.5 km length): During 2024-25, an average number of passengers travelled per day is 1.52 lakh
- Metro Line 3 (Coloba-Bandra SEEPZ) (12.69 km length) - Phase I Aarey to BKC opened for traffic from October, 2024: During 2024-25, an average number of passengers travelled per day is 21,693

➤ Pune Metro Rail Project (Pimpri Chinchwad Municipal Corporation to Swargate of Corridor I and Vanaz to Ramwadi of Corridor II) (33.28 km length): During 2024-25, an average number of passengers travelled per day is 1.20 lakh

➤ Nagpur Metro Rail Project: (40.02 km length): During 2024-25, an average number of passengers travelled is around 90,000 per day

➤ Navi Mumbai Metro (CBD Belapur to Pendhar) (11.10 km length): During 2024-25, an average number of passengers travelled is around 13,613 per day.

1.43 At the end of September, 2024 the internet subscriber base in the State was 11.06 crore and Cell phone connections were 12.56 crore. Also 17,552 public Wi-Fi hotspot and 38,717 access points available in the State.

- Nagpur to Igatpuri (about 625 km) part of *Hindu Hruday Samrat Balasaheb Thackeray Maharashtra Samruddhi Mahamarg* (about 701 km) has been opened to traffic
- The southbound traffic lane from Bandra Worli Sea Link to Princess street flyover and the northbound traffic lane from Marine Drive to Bandra Worli Sea Link of Mumbai Coastal Road Project (South) is opened to traffic from January, 2025

Social sector

1.44 In the State, as on 30th September, 2023, number of primary schools (class I to VIII) were 1,04,499 with total enrolment of 146.0 lakh and number of secondary & higher secondary schools (class IX to XII) were 28,986 with total enrolment of 63.7 lakh.

- As on 30th September 2023, Gender Parity Index is
 - 0.92 for Primary education,
 - 0.88 for Upper Primary, Secondary and Higher Secondary education each
- As per All-India Survey of Higher Education 2022-23, Gender Parity Index for higher education is 0.83

1.45 As per All-India Survey of Higher Education 2022-23, there were 78 universities, 5,725 colleges and 2,182 stand-alone institutions in the State with 46.21 lakh enrolment therein.

- During 2020,
 - Crude Birth Rate was 15
 - Crude Death Rate was 5.5
 - Infant Mortality Rate was 16
 - Neo-Natal Mortality Rate was 11
 - Under-Five Mortality Rate was 18
 - Total Fertility Rate was 1.5
- Maternal Mortality Ratio during 2018-20 was 33

1.46 Under Integrated *Mahatma Jyotirao Phule Jan Arogya Yojana* and *Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana*, about 8.45 lakh surgeries & therapies were carried out and expenditure of ₹ 1,143.26 crore was incurred during 2024-25 upto December.

1.47 During October, 2024, about 6.7 per cent children (age 0-5 years) were moderately underweight and 1.2 per cent were severely underweight. During March 2024, the corresponding figures were 6.7 per cent and 1.2 per cent respectively.

1.48 During December, 2024, about 3.24 per cent children (age 0-5 years) were Moderate Acute Malnutrition (MAM) and 0.72 per cent were Severe Acute Malnutrition (SAM). During March 2024, the corresponding figures were 3.92 per cent and 1.21 per cent respectively.

- The State has launched *Mukhyamantri majhi ladki bahin yojana* in June, 2024 with the objectives to promote rehabilitation, economic development & empowerment of women & girls in the age group 21 to 65 years
- Under this scheme ₹ 17,505.90 crore financial assistances provided to 2.38 crore beneficiary women upto December, 2024

1.49 The share of Gender budget in total State budget is 3.1 per cent in 2023-24 and 3.3 per cent in 2024-25 & the share of Child budget in total State budget is 12.1 per cent in 2023-24 and 12.5 per cent in 2024-25.

1.50 Under *Jal Jeevan* Mission upto January, 2025, Functional Household Tap Connections were provided to 88 per cent households, 98.8 per cent schools, 81.3 per cent *Grampanchayat* Buildings, 83.5 per cent Health Centres & 98.3 per cent Anganwadi.

1.51 Under *Swachh Bharat* Mission (Urban), 29 cities have been declared as ODF, 89 cities as ODF+, 264 cities as ODF++ and 21 cities as Water + upto December, 2024.

1.52 Every day on an average 24,111 MT solid waste is generated in the urban areas of the State of which 99.3 per cent is collected door-to-door. About 99.5 per cent of the collected solid waste is segregated in wet & dry form and about 88 per cent waste is processed.

1.53 During 2023-24, total 4.27 lakh MT plastic waste was generated of which 3.33 lakh MT plastic waste was disposed.

1.54 During 2023-24, MPCB has authorised 226 industries for dismantling and recycling of e-waste having environment friendly technology with total capacity of 3,77,369 MT per year.

* * * * *

Population

2. POPULATION

2.1 Population census is the ‘Census for public welfare’, which collects a wide range of data, pertaining to the population count, its composition and other demographic features at grass root level. This information is vital to guide and shape the future course of the nation.

2.2 As per the Population Census 2011, the State population was 11.24 crore which was 9.3 per cent of the total population of India. Maharashtra is the second largest State in the country in terms of size of population after Uttar Pradesh.

Projected Population

2.3 Population projection is a scientific attempt to peep into the future population scenario, conditioned by certain assumptions using past data. The ‘Report of the technical group on population projections November, 2019’ published by the National Commission on Population, GoI, provides population projections upto the year 2036. As per the report the projected population of the State as on 1st March, 2021 was 12.44 crore and as on 1st March, 2025 is 12.83 crore. Population of Maharashtra and All India is given in Table 2.1.

Table 2.1 Population of Maharashtra and All India

		(Crore)							
Sector	Sex	Maharashtra				All India			
		Census 2011	Projected Population [#]			Census 2011	Projected Population [#]		
			2021	2024	2025		2021	2024	2025
Rural	Male	3.15	3.33	3.36	3.37	42.78	45.53	45.98	46.12
	Female	3.00	3.14	3.16	3.17	40.60	43.61	44.20	44.39

2.3.2 The working age population plays a crucial role in determining the size of labour force. As per the projection, working age population (age 15-59 years) in the State shows continuously increasing trend and is expected to be 8.70 crore in the year 2026. Projected population characteristics of the State are given in Table 2.3.

**Table 2.3 Projected population characteristics of the State**As on 1st March

Year	Population by broad age-group (Crore)				Proportion (per cent)			Median age (years)	Dependency Ratio (per cent)		
	0-14	15-59	60+	Total	0-14	15-59	60+		Young (0-14)	Old (60+)	Total
2011 ^s	3.00	7.12	1.12	11.24	26.7	63.3	10.0	27.3 ^{ss}	42.2	15.7	57.9
2016	2.84	7.76	1.27	11.87	23.9	65.4	10.7	29.2	36.6	16.4	53.0
2021	2.69	8.30	1.45	12.44	21.6	66.7	11.7	31.3	32.5	17.5	50.0
2026	2.53	8.70	1.70	12.93	19.6	67.3	13.1	33.4	29.1	19.5	48.6
2031	2.42	8.93	2.00	13.35	18.1	66.9	15.0	35.6	27.0	22.4	49.4

2.3.3 The dependency ratio is a demographic indicator that measures proportion of dependent population (age 0-14 years & age 60 years and above) on working age population (age 15-59 years). The ratio highlights the potential dependency burden on working age population and indicates the shifts in dependency.

2.3.4 As per the projected population, due to declining fertility from year 2011 to 2026, the proportion of population aged under 15 years is expected to decline from 26.7 to 19.6 per cent. However the proportion of the age group 15-59 years and the 60 years & above is expected to increase considerably. With the declining fertility and increase in life expectancy, the proportion of

population in 60 years & above is expected to increase from 10.0 per cent in the year 2011 to 13.1 per cent in the year 2026. The proportion of population in the working age group is expected to rise from 63.3 per cent in the year 2011 to 67.3 per cent in the year 2026. Projected demographic indicators of the State are given in Table 2.4.

Table 2.4 Projected demographic indicators of the State

Indicator	2011-15	2016-20	2021-25	2026-30	2031-35
Population growth rate	11.0	9.4	7.7	6.3	4.9
Crude Birth Rate (CBR)	15.2	13.9	12.4	11.4	10.4
Crude Death Rate (CDR)	6.6	7.0	7.2	7.6	8.0

3

State Income

3. STATE INCOME

3.1 The Gross Domestic Product (GDP) is one of the most important macro-economic aggregate to measure the nation's total economic activity. Analysis of estimates of GDP over a period of time helps in revealing the extent and direction of the changes in the levels of economic development. Analysis of GDP at aggregate and disaggregated levels helps to identify structural changes taking place in the economy along with its growth drivers, which helps government in formulating policies for overall economic growth and development.

3.2 After COVID year 2020-21, a growth of over seven per cent has been observed for four consecutive years in the State economy. The State economy is expected to move swiftly in post pandemic era, with expected real GSDP in 2024-25 being almost 25 per cent higher than in 2019-20. Alongwith expected increase in 'Net product taxes' and stable growth in 'Services' sector in financial year 2023-24 and 2024-25, the State economy is expected to be in a position to carry forward the momentum that was built in first two years post-COVID era.

3.3 In the current series (Base year 2011-12), sectorwise estimates of Gross State Value Added (GSVA) are compiled at basic prices and Gross State Domestic Product (GSDP) is estimated at market prices. The estimates of GSDP at current prices are termed as nominal GSDP and at constant prices as real GSDP.

Advance estimates (2024-25)

3.4 As per the advance estimates of 2024-25, the State economy is expected to grow at 7.3 per cent over 2023-24 whereas Indian economy is expected to grow at 6.5 per cent. The nominal GSDP is estimated at ₹ 45,31,518 crore and the real GSDP (Base year 2011-12) is estimated at ₹ 26,12,263 crore. As per the advance estimates, real GSVA of 'Agriculture & allied activities', 'Industry' and 'Services' sector is expected to grow at 8.7 per cent, 4.9 per cent and 7.8 per cent respectively.

3.4.1 As per the second advance estimates for 2024-25 released by National Statistical Office, GoI, the nominal GDP is estimated at ₹ 3,31,03,215 crore, whereas the real GDP (Base year 2011-12) is estimated at ₹ 1,87,95,095 crore. The real GVA of 'Agriculture & allied activities', 'Industry' and 'Services' sector is expected to grow at 4.6 per cent, 5.6 per cent and 7.3 per cent respectively. The growth rates of GSVA/GVA and GSDP/GDP for 2024-25 are given in Table 3.1.

Table 3.1 Growth rates of GSVA/GVA and GSDP/GDP for 2024-25

Sector	(per cent)	
	Growth rate at constant prices	
	Maharashtra	All-India
Agriculture & allied activities (Agriculture[#], Forestry & Fishing)	8.7	4.6
Industry	4.9	5.6
i) Mining & Quarrying	3.6	2.8
ii) Manufacturing	4.2	4.3
iii) Electricity, Gas, Water supply & Other Utility Services	6.5	6.0
iv) Construction	6.8	8.6
Services	7.8	7.3
i) Trade, Repair, Hotels & Restaurants, Transport, Storage, Communication & Services related to Broadcasting	5.5	6.4
ii) Financial, Real Estate & Professional Services	8.2	7.2
iii) Public Administration, Defence & Other Services	9.4	8.8
GSVA/GVA	7.0	6.4
GSDP/GDP	7.3	6.5

includes Crops and Livestock

2) Second advance estimates released as per Press note of National Statistical Office, GoI dated 28th February, 2025

State Economy

GSDP (2023-24)

3.5 As per the first revised estimates, nominal GSDP of 2023-24 is estimated at ₹ 40,55,847 crore. The real GSDP is estimated at ₹ 24,35,259 crore with expected growth of 8.0 per cent over 2022-23.

3.5.1 The real GSVA of ‘Agriculture & allied activities’ sector is expected to grow at 3.3 per cent during 2023-24. The ‘Industry’ sector is expected to grow at 6.2 per cent and ‘Services’ sector is expected to grow at 8.3 per cent over the previous year.

3.5.2 Annual growth rates of sectorwise GSVA & GSDP are given in Table 3.2. Details of Nominal GSDP and real GSDP are given in Annexure 3.1 and Annexure 3.2 respectively.

Table 3.2 Annual growth rates of sectorwise GSVA and GSDP

Note: Sectorwise growth rates are based on GSVA whereas the growth rate of the State economy is based on GSDP

Source: Directorate of Economics & Statistics, GoM

Sectoral share in the current series

3.6 In the current series during 2011-12 to 2023-24, share of the State's nominal GSDP in All-India nominal GDP remained around 13 to 15 per cent. Share of the State's nominal GSDP in All-India nominal GDP during 2023-24 is highest (13.5 per cent), followed by Tamil Nadu (9.0 per cent).

3.6.1 During 2011-12 to 2023-24, share of 'Services' sector is highest, followed by 'Industry' and 'Agriculture & allied activities' in nominal GSVA of the State. As per first revised estimates of 2023-24, share of 'Agriculture & allied activities', 'Industry' and 'Services' sector is 11.2 per cent, 25.0 per cent and 63.8 per cent respectively. During 2011-12, the corresponding share was 13.1 per cent, 35.8 per cent and 51.1 per cent respectively.

Graph 3.6 : Sectorwise share in total nominal GSVA (2023-24)

State Income (2023-24)

3.7 As per the first revised estimates, nominal State Income (Net State Domestic Product (NSDP) at current prices) is estimated at ₹ 35,37,968 crore in 2023-24, whereas as per the second revised estimates, nominal State Income is estimated at ₹ 31,78,318 crore in 2022-23.

3.7.1 As per the first revised estimates, Per Capita State Income is estimated at ₹ 2,78,681 during 2023-24 as against ₹ 2,52,289 during 2022-23.

3.7.2 As per the first revised estimates, the real State Income (NSDP at constant prices (Base year 2011-12)) in 2023-24 is estimated at ₹ 21,07,597 crore, showing an increase of 7.9 per cent over the previous year. Details of Nominal NSDP and real NSDP are given in Annexure 3.3 and Annexure 3.4 respectively.

Graph 3.8 : Per Capita Income of Maharashtra and All- India

District Income

3.8 Estimates of Gross District Value Added (GDVA) are compiled using the ‘Income Originating Approach’ and have inherent limitations. For the ‘Agriculture & allied activities’ and ‘Mining & Quarrying’ sectors, district wise data is available but for other sectors, proxy indicators are used to allocate the GSVA estimates to districts. The district level estimates thus prepared may be used only to have a broad idea of the economy at district level. The estimates of nominal & real Gross District Domestic Product (GDDP) and estimates of Per Capita District Income (Per Capita nominal Net District Domestic Product) are given in Annexure 3.9.

Graph 3.9: Per Capita District Income (2023-24)⁺

Indian Economy

GDP (2023-24)

3.9 As per the first revised estimates, nominal GDP for 2023-24 is expected to be ₹ 3,01,22,956 crore whereas real GDP is expected to be ₹ 1,76,50,591 crore. The real GDP for 2023-24 is expected to grow at 9.2 per cent. Real GVA of 'Agriculture & allied activities', 'Industry' and 'Services' sector is expected to grow at 2.7 per cent, 10.8 per cent and 9.0 per cent respectively. Annual growth rates of sectorwise GVA and GDP are given in Table 3.3. Details of Nominal GDP and real GDP are given in Annexure 3.5 and Annexure 3.6 respectively.

Table 3.3 Annual growth rates of sectorwise GVA and GDP

National Income (2023-24)

3.10 Nominal Gross National Income (GNI) for 2023-24 is estimated at ₹ 2,97,10,786 crore with an increase of 12.0 per cent over the previous year. Nominal Net National Income (NNI) for 2023-24 is estimated at ₹ 2,63,50,374 crore with an increase of 12.7 per cent over the previous year. Real GNI is estimated at ₹ 1,74,04,638 crore with an increase of 9.2 per cent over the previous year

and real NNI for 2023-24 is estimated at ₹ 1,51,75,671 crore with an increase of 9.6 per cent over the previous year. Details of nominal NDP and real NDP are given in Annexure 3.7 and Annexure 3.8 respectively.

3.10.1 The Per Capita National Income in 2023-24 is estimated at ₹ 1,88,892 as against ₹ 1,69,145 in 2022-23.

4 Prices and Public Distribution System

4. PRICES AND PUBLIC DISTRIBUTION SYSTEM

4.1 Changes in prices affects quantum and pattern of consumption of goods & services and purchasing power of people. Price indices like Consumer Price Index and Wholesale Price Index are used to measure the change in the level of prices of commodities over a period of time. The Government intervenes to control the adverse price changes through dynamic stock management, provision of essential food items at subsidized rates, etc. Government provides essential commodities at affordable prices or free of cost to the poor & weaker sections of the society through Public Distribution System (PDS) for protecting them from the impact of price rise.

Price Indices

Consumer Price Index

4.2 The Consumer Price Index (CPI) measures change over time in the general level of prices of goods & services consumed by households and is used to represent the retail price index. Since 1962 CPI is being compiled in the State for rural and urban areas on monthly basis. Consumer Price Index for rural, urban and combined areas for all states and All-India are compiled by the National Statistical Office (NSO), GoI on monthly basis since January, 2011. Apart from this, CPI for industrial workers (CPI-IW), CPI for agricultural labourers (CPI-AL), CPI for rural labourers (CPI-RL) are separately compiled by the Labour Bureau, GoI on monthly basis.

Consumer Price Index compiled by the State

4.3 Directorate of Economics and Statistics, GoM compiles CPI (Base year 2003=100) for rural and urban areas of the State on monthly basis for assessing the retail price situation in the State. Retail prices of 106 goods and services from 68 rural centres and 127 goods and services from 74 urban centres are collected on a regular basis for compilation of CPI.

4.3.1 During April to December, 2024, the average CPI for rural and urban areas was 394.1 and 371.1 respectively, as against 371.8 and 355.2 during the same period of previous year. During April to December, 2024, the average CPI for 'Food' group for rural and urban areas was 411.1 and 406.2 respectively, as against 382.9 and 380.0 during the same period of previous year. During April to December, 2024, the average CPI for 'Fuel, Power & Light' group was 729.8 and 689.0 for rural and urban areas respectively, as against 699.4 and 694.6 during the same period of previous year.

4.3.2 During April to December, 2024, the year-on-year inflation based on average CPI was 6.0 per cent in rural and 4.5 per cent in urban areas. For 'Food' group, the year-on-year inflation based on average CPI during April to December, 2024 was 7.4 per cent in rural areas and 6.9 per cent in urban areas. During April to December, 2024 the year-on-year inflation based on average CPI of 'Fuel, Power & Light' group for rural areas was 4.3 per cent and for urban areas it was (-)0.8 per cent. Year-on-year inflation based on average CPI for sub group of 'food' group is given in Table 4.1. Groupwise CPI for rural areas are given in Annexure 4.1 and for urban areas are given in Annexure 4.2.

Consumer Price Indices compiled by Central Govt. agencies

4.4 National Statistical Office (NSO), GoI compiles monthly CPI (Base year 2012=100) for rural & urban areas and combined at All-India level. For compilation of CPI, prices of goods & services are regularly collected from 1,181 rural and 1,114 urban centres in the country, of which, 66 rural and 86 urban centres are from the State. The average All-India CPI during April to December, 2024 was 195.0 for rural, 189.9 for urban and 192.6 for combined areas as against 184.9, 182.0 and 183.6 respectively during the same period of previous year. During April to December, 2024, the year-on-year inflation based on average CPI for rural, urban and combined areas were 5.4 per cent, 4.3 per cent and 4.9 per cent respectively. Groupwise year-on-year inflation based on average All-India CPI is given in Table 4.2.

Table 4.2 Groupwise year-on-year inflation based on average All-India CPI

Group	(per cent)

N A Not Applicable

@ April to December, 2024

4.4.1 Average CPI compiled by NSO, GoI for the State during April to December, 2024 was 193.4 for rural, 185.8 for urban and 188.3 for combined areas. During April to December, 2024, the year-on-year inflation based on average CPI for rural, urban and combined areas was 3.9 per cent, 4.5 per cent and 4.3 per cent respectively. Groupwise CPI for the State compiled by NSO, GoI for rural, urban and combined areas are given in Annexure 4.3.

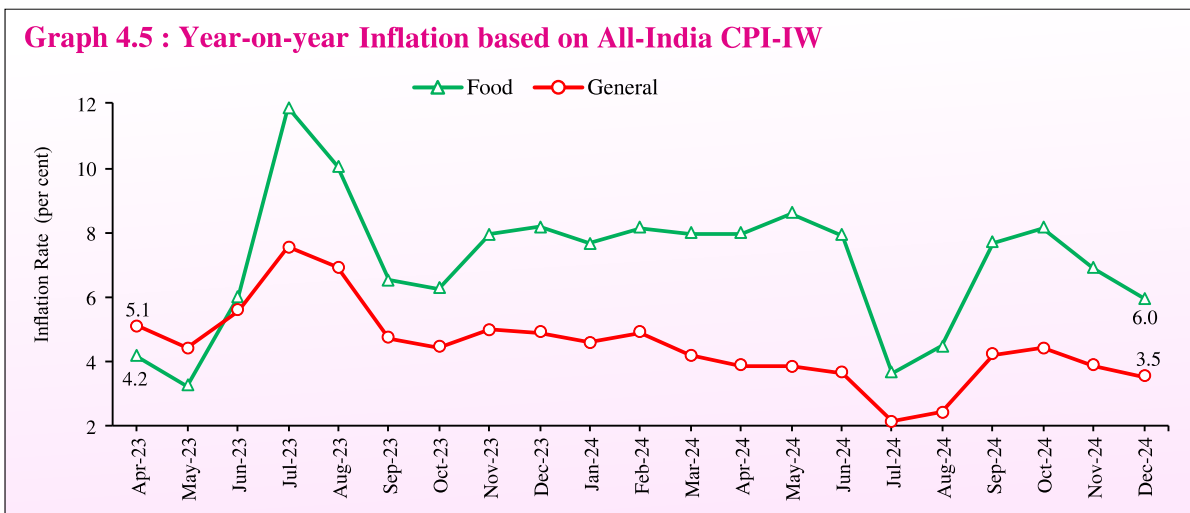

4.5 Consumer Price Indices for Agricultural Labourers (CPI-AL) & Rural Labourers (CPI-RL) (Base year 1986-87=100), serve as a guiding factor for fixation and revision of minimum wages of labourers in agriculture and rural sectors respectively under the 'Minimum Wages Act', 1948. They are compiled by the Labour Bureau, GoI. Prices are collected from 600 centres across 20 states in the country, of which 54 centres are from Maharashtra. At All-India level, average CPI-AL and average CPI-RL during April to December, 2024 were 1295.3 and 1307.0 respectively, showing year-on-year inflation of 6.2 per cent for both CPI.

4.5.1 During April to December, 2024 the average CPI-AL and average CPI-RL for the State were 1463.6 and 1456.4 showing year-on-year inflation of 7.9 per cent and 7.4 per cent respectively. CPI-AL and CPI-RL for Maharashtra and All-India are given in Annexure 4.4.

Graph: 4.3 : Year-on-year inflation based on CPI-AL for All India**Graph: 4.4 : Year-on-year inflation based on CPI-RL for All India**

4.6 Consumer Price Index for Industrial workers (CPI-IW) is used for fixation & revision of minimum wages for Industrial workers and also to determine the rate of Dearness Allowance (DA) for government employees & industrial workers. CPI-IW (Base year 2016=100) is being compiled by the Labour Bureau, GoI. For this purpose retail prices of selected goods & services of industrial importance are collected from 88 selected centres across country, of which six centres are from the State. The average CPI-IW for All-India during April to December, 2024, was 142.4 showing year-on-year inflation of 3.6 per cent. The year-on-year inflation based on CPI-IW was 3.9 per cent in April, 2024 which decreased to 3.5 per cent in December, 2024. All-India CPI-IW are given in Annexure 4.5 and the inflation based on various important consumer price indices at All-India level are given in Annexure 4.6. During April to December, 2024, the average CPI-IW for Mumbai, Solapur, Nagpur, Pune, Nashik, and Thane centres were 132.3, 149.8, 144.7, 130.7, 138.1 and 134.0 respectively. CPI-IW for central centres in Maharashtra are given in Annexure 4.7.

4.6.1 Apart from CPI-IW compiled by Labour Bureau, GoI for six centres in Maharashtra, Office of Commissioner of Labour, GoM compiles monthly CPI-IW (Base year 2001=100) separately for five centres in the State. These five centres are Akola, Kolhapur, Jalgaon, Nanded and Chhatrapati Sambhajanagar. During April to December, 2024, the average CPI-IW for Akola, Kolhapur, Jalgaon, Nanded and Chhatrapati Sambhajanagar centres were 493.1, 456.4, 482.7, 540.2, 480.7 respectively. CPI-IW for State centres in Maharashtra are given in Annexure 4.8.

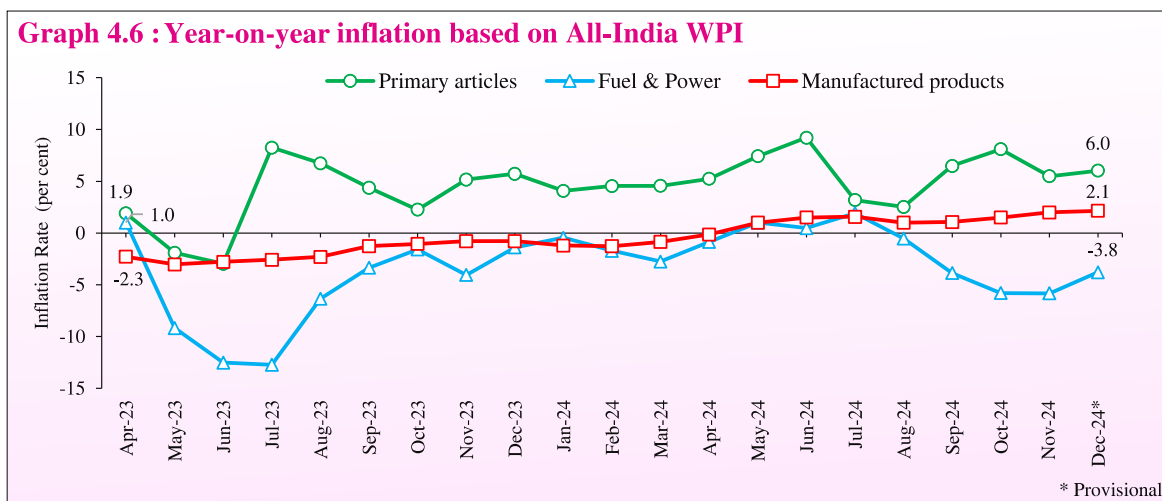

All-India Wholesale Price Index

4.7 The Office of Economic Adviser, Ministry of Commerce & Industry, GoI compiles Wholesale Price Index (WPI) (Base year 2011-12=100) on monthly basis. WPI is being compiled for three major groups viz. 'Primary Articles', 'Fuel & Power' and 'Manufactured Products'.

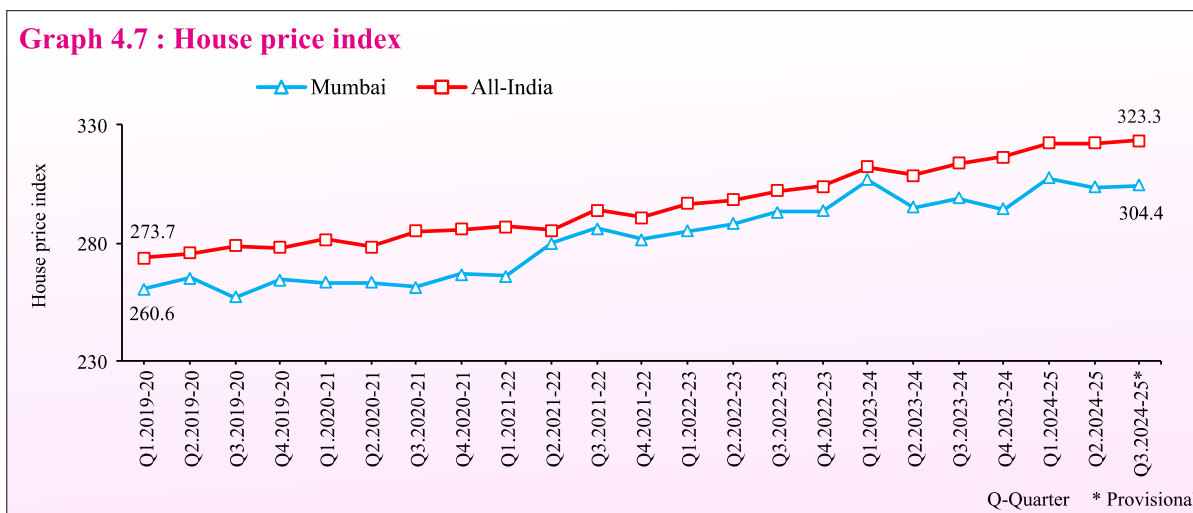

4.7.1 The WPI for 'All Commodities' has increased from 152.9 in April, 2024 to 155.4 (provisional) in December, 2024. During the same period, for 'Primary Articles' group it increased from 187.1 to 193.8 (provisional), for 'Fuel & Power' group it decreased from 151.4 to 149.9 (provisional), whereas for 'Manufactured Products' group it increased from 141.2 to 143.0 (provisional). The 'Food' index, which was 184.6 in April, 2024 increased to 195.9 (provisional) in December, 2024. All-India WPI are given in Annexure 4.9.

4.7.2 Year-on-year inflation based on average WPI during April to December, 2024 was 2.2 per cent. However, it has increased from 1.2 per cent in April, 2024 to 2.4 per cent (provisional) in December, 2024. For 'Primary Articles' group, it increased from 5.2 per cent in April, 2024 to 6.0 per cent (provisional) in December, 2024. For 'Fuel & Power' group, it has declined from (-)0.8 per cent in April, 2024 to (-)3.8 per cent (provisional) in December, 2024. For 'Manufactured Products' group, the inflation increased from (-)0.1 per cent in April, 2024 to 2.1 per cent (provisional) in December, 2024. The year-on-year inflation based on WPI 'Food' index was 6.1 per cent in April, 2024 which increased to 8.9 per cent (provisional) in December, 2024.

House Price Index

4.8 A house is both, asset and an important factor of household's cost of living. At micro economic level, policy makers track house prices to enhance their understanding of real estate and credit markets. The movement in house prices are also used as an indicator of households borrowing capacity and debt burden and their effects on aggregate consumption. House price index (HPI) plays an important role in monetary policy setting for its overall objectives of price stability and sustainable growth. House price index (HPI) has been found to be useful in gauging trend and patterns of residential property prices across cities in India. The Reserve Bank of India is compiling quarterly House price index (HPI) (Base Year 2010-11) for ten major cities of country viz., Ahmedabad, Bengaluru, Chennai, Delhi, Jaipur, Kanpur, Kochi, Kolkata, Lucknow and Mumbai. The Index is designed to track the price movements in housing market over time using sale/purchase registration data of the respective state governments registration authorities. Based on these city indices an average house price index representing All-India house price movement is also compiled. Average HPI for Quarter 1 to 3 of 2024-25 for Mumbai was 305.1 as against 300.1 during the same period of the previous year. Similarly for All-India average HPI for Quarter 1 to 3 of 2024-25 was 322.5 and for the same period of the previous year, it was 311.3. As per Quarter 3 of 2024-25, the year-on-year increase in the HPI was 1.9 per cent for Mumbai and 3.1 per cent for All-India.

PUBLIC DISTRIBUTION SYSTEM

4.9 Public Distribution System (PDS) evolved as a system to ensure food security through distribution of foodgrains at affordable prices to weaker sections of the society. The State has well established network of Fair Price Shops (FPS) for distribution of essential commodities. Apart from regular distribution, various State schemes are being implemented for the benefit of vulnerable sections.

PDS Infrastructure

4.10 As on 31st October, 2024, there were 51,691 functional FPS in the State, of which 5,427 were in tribal areas and 28 were mobile. Number of FPS by type of ownership is given in Table 4.3.

4.11 Vigilance committees have been set up at various levels in the State for surveillance of the distribution of the essential commodities through PDS. Inspections of FPS is continuous process for ensuring regular supply & quality of foodgrains and keep check on malpractices. During 2024-25, upto October, 51,691 inspections were carried out, licences of 39 FPS were terminated, licenses of 69 FPS were suspended and fine of ₹ 68.47 lakh was collected during these inspections. Number of Vigilance committees is given in Table 4.4.

4.12 As on 31st December, 2024, total number of ration card holders were 2.65 crore. Ration card holders by category of ration card is given in Table 4.5 and districtwise number of ration card holders are given in Annexure 4.10.

National Food Security Act, 2013

4.13 The 'National Food Security Act (NFSA), 2013' has been enacted to provide food and nutritional security to the citizens, by ensuring access to adequate quantity of quality foodgrains at affordable prices. This act is being implemented in the State since 1st February, 2014 and about 62.3 per cent population is entitled to receive foodgrains at subsidised rates.

4.14 Under NFSA, Beneficiaries are categorised as *Antyoday Anna Yojana* (AAY) Households and Priority Households (PHH). AAY household is entitled to receive 35 kg of foodgrains

per ration card per month and PHH is entitled to receive five kg of foodgrains per person per month. Rice, wheat and coarse grains are being provided at ₹ three, ₹ two and ₹ one per kg respectively to the beneficiaries. However, as per the GoI notification, the foodgrains are being distributed free of cost from 1st January, 2024 to 31st December, 2028. Number of persons entitled and total beneficiaries under NFSA in selected states are given in Table 4.6. Allotment, off-take and distribution of foodgrains to FPS under NFSA is given in Table 4.7. Allotment of rice and wheat by GoI to the State and quantity of rice and wheat distributed to authorised FPS are given in Annexure 4.11 and Annexure 4.12 respectively. Under NFSA, districtwise allotment, off-take & distribution of foodgrains to FPS for AAY households and PHH during 2023-24 are given in Annexure 4.13 and Annexure 4.14 respectively.

+ upto October

4.15 GoM has extended the benefits of PHH under NFSA to all APL (saffron) cardholder farmer families of 14 drought prone districts (all the districts of Chhatrapati Sambhajinagar & Amravati divisions and Wardha in Nagpur division). Since April, 2024, amount of ₹ 170 per beneficiary per month is being distributed through DBT instead of foodgrains. During 2024-25, upto October, expenditure of ₹ 201.10 crore was incurred for 32.64 lakh beneficiaries.

Distribution of coarse grains

4.16 Coarse grains (Jowar, Maize, Raagi, etc.) procured under Minimum Support Price scheme are distributed to the NFSA beneficiaries in the State. Allotment, off-take and distribution of coarse grains to FPS are given in Table 4.8.

Table 4.8 Allotment, off-take and distribution of coarse grains to FPS

Fortification of Rice and its distribution under PDS

4.17 GoI is implementing 'Fortification of Rice & its distribution under PDS' scheme to initiate the process towards nutritional security and to control anaemia & micro-nutrient deficiency. During 2024-25 upto December, about 32.24 lakh MT of fortified rice has been distributed to the beneficiaries through PDS.

Distribution of Sugar

4.18 In the State, sugar is being supplied only to AAY card holders. GoI has fixed monthly allocation of about 2,505 MT of the State. One kg of sugar per family per month is supplied at ₹ 20 per kg. Allotment, off-take and distribution of sugar to FPS is given in Table 4.9.

Distribution of Kerosene

4.19 Under PDS, kerosene is provided to the card holders excluding all those having domestic gas connection. In the State, 31 districts have become kerosene free.

Distribution of foodgrains to establishments holding ration card

4.20 GoI sanctions allocation of foodgrains for establishments under the Welfare Institutions and Hostels Scheme. During 2024-25, upto September, the number of establishments registered on *Aadhaar* enabled Public Distribution System (AePDS) are 3,295 and number of beneficiaries are 3.40 lakh. Allotment, off-take and distribution of foodgrains to establishments holding ration card are given in Table 4.10.

Decentralised procurement

4.21 Decentralised procurement of paddy and coarse grains at Minimum Support Price is done through Maharashtra State Co-operative Marketing Federation Ltd. in non-tribal areas and Maharashtra State Co-operative Tribal Development Corporation Ltd. in tribal areas. Registration and procurement process of paddy producing farmers is done online. During 2024-25, upto December, about 5.07 lakh MT foodgrains worth ₹ 1,167.08 crore has been purchased from 1.54 lakh farmers in the State. Procurement of paddy and coarse grains is given in Table 4.11.

ITeS in PDS

4.22 As on 14th January, 2025, out of total eligible 165.84 lakh ration cards covered under NFSA, *Aadhaar* seeding of almost all ration cards has been completed. For distribution of food grains ePoint of Sale (ePoS) devices have been installed in 52,813 FPS across the State as on 31st January, 2025.

4.22.1 During May, 2018, the State has launched *Aadhar* enabled PDS across all FPS and introduced inter-state & pan-state portability. 'One Nation, One Ration Card' scheme is being implemented from 1st January, 2020. During December, 2024 about 1.51 crore families availed ration with *Aadhaar* based biometric authentication.

Godowns

4.23 The foodgrains to be distributed through PDS are lifted from godowns of Food Corporation of India and are stored in the godowns owned by the State or hired on rental basis. Upto June, 2024 there are 902 godowns having storage capacity of 7.23 lakh MT. GoM has undertaken a programme to construct new godowns with financial assistance from NABARD. Upto June, 2024 administrative approval is given for construction of 321 godowns with storage capacity 4.71 lakh MT, of which construction of 254 godowns is completed and that of 67 godowns is in progress. Districtwise number of godowns and fair price shops are given in Annexure 4.15.

Shivbhajan Yojana

4.24 To provide meals to poor and needy people in the State at affordable rate, GoM had started *Shivbhajan Yojana* in January, 2020. At the end of November, 2024 in all 1,884 *Shivbhajan Centers* are functioning in the State. During 2023-24, in all 5.76 crore *Shivbhajan Thalies* were distributed and expenditure incurred was ₹ 199.96 crore. During 2024-25, upto November in all 3.97 crore *Shivbhajan Thalies* were distributed and expenditure incurred was ₹ 96.58 crore.

Distribution of Anandacha Shidha

4.25 On the occasion of *Gauri-Ganapati* festival, 2024, ration kits '*Anandacha Shidha*' comprising of four commodities which includes one kg each of sugar, suji, chana dal & one litre of soyabean oil have been distributed to AAY, PHH card holders under NFSA, 2013 and APL (Saffron) farmers ration card holders of 14 farmer drought prone districts. The foodgrain kits are distributed at the rate of ₹ 100 per kit. The State has distributed 153.49 lakh ration kits at the rate of ₹ 100 per kit.

State Consumer Dispute Redressal Commission

4.26 The State Consumer Dispute Redressal Commission and 40 District Consumer Dispute Redressal Commissions have been constituted in the State to redress the grievances of the consumers. In all 5.20 lakh complaints of consumers were received upto September, 2024 of which 4.35 lakh were resolved.

Public Finance

5. PUBLIC FINANCE

5.1 Public finance is mainly concerned with the management and effective allocation of public resources, which funds and support various projects and initiatives for benefit of public at large. The fiscal health of the government determines its ability to mobilise public resources for the welfare of public. Annual assessment of fiscal indicators like ratios of revenue deficit, fiscal deficit, debt stock etc. to GSDP is essential in maintaining fiscal discipline that helps to prioritise developmental needs. The State's fiscal policy is in line with the debt and deficit limits as prescribed in the 'Fiscal Responsibility and Budget Management Act'.

State Budget 2024-25

5.2 As per the budget estimates (BE) for 2024-25, the budgetary deficit is expected to be ₹ 11,299 crore. Total receipts and expenditure are expected to marginally increase by 0.1 per cent and 2.0 per cent respectively in 2024-25 (BE) over the previous year. Important fiscal indicators are given in Table 5.1 while series of fiscal indicators is given in Annexure 5.1.

Revenue Receipts

5.3 As per 2024-25 (BE), revenue receipts are expected to be 11.0 per cent of GSDP. It has increased at an average rate of 12.1 per cent annually during the last ten years. Component-wise revenue receipts are given in Table 5.2 and details of receipt on revenue and capital account are given in Annexure 5.2.

Tax revenue

5.3.1 As per 2024-25 (BE), tax revenue is expected to be the largest contributor (84.1 per cent) to revenue receipts. In tax revenue, Own Tax Revenue (OTR) is expected to be the highest contributor (81.7 per cent) in 2024-25 (BE).

5.3.2 Revenue for the State through its own resources is expected to be ₹ 3,43,040 crore (68.7 per cent of total revenue receipts) in 2024-25 (BE). State Goods & Services Tax (SGST) is the largest contributor (45.4 per cent) of OTR followed by 'Tax on Sales, Trade', etc. with 18.2 per cent. Component-wise OTR is given in Table 5.3, whereas OTR, revenue receipts and revenue expenditure of selected states for 2023-24 (RE) are given in Table 5.4.

Economic Survey of Maharashtra 2024-25

5.3.3 The State has buoyant Own Tax Revenues (OTR). The tax buoyancy of own tax revenues during the period 2011-12 to 2024-25 (BE) was more than one i.e. 1.1. This implies that the State's own tax revenue on an average increases over & above 10 per cent than that of increase in GSDP. The tax buoyancy before the introduction of GST (i.e. between 2011-12 to 2016-17) was 0.8 as compared to 1.4 between 2017-18 to 2024-25 (BE), implying a significant increase in tax buoyancy post GST era.

Graph 5.2: Average Composition of various taxes under OTR [2018-19 to 2024-25 (BE)]

Share in central taxes

5.4 Sharing of central taxes and grants are two major components of central devolution as recommended by the Finance commission and disbursed by the Union Government. Within central devolution, tax is to be shared with the states as per the provisions of the Article 280 of the Indian Constitution.

5.4.1 As per 15th FC recommendations, State is entitled to receive share of 6.317 per cent in total central taxes during the award period (2021-22 to 2025-26). Details of inter-se share of selected states in central taxes as per recommendations of 13th, 14th and 15th Finance Commission is given Table 5.5

Graph 5.3: SGST collection (₹ Crore) in selected states

5.4.2 As per 2024-25 (BE), share in central taxes is expected to increase by 10.4 per cent over the previous year. Taxes on Income other than Corporation Tax (34.7 per cent) is expected to be the highest contributor followed by Corporation Tax (31.5 per cent) and CGST (30.6 per cent).

Non- Tax revenue

5.5 Non-Tax revenue consists of interest receipts, dividends & profits, revenue generated from general services, social services, economic services and fiscal services. Non-Tax revenue is expected to increase by 8.8 per cent over the previous year as per 2024-25 (BE). Revenue generated from economic services is expected to be the largest contributor (52.6 per cent) followed by general services (18.5 per cent) and social services (16.7 per cent) in Non-Tax revenue as per 2024-25 (BE).

Grant-in-aid from GoI

5.6 Under the Article 275 of the Indian constitution, the Finance commission recommends grants-in-aid to bridge revenue deficits that arise even after considering state's revenues from own sources, non-tax revenue and share in central taxes.

5.6.1 Grant-in-aid from GoI, comprises of grants under (i) centrally sponsored schemes, (ii) central finance commission recommendations, (iii) constitutional provisions and (iv) other grants. According to 15th FC recommendation, the State is expected to receive ₹ 70,375 crore grants during the five year award period starting from 2021-22 to 2025-26. Grants-in-aid are expected to decrease

by 19.5 per cent in 2024-25 (BE) as compared to the previous year. As per the provisions of ‘GST (Compensation to States) Act, 2017’, states are entitled to receive compensation from GoI for the loss of revenue. Accordingly, a total compensation of ₹ 1,20,593 crore was due from GoI, of which, 100.0 per cent is received upto January, 2025. Other than that, ₹ 509 crore excess devolution is received for the period 2017-18. Transfer of financial resources from GoI to the State is given in Table 5.6 and transfer of financial resources from GoI to selected states is given in Table 5.7.

5.6.2 According to the 15th FC recommendations, states are expected to receive grants for rural local bodies and urban local bodies in the ratio 67:33 for 2021-22 & 2022-23, in the ratio 66:34 for 2023-24 & 2024-25 and in the ratio 65:35 for 2025-26. In case of rural local bodies, proportion of the basic grants (untied) and tied grants is 40:60. Urban local bodies have been classified into two categories viz. Million-Plus Cities and Non Million-Plus Cities. The Non Million-Plus Cities are expected to receive basic grants (untied) and tied grants in the ratio of 40:60. The Million Plus Cities are expected to receive performance linked grants through 'Million Plus Cities Challenge Fund' for ambient air quality, urban drinking water supply, sanitation and solid waste management.

5.6.3 As per the 15th FC recommendations, ratio of GoI and state's contribution in State Disaster Risk Management Fund is 75:25. Accordingly, the State is expected to receive ₹ 17,803 crore grants from GoI during the award period. Grants-in-aid received and expenditure incurred under 15th FC recommendations are given in Table 5.8.

Table 5.8 Grants-in-aid received and expenditure incurred under 15th FC recommendations

5.6.4 During 2024-25 upto January, the actual revenue receipts were 76.3 per cent and tax revenue was 81.8 per cent of budget estimates for 2024-25. Revenue from SGST and Taxes on Sales, Trade etc. by the end of January, 2025 was 86.0 per cent and 74.5 per cent of budget estimates respectively. Actual revenue receipts upto January are given in Table 5.9.

Revenue Expenditure

5.7 Share of revenue expenditure in total expenditure is expected to be 77.6 per cent in 2024-25 (BE). Share of Development expenditure in revenue expenditure is expected to be 64.0 per cent. Social services (education, water supply, health & family welfare, etc.) is expected to have 65.1 per cent share in development expenditure and a major share of 41.7 per cent in total revenue expenditure. Details of revenue expenditure are given in Table 5.10. Details of development and non-development expenditure on revenue and capital account are given in Annexure 5.3.

5.7.4 To assess variations in expenditure on government final consumption, capital formation, etc. economic and purpose classification of the State budget data is carried out based on the guidelines provided by National Statistical Office, GoI. Expenditure on government final consumption and capital formation as per the economic and purpose classification of state budget is given in Annexure 5.4.

Capital Receipts

5.8 Capital receipts comprise of (i) public debt viz. internal debt of the State and loans & advances from GoI, (ii) loans & advances given by the State (recovery), (iii) net receipts from public account and (iv) other net capital receipts such as inter-state settlement, contingency fund & its appropriations. As per 2024-25 (BE), the share of capital receipts in total receipts is expected to be 24.1 per cent. As per the budget estimates of 2024-25, the main component of capital receipts is internal debt, amounting to ₹ 1,27,749 crore (80.5 per cent of capital receipt). Details of capital receipts are given in Table 5.14.

Table 5.14 Details of capital receipts

(₹ Crore)					
Year	Receipts from public debt	Loans and advances given by the state government (Recovery)	Other Capital receipts (Net)	Public account (Net)	Total

Deficit Trends

5.10 As per 2024-25 (BE), the revenue deficit, fiscal deficit and primary deficit are expected to be ₹ 20,051 crore (0.4 per cent of GSDP), ₹ 1,10,355 crore (2.4 per cent of GSDP), ₹ 53,628 crore (1.2 per cent of GSDP) respectively. The State has adhered to 'Maharashtra Fiscal Responsibility & Budgetary Management (MFRBM) Rules, 2006' on fiscal consolidation. The percentage of fiscal

deficit to GSDP as per 2024-25 (BE) is expected to remain well within the limits as prescribed in the rules (Three per cent of GSDP). Indicative fiscal deficit and debt path for the State as per 15th FC recommendations is given in Table 5.16. Fiscal deficit as per cent of GSDP for selected states is given in Table 5.17.

Table 5.16 Indicative fiscal deficit and debt path for the State as per 15th FC recommendations

(per cent)		
Year	Fiscal deficit to GSDP	Debt stock to GSDP
2020-21	4.5	25.7
2021-22	4.0	26.0
2022-23	3.5	27.5

Debt Profile

5.11 Debt stock refers to the accumulated outstanding loans and other liabilities of the State. As per the budget estimates of 2024-25 (BE), debt stock of the State is expected to increase by 10.1 per cent over the previous year. However, its percentage to the GSDP (17.3 per cent) is expected to be well within the prescribed limit (25.0 per cent of GSDP) as per 'MFRBM rules, 2006'. As per 2024-25 (BE), the major contributor of total debt stock is internal debt of the state, which is expected to be ₹ 6,37,141 crore (81.4 per cent). Debt stock and interest payments are given in Table 5.18 while Borrowings & other liabilities during the year are given in Annexure 5.5.

Table 5.18 Debt stock and interest payments

Year	Debt Stock		Interest Payments (₹ Crore)
	Amount (₹ Crore)	Per cent to GSDP

Guarantees given by the State

5.13 Outstanding guarantees of the State at the end of 2022-23 were ₹ 66,726 crore (16.4 per cent of total revenue receipts). The highest outstanding guarantee was of Urban Development Department (40.6 per cent) followed by Public Works Department (27.9 per cent) and Industry, Energy & Labour Department (Energy) (27.1 per cent). Guarantees given by GoM during 2022-23 are given in Table 5.21.

Table 5.21 Guarantees given by GoM during 2022-23

Name of the department	Outstanding guarantees at the beginning of the year	Additional guarantees		Deletion (other than invoked) during the year	Invoked and discharged during the year	Outstanding guarantees at the end of the year
		During the year	Due to loan received on revolving guarantees and amount changed due to revised interest rate

5th State Finance Commission

5.14 The 5th State Finance Commission (FC) was constituted essentially to recommend the remedial measures for improving the financial condition of local bodies. The award period of the State FC is 16th December, 2020 to March, 2025. The State FC has made recommendations regarding evaluation of economy of the local bodies, economic and administrative measures, and additional sources to increase income, accounts and audit. Some of the recommendations of the commission accepted by GoM are as follows:

- The backlog of ₹ 509 crore (as on October, 2018) towards stamp duty, already collected by GoM on behalf of *Panchayat Raj Institutions* (PRI) and yet to be distributed, needs to be cleared urgently
- Suitable guidelines be framed for the District Village Maintenance Fund in the form of rules, like every year villages having more than 5,000 population earmarks at least two per cent of their income and villages with less than 5,000 population earmarks five per cent of their income for maintenance
- In supersession of all existing guidelines, Rural Development Department needs to issue comprehensive guidelines on Land Revenue Cess
- Revision of prevailing minimum and maximum tax rates, fixed under the 'Maharashtra Village Panchayat Taxes and Fee Rules, 1960'
- Increase in current rate of rebate fixed for the ULBs for collecting Education and Employment Guarantee Cess on behalf of State Government

Institutional Finance and Capital Market

6. INSTITUTIONAL FINANCE AND CAPITAL MARKET

6.1 A strong and cohesive financial system is essential for accelerating economic growth. Financial system fulfills the credit needs of individuals & businesses, offering insurance protection, encourages savings and facilitates investment & capital formation. These financial institutes include banks, non-banking financial institutes such as insurance companies, mutual funds and capital markets. Financial institutions assist in capital formation by utilising surplus funds effectively for productive purposes. The average contribution of financial services sector in the State's gross value added was about 10.4 per cent, whereas the State's average share in the national financial services sector was about 24 per cent.

Banking institutions

6.2 Scheduled Commercial Banks (SCBs), a key player in the Indian banking system, classified into categories such as Public Sector Banks, Regional Rural Banks (RRBs), Private Banks, Foreign Banks etc. based on their nature of operations. As on 31st March, 2024 of the total banking offices of SCBs in India 8.8 per cent were functional in the State. The banking offices distribution in the State shows that Public Sector Banks are 54 per cent, followed by Private Banks 33 per cent, Small Finance Banks six per cent, RRBs six per cent and Foreign Banks one per cent. Deposits and credit of SCBs in the State are given in Table 6.1 and its series is given in Annexure 6.1.

6.7 As per the directives of Reserve Bank of India, SCBs allocates a specified proportion of their lending to the priority sector. The purpose behind priority sector lending is to facilitate access to credit for vulnerable sections of the community and to ensure an adequate flow of resources to economic segments exhibiting higher employment generation potential and thereby contributing to alleviation of poverty. Priority sectorwise outstanding advances of SCBs in the State is given in Table 6.6.

Table 6.6 Priority sectorwise outstanding advances of SCBs in the State

Annual credit plan

6.8 Access to bank loans at the village level is crucial for driving economic growth in rural areas. The Reserve Bank of India (RBI) has established a "Service Area Approach" to guarantee credit availability in every village within a district as a service unit. The annual credit plan guarantees sufficient and timely credit flow to the sectors prioritised for development and those that have traditionally been undeserved. Annual credit plan of the State is prepared and monitored by the convenor bank of State Level Bankers' Committee. Bank of Maharashtra is designated as the convenor bank for the State. The plan size for priority sector of the State for the year 2024-25 was ₹ 7.25 lakh crore. The share of 'Agriculture Sector' that includes Farm Credit, Agri Infrastructure and Ancillary Activities is 24.4 per cent. Similarly, the share of 'MSME Sector' that includes Micro, Small and Medium Enterprises, Khadi & Village Industries and Others under MSMEs is 60.7 per cent and that of 'Other Sectors' that include Export Credit, Education Loans, Housing Loans, Loans to Social Infrastructure Projects, Loans to Projects under Renewable Energy and Other under Priority Sector is 14.9 per cent. The credit disbursement to priority sector in the State under annual credit plan is given in Table 6.7 and districtwise annual credit plan is given in Annexure 6.2.

Micro finance

6.9 Micro finance offers financial assistance to individuals and communities who have limited access to banking services, particularly those who are unemployed or have low income. Apart from providing credit, it encompasses a range of support services including savings, insurance, money transfer facilities, financial guidance, etc. 'Self Help Group (SHG) bank linkage programme' is being implemented by NABARD in the State since 1992. Details of SHG bank linkage programme in the State is given in Table 6.8.

Table 6.8 Details of SHG bank linkage programme in the State

Financial inclusion

6.10 Financial inclusion aims to provide affordable access to financial services and the timely provision of adequate credit to the disadvantaged and low-income groups. *Pradhan Mantri Jan Dhan Yojana (PMJDY)*, *Atal Pension Yojana (APY)*, *Pradhan Mantri Mudra Yojana (PMMY)*, *Pradhan Mantri Suraksha Bima Yojana (PMSBY)*, *Pradhan Mantri Vishwakarma Yojana*, etc. are some of the schemes being implemented for financial inclusion.

6.10.1 **Pradhan Mantri Jan Dhan Yojana** : PMJDY provides access to financial services such as bank accounts, remittances, credit, insurance, pensions, etc. Under PMJDY, upto 31st December, 2024 in all 3.61 crore accounts were opened in the State. Total balance in these accounts was ₹ 15,478 crore. Of the total accounts, 1.98 crore accounts (55 per cent) were from rural / semi-urban areas. Under the scheme, about 2.53 crore 'RuPay cards' were issued. Banking facilities provided under financial inclusion by SCBs in the State are given in Table 6.9 and districtwise details of PMJDY are given in Annexure 6.3.

* Provisional

6.10.2 **Pradhan Mantri MUDRA Yojana** : The main objective of *Pradhan Mantri MUDRA Yojana* is to develop the micro enterprises sector by extending financial support. It addresses the fundamental need for accessible loans for non-farm micro and small enterprises actively involved in income generating activities. As on 30th September, 2024 total loans of ₹ 19,392 crore were disbursed to 20.14 lakh beneficiaries in the State. The State's share in the total amount of loans disbursed under the scheme at all India level was 9.5 per cent. The Progress of *Pradhan Mantri MUDRA Yojana* in the State is given in Table 6.10.

Agriculture and Allied Activities

7. AGRICULTURE AND ALLIED ACTIVITIES

7.1 Agriculture and allied activities sector is crucial component of the State economy providing food security and employment opportunities. More than half of the State population is dependent on this sector for their livelihood. The sector has witnessed remarkable transformations over the years. Addressing the challenges faced by this sector is essential to ensure food security and sustainable development.

AGRICULTURE

7.2 The agriculture sector in the State covers diverse range of crops mainly sugarcane, cotton, soyabean, pulses, fruit crops, etc. Vulnerability to climate change and degradation in productivity of land still poses a challenge to the State. Various strategic initiatives are being taken up by the government to enhance agricultural production, promote export and to encourage agro processing. Also, various schemes for the benefit of farmers including risk management and risk mitigation to cover financial losses of farmers due to natural disasters are being implemented in the State.

Monsoon 2024

7.3 Monsoon rains arrived on 6th June, 2024 in the State. During June, July, August, September, and October the State received 106.7 per cent, 145.5 per cent, 90.5 per cent, 115.5 per cent and 121.9 per cent rainfall respectively as against the normal rainfall. Total rainfall in the State in 2024 upto October was 116.8 per cent of the normal. Out of total 355 talukas (excluding Mumbai city and Mumbai suburban districts) in the State, 203 talukas received excess rainfall, 68 talukas received normal rainfall and 84 talukas received deficient rainfall. Classification of talukas according to rainfall received is given in Table 7.1. Regionwise normal rainfall and actual rainfall received is given in Table 7.2.

Operational holdings

7.4 The first Agricultural Census was conducted in 1970-71. The latest one (11th) was conducted in 2021-22. As per the provisional figures the number of operational holdings in the State are about 171.11 lakh, area of operational holdings is about 210.79 lakh ha and average size of operational holding is 1.23 ha.

- Average size of operational holding of Scheduled Castes declined to 1.24 ha in 2015-16 as compared to 1.47 ha as in 1995-96
- Average size of operational holding of Scheduled Tribes declined to 1.76 ha in 2015-16 as compared to 2.15 ha as in 1995-96

- The proportion of women land holders increased from 12.9 per cent in 1995-96 to 15.5 per cent in 2015-16. Similarly, the average size of operational holding has changed from 1.58 ha to 1.22 ha during the same period.

7.4.1 A time series of operational holding statistics in the State is given in Annexure 7.1. Number and area of operational holdings in the State are given in Table 7.3. Number and area of operational holdings in selected states is given in Table 7.4.

Table 7.3 Number and area of operational holdings in the State

Size class (ha)	No. of operational holdings ('000)			Area of operational holdings ('000 ha)		
	1970 -71	2015 -16	2021-22*	1970 -71	2015 -16	2021-22*

Compensation for Natural Disasters

7.5 Compensation for loss due to untimely rains and hailstorms between January to May, 2024 was sanctioned for maximum three ha area. Compensation of ₹ 797.94 crore was sanctioned to 4.95 lakh farmers for 2.88 lakh ha affected area. Similarly, compensation for loss due to heavy rainfall and flood between June to September, 2024 was sanctioned for maximum three ha area. A compensation of ₹ 1,470.92 crore was sanctioned to 50.36 lakh farmers for 37.67 lakh ha affected area.

Land Utilisation

7.6 According to the land use statistics of the year 2023-24, out of total geographical area of the State (307.58 lakh ha), the gross cropped area was 246.67 lakh ha (79.7 per cent) and net cropped area was 163.54 lakh ha (53.2 per cent). Time series of land use statistics of the State is given in Annexure 7.2.

Agricultural Production

7.7.1 **Kharif crops:** During *kharif* season of 2024-25, sowing was completed on 157.59 lakh ha which was about 0.6 per cent more as against 156.58 lakh ha during the previous year. The area under cereals, pulses and oilseeds is expected to increase while the area under cotton and sugarcane is expected to decrease as compared to previous year. Area and production of principal *kharif* crops are given in Table 7.5.

7.7.3 Summer Crops: During summer season of 2024-25, an area of 3.97 lakh ha was sown as against 4.31 lakh ha area sown during 2023-24.

7.7.4 There has been a significant increase in crop production in the State during the last six decades. Time series of area under major crops, production and productivity per ha in the State is given in Annexure 7.3. The cropwise index numbers of agricultural production in the State (Base: Triennial 1979-82) are given in Annexure 7.4. The Triennial average productivity of selected crops in selected states is given in Table 7.7.

Graph 7.5 : Yield per hectare in the State

7.8 Horticulture: Estimated area under horticulture crops in the State was 21.74 lakh ha in 2023-24, showing decrease of 2.9 per cent as compared to the previous year 2022-23 (22.39 lakh ha). According to the final advance estimates for the year 2023-24, the area under various fruit crops in the State was 8.74 lakh ha, of which area under mango fruit was highest (1.70 lakh ha) followed by orange/mandarin (1.43 lakh ha), grapes (1.23 lakh ha), banana (1.09 lakh ha), pomegranate (1.08 lakh ha), and *mosambi* (0.79 lakh ha). During 2023-24, area under vegetable crops was 9.46 lakh ha, of which area under onion crop was the highest (6.92 lakh ha) followed by tomato (0.55 lakh ha) and green chilly (0.31 lakh ha) crops. Information on area of horticulture crops and their production is given in Table 7.8.

Table 7.8 Area and production of horticulture crops

Crop	Area ('000 ha)			Production ('000 MT)		
	2022-23	2023-24	Per cent change	2022-23	2023-24	Per cent change
Fruits	839.25	874.12	4.2	14,095.48	15,255.18	8.2

Irrigation

7.12 The irrigated area in command area under the jurisdiction of Water Resources Department, GoM is 39.27 lakh ha in 2023-24. Number of irrigation projects and irrigation potential created & utilised are given in Table 7.14. Number of minor irrigation projects (local sector) and irrigation potential created & utilised are given in Table 7.15.

Table 7.14 Number of irrigation projects and irrigation potential created & utilised

7.12.2 Water Users Associations: Upto December, 2024 in all 12,656 Water Users Associations (WUAs) with Cultivable Command Area (CCA) of 56.79 lakh ha are formed in the State under Water Resources Department for management of irrigation systems by farmers. Out of these 3,525 WUAs covering 14.41 lakh ha CCA are registered under the 'Maharashtra Management of Irrigation Systems by Farmers Act, 2005' and 577 WUAs covering 1.85 lakh ha area are constituted under 'Maharashtra Co-operative Societies Act, 1960'. Details of irrigation and non-irrigation water charges are given in Annexure 7.5.

Electrification of Agricultural Pumps

7.13.1 In the State, in all 48.69 lakh agricultural pumps were energised upto March, 2024 and during 2024-25 upto November, in all 1,20,860 agricultural pumps were energised.

7.13.2 **Pradhan Mantri Kisan Urja Suraksha Evam Utthan Mahabhiyan:** *Pradhan Mantri Kisan Urja Suraksha Evam Utthan Mahabhiyan* (PM-KUSUM) Component-B is being implemented in the State from 2019-20 to 2025-26. In all 5.05 lakh off-grid independent solar agricultural pumps have been sanctioned for the State, of which 2.55 lakh solar agricultural pumps are sanctioned to MEDA & 2.50 lakh agricultural solar pumps are sanctioned to MSEDCL. Under this scheme, farmers can install 3 HP, 5 HP and 7.5 HP off-grid independent solar agricultural pumps. Since inception of the scheme in all 2,49,270 solar agricultural pumps have been installed upto December, 2024 of which MEDA has installed 1,34,559 solar pumps whereas MSEDCL has installed 1,14,711 solar pumps.

7.13.3 Upto December, 2024 in all 3,62,820 solar agricultural pumps have been installed in the State under the central & state governments Solar Agricultural Pump schemes, including *Atal* Solar Agricultural Pump scheme phase - I (6,550), phase - II (7,000), CM Solar Agricultural Pump scheme phase - I (25,000), phase - II & phase - III (75,000) and PM KUSUM component B scheme (2,49,270).

Agricultural Finance

7.14 Financial assistance is provided to farmers by way of short-term loans, credit, etc. by government through various banks and co-operative institutions. The National Bank for Agriculture and Rural Development (NABARD) provides agricultural short term & medium-term loans through Maharashtra State Co-operative Banks (MSCB), District Central Co-operative Banks (DCCB), Regional Rural Banks (RRB) and Scheduled Commercial Banks. Annual Credit Plan for priority sector of the State for 2024-25 is ₹ 7.25 lakh crore. Share of Agricultural and allied activities in Annual Credit Plan of priority sector is 24.5 per cent. Details of loans disbursed by Scheduled Commercial Banks, RRBs and MSCB & DCCBs are given in Table 7.17.

Table 7.17 Loans disbursed by Scheduled Commercial banks, RRBs and MSCB & DCCBs

Type of loan	(₹ Crore)							
	Scheduled Commercial Banks		RRBs		MSCB & DCCBs		Total	
	2023-24	2024-25 ⁺	2023-24	2024-25 ⁺	2023-24	2024-25 ⁺	2023-24	2024-25 ⁺

7.15.1 The institutions directly associated with agricultural finance at grass root level in the State are Primary Agricultural Credit Co-operative Societies (PACS) which provide short-term crop loans to their cultivator members. During 2023-24, loans of ₹ 23,465 crore were disbursed to 31.20 lakh member farmers through PACS. The crop loan disbursement target for 2024-25 has been set to ₹ 25,999 crore, of which PACS have disbursed crop loans of ₹ 18,530 crore to 24.88 lakh member farmers during *kharif* season by the end of September 2024 and ₹ 889 crore to 1.06 lakh member farmers during *rabi* season upto December, 2024.

7.15.2 **Kisan Credit Card Scheme:** Maharashtra State Co-operative Bank has issued 31.34 lakh *Kisan* Credit Cards (KCC) in the State during 2023-24. The amount of loans sanctioned to the KCC holders during 2023-24 was ₹ 23,738 crore and during 2024-25, upto December was ₹ 19,990 crore. Details of KCC linked agriculture loans disbursed to farmers by MSCB are given in Table 7.18.

Table 7.18 Agriculture loans to farmers by MSCB linked to KCC

Year	Short term loans		Long term loans		Total KCC	
	No of farmers ('000)	Amount (₹ Crore)	No of farmers ('000)	Amount (₹ Crore)	No of farmers ('000)	Amount (₹ Crore)

Crop Insurance and Financial Assistance

7.16.1 **Pradhan Mantri Fasal Bima Yojana:** This scheme is being implemented in the State from 2016 to provide financial support to farmers in case of financial loss occurred because of damage to crops due to natural calamities, pests or diseases. Under the scheme, depending on the notified crop, farmers have to pay a maximum of five per cent of the sum insured as insurance premium and remaining amount of the premium is paid by the government. GoM is implementing comprehensive Crop Insurance Scheme from 2023-24 in which farmers can participate in the scheme by registering on the portal and paying only ₹ one as premium. Details of *Pradhan Mantri Fasal Bima Yojana* is given in Table 7.19.

Table 7.19 Details of Pradhan Mantri Fasal Bima Yojana

Year	No. of farmers participated (lakh)	Area (lakh ha)	Sum insured (₹ crore)	Gross premium (₹ crore)	No. of farmers proposed for Compensation (lakh)	Compensation paid to farmers (lakh)	Compensation proposed (₹ crore)	Actual paid Compensation

+ upto December

7.16.3 Dr. Babasaheb Ambedkar Krishi Swavalamban Yojana: Under this scheme, financial assistance in the form of 100 per cent subsidy is provided to Scheduled Caste farmers having land area between 0.40 ha to 6.00 ha. Financial assistance is provided for various components with an objective of increasing productivity of land viz. new dug well, repair of old wells, plastic lining of farm pond, inwell boring, pump set, electricity connection charges, micro irrigation set, HDPE/PVC pipes, kitchen garden, farm machinery, etc. During 2023-24, expenditure of ₹ 158.70 crore was incurred for 11,092 beneficiaries. During 2024-25, upto December a total of 20,432 beneficiaries are selected on MahaDBT portal and ₹ 46.82 crore expenditure is incurred.

7.16.4 Birsa Munda Krishi Kranti Yojana: Under this scheme, financial assistance in the form of 100 per cent subsidy is provided to Scheduled Tribe farmers having land area between 0.40 ha to 6.00 ha. Financial assistance is provided for various components with an objective of increasing productivity of land viz. new well, repair of old wells, plastic lining of farm pond, inwell boring, pump set, electricity connection charges, micro irrigation sets, HDPE / PVC pipes, kitchen gardens, borewell (only for forest land holders under FRA), farm machinery, etc. During 2023-24, expenditure of ₹ 88.71 crore was incurred for 5,466 beneficiaries. During 2024-25, upto December a total of 11,402 beneficiaries are selected on MahaDBT portal and ₹ 23.88 crore expenditure is incurred.

7.16.5 Mahatma Jyotirao Phule Shetkari Karjamukti Yojana 2019: GoM has launched this scheme during 2019-20 with an objective to waive off crop loans borrowed by farmers during 1st April, 2015 to 31st March, 2019 from one or more institutions and have become overdue as on 30th September, 2019. Since inception of the scheme upto November, 2024 benefit of ₹ 20,497 crore has been given to 32.27 lakh beneficiary farmers.

7.16.5.1 Protsahanpar Labha Yojana under Mahatma Jyotirao Phule Shetkari Karjamukti Yojana 2019: This scheme is being implemented in the State from July, 2022 to encourage the farmers repaying crop loan regularly. Under this scheme, depending on crop loan amount, benefit of maximum ₹ 50,000 is being given to the farmers who borrowed crop loans in any of the two years from 2017-18 to 2019-20 and timely repaid full loan amount. Since inception upto November, 2024 benefit of ₹ 5,249 crore was given to 14.50 lakh beneficiary farmers.

7.16.6 Dr. Punjabrao Deshmukh interest rebate scheme: The scheme is being implemented in the State since April, 2021 to motivate farmers for regular repayment of the short-term crop loan. Under the scheme, interest subsidy is given to farmers who regularly repay the loan by 30th June of every year. Eligible farmers are given interest subsidy of three per cent for the loan amount upto ₹ three lakhs. During 2022-23, interest subsidy of ₹ 430.24 crore was given to 27.34 lakh farmers whereas during 2023-24, interest subsidy of ₹ 368 crore was given to 14.39 lakh farmers.

7.16.7 Pradhan Mantri Kisan Samman Nidhi: With an objective to provide income support to small and marginal land holding farmers' families, GoI is implementing *Pradhan Mantri Kisan Samman Nidhi* Scheme (PM-KISAN) since 2018-19. Under this scheme, annual subsidy of ₹ 6,000 per annum per family in three equal installments is given to eligible farmer families through DBT. Since inception upto October, 2024 total amount of ₹ 33,468.54 crore has been deposited in the bank accounts of 117.55 lakh farmers of the State.

7.16.8 Namo Shetkari Mahasanman Nidhi Yojana: GoM is implementing this scheme from 2023-24 to augment the income of all eligible farmers by giving financial assistance in addition to financial assistance given under PM-KISAN *Yojana*. Under this scheme, farmer families eligible under PM-KISAN scheme gets additional ₹ 6,000 per annum per family in three equal instalments through DBT. Upto October, 2024, amount of ₹ 9,055.83 crore has been credited to bank accounts of 91.45 lakh beneficiary farmers in the State.

7.16.9 Pradhan Mantri Kisan Mandhan Yojana: This voluntary and contribution-based pension scheme is being implemented in the State with the aim of providing old age protection and social security to small and marginal farmers. Under this scheme, eligible small and marginal farmers will be given a pension of ₹ 3,000 per month. Farmers in the age group of 18 to 40 years as on 1st August, 2019 are eligible to participate in this scheme and have to deposit ₹ 55 to ₹ 200 per month in the pension fund till they attain 60 years of age. GoI deposits an amount equal to the farmers' contribution in the pension fund. Upto October, 2024, in all 80,383 farmers from the State have participated in this scheme.

Agricultural Marketing

7.17 Agricultural Produce Market Committees (APMCs) have been established in the State under 'Maharashtra Agricultural Produce Marketing (Development and Regulation) Act, 1963'. In order to ensure fair price for the agricultural produce of the farmers and to protect the farmers from exploitation done by the traders and middlemen by paying low prices for the agricultural produce, the facilities of selling the agricultural produce are made available in the APMCs. There are 305 APMCs and 624 Sub-Market Committees functioning in the State. Upto December 2024, in all 1,719 direct marketing licenses have been issued. Apart from this, 97 private markets have been issued licenses. The quantity and value of arrivals in APMCs of the State are given in Table 7.21.

7.18 **Minimum Support Price Scheme:** GoI declares Minimum Support Prices (MSP) for selected crops before their sowing seasons to give guaranteed price & assured market to the farmers and protect them from the price fluctuations, which is a preventive measure to make agricultural activity economically viable. Under the scheme, procurement in the State is undertaken by Maharashtra State Co-operative Tribal Development Corporation, National Agricultural Co-operative Marketing Federation and Maharashtra State Co-operative Cotton Growers Federation. The MSP declared for selected crops by GoI are given in Table 7.22.

Table 7.21 Quantity & value of arrivals in all APMCs of the State

Year	Quantity (Lakh MT)	Value (₹ Crore)

FAQ: Fair Average Quality

Source: Directorate of Marketing, GoM

Information & Communication Technology

7.19.1 Electronic National Agricultural Market (e-NAM): e-NAM is a nationwide electronic trading portal launched in 2016. Through e-NAM, markets in the APMCs have been connected electronically and the facility of online buying and selling has been made available. e-NAM has provided a single window facility for all information and services related to the APMCs, including inputs and prices of agricultural produce, purchase and sale orders, provision for responding to trade opportunities. In all 133 APMCs of the State are operating under e-NAM. Online gate entry, e-auction have been started in 118 APMCs and e-payment has been started in 78 APMCs. Upto October 2024, about 481 lakh qtl of agricultural produce worth ₹ 18,073 crore was e-auctioned and e-payments of ₹ 449 crore were made. Quality assaying laboratories have been established in 118 APMCs for quality inspection & certification of agricultural commodities.

7.19.2 MahaAGRITECH Project: The main objective of MahaAGRITECH project is to create an integrated web portal and mobile application system that provides accurate advice and guidance to farmers. Facilities such as satellite imaging & use of drone technology for accurate calculation under various crops, health survey of cultivated crops, estimation of post-harvest yield of crops and integration of information through interconnection of various computerised systems are made available under this project.

7.19.3 MahaDBT Farmer Portal: MahaDBT portal is used for transferring subsidies & benefits of more than 25 central and state schemes related to agriculture directly into bank accounts of eligible farmers. An integrated computerised system under the title 'Shetkari yojna' is developed for the convenience of farmers to provide benefits of all the schemes through single application. On this portal, more than 42.50 lakh farmers are registered upto 31 October, 2024 and ₹ 5,510.81 crore have been distributed to farmers.

Various Agricultural Development Schemes implemented in the State

7.20 Pradhan Mantri Rashtriya Krishi Vikas Yojana: *Rashtriya Krishi Vikas Yojana* was launched in 2007-08 with the aim of holistic development of agriculture and allied sectors. Since 2017-18 this scheme is being implemented as RKVY-RAFTAAR with an objective of making farming a remunerative economic activity through strengthening farmers' efforts, risk mitigation & promoting agri-business entrepreneurship. This Scheme is being implemented from the year 2022-23 as RVKY-Cafeteria and further it was renamed on 28th November, 2024 as *Pradhan Mantri Rashtriya Krishi Vikas Yojana*. It includes Annual Action Plan (AAP) and Detailed Project Report (DPR). Under AAP based stream components like (i) Per Drop More Crop (Micro irrigation), (ii) Sub Mission on Agriculture Mechanisation, (iii) Rainfed Area Development, (iv) Soil Health Card & Management, (v) Organic Farming (*Paramparagat Krishi Vikas Yojana*), (vi) Agro forestry are included. Under DPR stream, 70 per cent grant is reserved for growth in production, infrastructure & assets, 20 per cent for special sub-schemes of national priority under RKVY- Cafeteria and 10 per cent for innovation & agri-entrepreneurship development projects. During 2023-24, total expenditure incurred was ₹ 116.22 crore, during FY 2024-25 fund upto December 2024, expenditure of ₹ 93.34 crore has been incurred.

7.20.1 Pradhan Mantri Rashtriya Krishi Vikas Yojana - Per Drop More Crop: This micro irrigation scheme is being implemented in the State from the year 2015-16 with the aim of more efficient use of water and maximum yield per drop of water. From 2022-23 Per Drop More Crop component is implemented under RKVY. Under this scheme, the criterion for subsidy is 55 per cent for small and marginal farmers and 45 per cent for other farmers limited to five ha area. From 2020-21 subsidy under this scheme is distributed through MahaDBT portal. Since 2015-16 upto January 2025 total 11.69 lakh ha area has been brought under micro-irrigation and about 14.44 lakh farmers have been benefitted under this scheme and subsidy of ₹ 3,741.58 crore has been distributed.

7.20.2 Chief Minister Sustainable Agriculture Irrigation Scheme - Micro Irrigation: In order to provide sustainable irrigation facilities to the farmers, this scheme is being implemented in the State since 2019-20. Under this scheme, apart from the admissible subsidy under *Rashtriya Krishi Vikas Yojana* - per drop more crop scheme, 25 per cent top up subsidy is being given to small & marginal farmers and 30 per cent top up subsidy is being given to other farmers. Since inception of the scheme in all 5,18,297 farmers have received top up subsidy of ₹ 777.87 crore upto 3rd February, 2025. Details of sprinkler & drip irrigation sets and subsidy distributed under *Pradhan Mantri Krishi Sinchai Yojana* and Chief Minister Sustainable Agriculture Irrigation Scheme- Micro Irrigation are given in Table 7.23.

Table 7.23 Details of sprinkler & drip irrigation sets and subsidy distributed under *Pradhan Mantri Krishi Sinchai Yojana* and Chief Minister Sustainable Agriculture Irrigation Scheme- Micro Irrigation

Year	Sprinkler irrigation sets		Drip irrigation sets		Subsidy (₹ Crore)
	No. of sets	Area (ha)	No. of sets	Area (ha)	
2022-23	83,313	60,993.62	1,01,073	1,00,454.03	556.74
2023-24*	34,921	27,839.24	49,274	50,042.08	280.90

7.20.3 Sub-Mission on Agricultural Mechanisation: Sub-Mission on agricultural Mechanisation is being implemented in the State since 2014-15 under the National Agricultural Extension and Technology Mission, GoI with an objective to tackle challenges posed due to declining size of landholding, decreasing number of bullocks, non-availability of labours, increasing labour wages, short period of *kharif* season, varied cropping pattern, etc. Components of this Sub-Mission are subsidy to farmers for purchase of improved agricultural implements and establishment of agricultural implement banks. Details of beneficiaries and subsidy given under Agricultural Mechanisation sub-mission is given in Table 7.24.

Table 7.24 Beneficiaries and subsidy given under Agricultural Mechanisation sub-mission

Year	Agricultural Implements		Agricultural Implement Banks		Total subsidy (₹ Crore)
	Number	Subsidy (₹ Crore)	Number	Subsidy (₹ Crore)	
2022-23	29,741	176.98	290	15.35	192.33
2023-24	23,235	163.46	79	4.31	167.77
2024-25+	4,728	39.07	48	3.22	42.29

+ upto October

7.20.4 Rainfed Area Development Programme: The objective of Rainfed Area Development Programme is to minimise risk by providing agriculture-based income generating opportunities and sustaining the rainfed agriculture through optimum utilisation of potential of natural resources and resources created through various interventions. During 2023-24, expenditure of ₹ 17.97 crore was incurred on 8,732 beneficiaries whereas in 2024-25 upto October, expenditure of ₹ 7.84 crore is incurred for 2,159 beneficiaries.

7.20.5 Soil Health Management and Distribution of Soil Health Cards: Two sub-campaigns, Soil Health Management and Distribution of Soil Health Cards are being implemented to promote integrated nutrient management to maintain soil health and improve soil productivity. To facilitate testing of soil and water sample, in all 32 soil testing laboratories & five manure sample testing laboratories have been set up in the State. Soil health cards are being distributed to farmers once in every three years to create awareness about soil health status and to suggest measures to improve soil health. During 2023-24, in all 2.39 lakh soil health cards were distributed and during 2024-25 upto October 1.45 lakh soil health cards were distributed.

7.20.6 Paramparagat Krishi Vikas Yojana: The objectives of the scheme are: (i) to improve soil fertility and soil health by increasing organic practices instead of using chemical fertilisers, pesticides, etc., (ii) to produce chemical-free, safe, healthy and nutritious organic produce, (iii) to develop natural and organic produce value chains and (iv) establishment of Biological Input Resource Centre at farmer group and farmer producer company level. Under this scheme, a group of farmers with total area of 20 ha is formed and for three consecutive years, benefits are given to the group. Under the scheme, during 2023-24 expenditure of ₹ 27.77 crore was incurred whereas during 2024-25 upto November expenditure of ₹ 10.18 crore was incurred.

7.21 Punyasloka Ahilya Devi Holkar Nursery Scheme: Since 2020-21, this scheme is being implemented in the State under RKVY to motivate farmers for production of disease-free planting material of vegetables to produce quality vegetables & their export. Farmers having minimum 0.40 ha land and having permanent source of water for establishment of nursery are eligible under the scheme. Agriculture graduates women & their groups and vegetable producing small & marginal farmers and their groups are given priority for selection. During 2024-25, upto October expenditure of ₹ 50.17 lakh has been incurred on 24 nurseries.

7.22 Support to State Extension Programs for Extension Reforms: The scheme aims at making the extension system to be farmer driven and farmer accountable by disseminating technology to farmers through Agricultural Technical Management Agency (ATMA). The components of the scheme are trainings, demonstrations, farmers' exposure visits, formation & capacity building of farmers' groups, farm school, *kisan goshtie*, agriculture exhibitions, *kisan mela*, farmers' friends, etc. During 2023-24, expenditure incurred of ₹ 53.24 crore and during 2024-25 upto October expenditure of ₹ 19.24 crore was incurred.

7.23 Food and Nutrition Security-Scheme: The objectives of Food and Nutrition Security scheme (FNS), are to sustainably increase the production of rice, wheat, pulses, cereals, nutri-cereals, cash-crops and oilseeds by expanding area and productivity, re-establishing the fertility & productivity of individual farm lands. The componentwise expenditure under the FNS in the state is given in Table 7.25.

7.24 Krishi Unnati Yojana - Seed Village Programme: This programme is being implemented in the State to provide quality and certified seeds at affordable prices and to increase production. Under this scheme, certified seeds are supplied upto one-acre area per farmer. Under the scheme, during 2023-24, expenditure of ₹ 35.75 crore has been incurred and 8,404.5 MT seeds were distributed to 2,11,797 farmers whereas in 2024-25 upto October ₹ 32.25 crore was sanctioned and 11,291.6 MT seeds were distributed to 3,30,381 farmers.

7.25 Crop Pest Survey Advisory Project (CROPSAP): This project aims at (i) to create awareness and provide information to farmers about pest and disease management through training and visits, (ii) to provide early warning so that measures can be taken before pest and disease outbreak and (iii) to provide information and scientific advice through free SMS. The project covers Paddy, Soyabean, Cotton, Tur, Gram, Maize, Sunflower & Sugarcane. During 2023-24, expenditure of ₹ 24.25 crore was incurred while during 2024-25 upto October, expenditure of ₹ 1.68 crore has been incurred.

Table 7.25 Componentwise expenditure incurred under FNS in the State

Component	Expenditure incurred		
	2022-23	2023-24	2024-25 ⁺
Rice	2.41	6.06	0.46
Wheat	0.81	1.56	0.14

7.26 National Horticulture Mission: The National Horticulture Mission (NHM) is being implemented in the State since 2005-06 with the main objective of increasing the area under horticulture, productivity and its post-harvest management. Since 2015-16, Mission for Integrated Development of Horticulture (MIDH) is being implemented in 34 districts of the State. Physical & financial progress under MIDH in the state is given in Table 7.26.

Table 7.26 Physical & financial progress under MIDH in the State

(Since inception upto October, 2024)

Component	Unit	Physical	Financial (₹ crore)
Establishment of high-tech nurseries & tissue culture laboratories for production of quality planting material and seed production	no	1,920	38.53
Area expansion for high density plantation of mango, guava, oranges & plantation of grapes, banana, papaya, spices & flower crops	ha	3,10,153	487.11
Establishment of Mushroom projects	no	39	3.34
Rejuvenation of old orchards	ha	49,345	53.79
Construction of community tanks & farm ponds lining	no	28,470	557.29
Establishment of Green house, shed net house, plastic mulching, anti-bird/ anti-hail net etc. under protected cultivation	ha	21,307	440.88
Construction of pack house, ripening chamber, onion storage structure, cold storage, pre-cooling unit etc. to promote post-harvest management	no	19,421	372.80
Promotion of Integrated pest/ nutrient management	no	70	20.86
	ha	44,453	
Promotion of organic farming	ha	15,529	21.25
Promotion of bee-keeping	no	10,978	1.42

7.27 Horticulture plantation through Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA): This scheme is being implemented since 2011-12 in 34 districts of the State. The objectives of the scheme are to enhance income of MGNREGA job card holder farmers and employment generation through orchard plantation in their own productive or fallow land upto two ha. The subsidy amount is directly deposited in the bank account of farmer on the basis of percentage survival of plants. During 2023-24, horticulture plantation was done on 38,973.28 ha area. During 2024-25 upto January, horticulture plantation was done on 39,397 ha area.

7.28 Bhausaheb Fundkar Falbaug Lagwad Yojana: This scheme provides benefits of Orchard plantation scheme to the farmers who are not registered under MGNREGA. This scheme is being implemented in the State since *khari*f season of 2018-19 and provides 100 per cent subsidy. The objectives of this scheme are to increase farmers' income, create employment for young farmers, change cropping patterns, create a sustainable source of income and increase the availability of raw materials for agro-processing industries. In all 16 perennial fruit crops can be planted under this scheme. Since inception of the scheme upto November, 2024, in all 47,134 beneficiary farmers planted fruit crops on 44,495 ha and expenditure of ₹ 240.29 crore was incurred.

7.29 Plantation of horticulture and vegetable crops in kitchen garden of tribal families:

This scheme is being implemented for tribal families of 14 districts of the State viz. Thane, Pune, Nashik, Dhule, Nandurbar, Jalgaon, Ahmednagar, Nanded, Amravati, Yavatmal, Gadchiroli, Chandrapur, Palghar and Gondia. During 2023-24, expenditure of ₹ 25.41 lakh has been incurred on 6,515 beneficiary families. In the year 2024-25, ₹ 24.00 lakh have been received till the month of October, 2024 and expenditure is in progress.

7.30 **Export of fruits, vegetables and flowers:** Grapes, bananas, pomegranates, Oranges and mangoes are the major fruits exported from the State. The quantity and value of exports of fruits, vegetables and flowers is given in Table 7.27.

Table 7.27 Quantity & value of exports of fruits, vegetables & flowers

Commodity	Export From	2022-23		2023-24		2024-25 ⁺	
		Quantity (MT)	Value (₹ Crore)	Quantity (MT)	Value (₹ Crore)	Quantity (MT)	Value (₹ Crore)

7.30.1 **Cold Storage:** Subsidies are provided for establishing cold storages in the private sector. In the State, upto January 2025, there are 185 private cold storages, with a fruit storage capacity of 4.17 lakh MT.

7.31 **Watershed Development Programme:** The objective of the watershed development programme is to increase agricultural productivity by conserving natural resources. Since most of the area in the State is dependent on rainfall, various schemes are being implemented to increase the productivity of dry land, stop soil erosion, conserve soil moisture and conserve water. Details of completed and ongoing micro watersheds upto December, 2024 are given in Table 7.28.

Table 7.28 Details of Completed and ongoing micro watersheds

(upto December, 2024)

Scheme	Number of micro watersheds		Expenditure incurred (₹ Crore)
	Selected	Completed	
1. Vidarbha Panlot Vikas Mission	1,032	1,032	365.36

Source: Commissionerate of Agriculture, GoM, Commissionerate of Water & Soil Conservation, GoM

7.31.1 Jalyukta Shivar Abhiyan 2.0: Jalyukta Shivar Abhiyan 2.0 is being implemented in the State from January, 2023. Components of the *abhiyan* are (i) soil and water conservation works in the villages where the first phase of *Jalyukt Shivar Abhiyan* as well as other watershed development programmes were not implemented and which are eligible as per the village selection criteria, (ii) watershed development works in the villages where *Jalyukt Shivar Abhiyan* first phase & other watershed development programmes were implemented but more water is required and there is a gap left to block, (iii) efforts for water availability & efficient use in villages through water literacy and (iv) sustainable development of watershed area through available ground water. Since inception upto November 2024, in all 70,961 works were completed and expenditure of ₹ 1,138.83 crore has been incurred.

7.32 Chief Minister Sustainable Agriculture Irrigation Scheme - Individual Farm Pond: The scheme aims to encourage creation of infrastructure for pumping the water flowing through streams, rivers etc. when it rains heavily or from other water sources such as ponds, wells, bores, etc. and storing it in farm ponds. Under this scheme, individual beneficiaries receive minimum subsidy of ₹ 14,433 and a maximum of ₹ 75,000 depending on the size of the farm pond. During 2023-24, subsidy of ₹ 106 crore was given to 15,406 beneficiaries whereas during 2024-25 upto December, subsidy of ₹ 17.39 crore was paid to 2,540 beneficiaries through DBT.

7.33 Dr. Punjabrao Deshmukh Jaivik Sheti Mission: This cluster-based mission is being implemented in the State since 2019-20 with the aim of promoting organic farming/toxin-free farming. Under the mission eligible group of farmers are given benefits for three consecutive years. In the first phase, districts of Vidarbha region viz. Buldhana, Akola, Washim, Amravati, Yavatmal and Wardha were included. The period of the mission is now extended upto 2027-28, the scope of the scheme is extended across the State and it is renamed as Dr. Punjabrao Deshmukh Natural Farming Mission. In second phase it is proposed to bring 6.61 lakh ha area under natural/organic farming. During 2023-24 in all 4,617 new groups have been formed and expenditure of ₹ 11.25 crore was incurred.

7.34 Hon. Balasaheb Thackeray Agribusiness and Rural Transformation (SMART) Project: The State is implementing SMART project from 23rd March 2020. The main objective of the project is to support the development of inclusive and competitive agricultural value chains focussing on small & marginal farmers in the State. Since inception of the project, upto 8th November, 2024 expenditure of ₹ 514.55 crores incurred and about 5.20 lakh farmers of 14,115 villages from 34 districts were benefitted through 719 community based organisation.

7.35 Nanaji Deshmukh Krishi Sanjeevani Prakalp (Project on Climate Resilient Agriculture -PoCRA): This project is being implemented by GoM to enhance climate-resilience & profitability of small holder farming systems in selected 16 districts of the State. The project is being implemented in 5,220 villages in the State. This project includes benefit to individual farmers, financial assistance to farmer producer companies/ farmer group/self help group, soil and water conservation works, farm schools, capacity building, agro-climatic advisory services, etc. Since inception of project, upto November, 2024 financial assistance of ₹ 4,039.26 crore has been provided to 4.92 lakh farmers, expenditure of ₹ 89.88 crore was incurred for completion of soil & water conservation works and expenditure of ₹ 587.60 crore has been incurred for 5,349 agri-business projects.

7.36 Formation and promotion of 10,000 Farmer Producer Organisations: GoI is implementing this scheme since 2020-21. The objectives of the scheme are (i) to promote holistic system to facilitate development of sustainable income oriented farming, (ii) to enhance productivity through efficient, cost-effective and sustainable resource use, (iii) to provide support to new farmer producer organisations (FPOs) up to five years in all aspects of management of agricultural activity and (iv) capacity building to develop agriculture farmer producer organisations entrepreneurship skills to become economically viable and self-sustaining. Since inception of the scheme up to 2023-24, in all 583 FPOs are allocated to the State and 583 FPOs have been established up to September, 2024.

7.37 Prime Minister Formalisation of Micro Food Processing Enterprises Scheme: This scheme is being implemented in the State on 'One District One Product' basis for a period of five years from 2020-21 to 2024-25. A target of empowering 22,234 micro food processing industries is set for the State. Since inception upto December, 2024 subsidy of ₹ 516.53 crore has been disbursed to 20,272 projects.

7.38 Chief Minister Agriculture and Food Processing Scheme: Chief Minister Agriculture and Food Processing Scheme is being implemented in the State since 2017-18 for consecutive five years. The main objectives of the scheme are to encourage modern technology-based projects for quality enhancement of agricultural produce, to encourage exports, to create skilled manpower for agro & food processing and employment generation through small and medium agro & food processing units in rural areas. Since inception of the scheme upto November, 2024 grants of ₹ 201.47 crore were distributed for 593 projects.

7.39 Establishment of Gram Krishi Vikas Samiti: The State has made it mandatory to establish a *Gram Krishi Vikas Samiti* in every village to ensure the holistic development of agriculture, optimum use of natural resources and the prioritisation of the works to be undertaken through various schemes & projects. Upto November, 2024 in all 25,347 *Gram Krishi Vikas Samitis* have been formed in the State.

7.40 Jilha Krishi Mahotsav: *Jilha Krishi Mahotsav* are organised in 34 districts of the State to create awareness among farmers about new technologies from production to processing in agriculture sector, exchange of experiences of progressive farmers, entrepreneurs & scientists and establish direct marketing relations by developing supply chains. Grants of ₹ 20 lakh per district are distributed for organising *krishi mahotsav*. Agriculture exhibitions, seminars/workshops, grain festival, direct marketing, buyers & sellers conferences, farmers' celebrations, etc. are the key components of the *mahotsav*. During 2023-24, *Jilha Krishi Mahotsav* were organised in 24 districts and, expenditure of ₹ 4.76 crore has been incurred.

7.41 Turmeric Research and Processing Policy - Hon. Balasaheb Thackeray Haridra (Turmeric) Research and Training Centre: The 'Turmeric Research and Processing Strategy 2022-2027' was announced in the State in September, 2022 to help farmers overcome the difficulties in the production, processing, marketing and export of turmeric. To implement this policy, Hon. *Balasaheb Thackeray Haridra* (Turmeric) Research and Training Centre is set up in Hingoli district and during 2023-24 expenditure of ₹ 23.71 crore has been incurred whereas during 2024-25 upto January expenditure of ₹ 11.92 crore has been incurred.

Allied Activities

7.42 Agriculture, the backbone of rural livelihood is usually supplemented with allied activities such as animal husbandry, dairy, fisheries and forestry. These activities provide an additional source of income, enhance food security and offer vital support to rural families. These activities also create employment opportunities for marginalised groups, including landless labourers, small-scale farmers and women, thereby contributing substantially to rural economic growth and poverty alleviation. The government is implementing diversified development schemes to foster an enabling environment for allied activities.

Animal Husbandry

7.43 **20th Livestock Census 2019:** During Livestock Census 2019, breed-wise and rural/urban wise livestock information was collected for the first time. As per this Census, State ranks seventh at National Level having total livestock population 3.31 crore. There is an increase of 1.8 per cent in total livestock as compared to Livestock census 2012. Total poultry birds in the State were 7.43 crore and the State ranks fifth at National Level. Livestock and poultry birds in selected states as per Livestock Census 2019 are given in Table 7.29. Region wise livestock and poultry birds as per Livestock Census 2019 are given in Table 7.30.

7.43.1 21st Livestock Census 2024: As per directives of GoI, the 21st livestock census is being conducted during the period 25th November, 2024 to 28th February, 2025. This census is being conducted online through a mobile app, making it more efficient and reliable. Stray dogs, stray cattles and for the first time, stray pastoral communities will also be covered in this census.

7.44 Veterinary health care infrastructure of the State government: The State is providing veterinary medical facilities and implementing

vaccination programmes for animal health care upto village level through a network of veterinary institutions. Veterinary health care infrastructure of the State Government is given in Table 7.31 and the details of cases treated and vaccinated are given in Table 7.32.

7.45 **Artificial Insemination:** Semen straws are prepared in frozen semen laboratories located at Pune, Nagpur & Chhatrapati Sambhajnagar and distributed to veterinary institutions in the State through artificial insemination centers in 34 districts. Information about Artificial Insemination (AI) is given in Table 7.33.

7.46 **Rashtriya Gokul Mission:** This mission is being implemented in the State since 2014-15 to undertake breed improvement, enhance milk production & productivity and distribute disease-free high genetic merit bulls. During 2023-24, an expenditure of ₹ 101.59 crore was incurred. Details of expenditure under *Rashtriya Gokul Mission* is given in Table 7.34.

7.47 National Livestock Mission (NLM): This mission was launched by GoI in 2014-15, by merging various schemes related to sheep, goat, poultry, pig, livestock insurance, feed & fodder development, skill development, technology transfer and animal husbandry extension activities for socially and economically backward classes. The NLM is revised and realigned from 2021-22. The revised mission aims towards employment generation, entrepreneurship development to increase per animal productivity and to create forward linkage for the produce available with the unorganised sector to the organised sector. The realigned NLM have three sub-missions viz. Breed development of livestock & poultry, Feed & fodder development and Innovation & extension. Under the realigned mission, ₹ 17.72 crore subsidy was distributed to 100 beneficiaries upto November 2024.

7.48 Livestock Insurance Scheme: This scheme is being implemented in the State by Maharashtra Livestock Development Board since 2014-15. The main objective of this scheme is to provide protection to livestock owners against losses due to sudden death of livestock, due to natural calamities, accidents or diseases. In the first phase of the scheme, out of 8,707 claims filed, 8,327 claims for dead animals were settled and the insurance company paid ₹ 23.87 crore to the beneficiaries. In the second phase of the scheme, out of 3,854 claims filed, 3,300 claims for dead animals were settled and the insurance company paid ₹ 9.58 crore to the beneficiaries. The GoI has sanctioned a fund of ₹ five crore in the year 2024-25.

7.49 National Animal Disease Control Programme: This programme is being implemented in the State since 2019-20 to achieve effective control of Foot and Mouth Disease (FMD) and brucellosis by 2024-25 and complete eradication by 2029-30. During 2020-21 to 2024-25 upto October, in all 970.40 lakh animals were vaccinated in five rounds of FMD preventive vaccination. Under brucellosis preventive vaccination Programme from 2021-22 to October, 2024, in all 26.32 lakh calves between the age of 4 to 8 months have been vaccinated in the State.

7.50 Newly Revised Govardhan Govansh Seva Kendra Yojana: This scheme is being implemented in the State since 2023-24. Under this scheme, establishment of one *Govardhan Govansh Seva Kendra* in each taluka of 34 districts is proposed. The objective of this scheme is to take care of cows and bulls that are not suitable for milk production, agricultural work, animal breeding, carrying of burden. Under this scheme subsidy of ₹ 15 lakh for *goshalas* with 50 to 100 livestock, ₹ 20 lakh for *goshala* with 101 to 200 livestock and ₹ 25 lakh for *goshala* with more than 200 livestock is given. Under this scheme, 152 *goshala* have been approved and ₹ 16.71 crore subsidy has been disbursed to 148 *goshalas* upto October, 2024.

7.51 **Maharashtra Goseva Ayog:** Maharashtra *Goseva Ayog* is constituted by Maharashtra *Goseva Ayog Act 2023* for preservation, protection and welfare of cattle and supervision of institutions engaged therein, in the State. Some of the main functions of the *Ayog* are -

- To ensure the implementation and monitoring of Maharashtra State Bovine Breeding Policy
- Providing financial assistance to institutions and suggesting measures to strengthen financially weak institutions
- To seek practical assistance in adopting new scientific technologies in coordination with universities/ research institutes for breed improvement, fodder development and manure, urine and biogas manufacturing plants etc.
- To inquire into the complaints in the functioning of the institutions, to review the activities for prevention of cruelty against animals and the work of District Animal Welfare Society

7.52 **Special project to increase milk production in Vidarbha & Marathwada region:** GoM has started a special project in collaboration with National Dairy Development Board and Mother Dairy Fruit & Vegetable Pvt. Ltd. to increase milk production in 11 districts of *Vidarbha* and *Marathwada* region. This project includes fodder development programme, supply of quality cattle feed, feed supplements (mineral mixture) and veterinary services such as AI service at doorstep, vaccination, eradication of ticks & flies, infertility & treatment camps, etc. Upto March, 2023, in all 5,075 infertile camps & training camps to 25,000 farmers has been organised. In all 13,169 ha land was made available for fodder production and 18,745 MT enriched cattle feed were supplied. *Vidarbha Marathwada Dairy Development Project (Phase-II)* aims to increase milk production in 19 districts of *Vidarbha* and *Marathwada* for which ₹ 149 crore have been sanctioned. During 2023-24, expenditure of ₹ 43.72 crore was incurred.

7.53 **Chief Minister Animal Health Scheme:** This scheme aims to establish mobile veterinary clinics in rural areas for providing veterinary services to remote, hilly and tribal villages. Farmers/livestock owners get medical treatment for their animals at their doorstep through these mobile veterinary clinics. These veterinary clinics also provide services like preventive vaccination, artificial insemination, guidance regarding diet & health of animals and information about various schemes. During 2023-24, total 1,32,304 farmers/livestock owners requested veterinary services from the call center, out of which 1,09,634 livestock were provided services. During 2024-25 upto December, total 2,35,033 farmers/livestock owners requested services from the call center, out of which services have been provided for 2,18,498 livestock.

7.54 **Fodder Development:** To provide nutritious fodder to livestock, fodder crop seed distribution scheme is implemented in the State. During 2023-24, funds of ₹ 39.88 crore was utilised for distributing 12,636.06 quintal fodder crop seeds to livestock owners and fodder crop was sown in the area of 42,120.02 ha and production of 20.93 lakh MT green fodder is expected. During 2024-25, ₹ 25.59 crore funds are utilised upto October, 2024 for distribution of 10,266.78 quintal fodder crop seeds to livestock owners and fodder crop was sown in the area of 25,872.30 ha and production of 10.93 lakh MT green fodder is expected.

7.55 **Raje Yashwantrao Holkar Mahamesh Yojana:** The objective of the scheme is to promote sheep rearing for Nomadic Tribes-C beneficiaries. Under the scheme, 75 per cent subsidy is given for sheep unit (20 females + one male), distribution of improved male sheep, providing infrastructure for sheep rearing & balanced feed for each sheep unit, whereas 50 per cent subsidy is given for purchasing of mini silage baler-cum-wrapper machine & installation of animal feed units. During 2019-20 to 2024-25, sheep units were distributed to 1,598 beneficiaries upto December, infrastructure for sheep rearing was provided to 148 beneficiaries, improved rams were distributed to 262 beneficiaries and balanced feed was provided to 8,213 sheep.

7.55.1 Various State Level *Navinyapurna Yojana* are implemented in the State for livestock rearing, entrepreneurship development and generating employment in rural areas for economic upliftment of poor. Information of various innovative State level schemes is given in Table 7.35.

Table 7.35 Information of various innovative State level schemes

Scheme	2021-22		2022-23		2023-24	
	Beneficiaries (no.)	Expenditure incurred (₹ lakh)	Beneficiaries (no.)	Expenditure incurred (₹ lakh)	Beneficiaries (no.)	Expenditure incurred (₹ lakh)

Source : Office of the Commissioner of Animal Husbandry, GoM

7.56 **Poultry development:** The GoM has established four central hatcheries in Chhatrapati Sambhajnagar, Kolhapur, Nagpur and Pune with the following objectives:

- To produce and supply improved chicks, pullets & hatching eggs to farmers at government approved rate
- To distribute improved variety of eggs, one day old chicks and cockerels & pullets to beneficiaries under different poultry schemes
- To supply improved birds for rural poultry farming
- To provide poultry farming training to farmers, women self-help groups, educated unemployed youths, students, etc.
- To give technical advice and motivate farmers for poultry farming

7.56.1 The poultry birds supplied through central hatcheries were 3.58 lakh during 2022-23, 2.42 lakh during 2023-24, 45,000 upto December during 2024-25.

7.57 **Kisan Credit Card for livestock owners/farmers:** The objective of this scheme is to give short-term credit to farmers for rearing their dairy animals, poultry birds and small ruminants. Upto December, 2024, in all 84,773 *Kisan Credit Cards* were distributed to eligible livestock owners/farmers.

7.58 **Major livestock products:** During 2023-24, the State ranks third in meat production with 11.3 per cent share. The State ranks fifth in milk production and per capita availability of milk in the State is 347 gram per day as against 471 gram per day at the national level. The State ranks seventh in eggs production and per capita availability of eggs in the State is 62 eggs per annum as against 103 eggs per annum at the national level. Livestock and poultry products in the State are given in Table 7.36 and livestock and poultry products in selected states during 2023-24 are given in Table 7.37.

Fisheries

7.61 The State has a coastline of 720 km with 1.12 lakh sq km area suitable for marine fishing. The State has developed 173 fish landing centres. There were 15,323 marine fishing boats in operation, of which 13,700 were mechanised.

7.61.1 The area suitable for inland and brackish water fishing in the State is 3.90 lakh ha and 0.17 lakh ha respectively. Fish production and exports are given in Table 7.40.

7.61.2 In *Rashtriya Krushi Vikas Yojana* (RKVY), development of 6 fishing jetties worth ₹ 107 crore have been undertaken since 2016-17, of which, works of two jetties have been completed and works of two jetties are in progress.

7.61.3 Under Rural Infrastructure Development Fund, development of 14 fishing jetties worth ₹ 194.43 crore have been undertaken, of which three jetties have been completed and works of eight jetties are in progress.

7.62 **Pradhan Mantri Matsya Sampada Yojana (PMMSY):** This scheme is launched by GoI in May, 2020 for a period of five years. PMMSY is designed to address critical gaps in fish production & productivity, quality, technology, post-harvest infrastructure & management, modernisation & strengthening of value chain, establishing a robust fisheries management and fishers' welfare.

7.62.1 Under PMMSY from the year 2021-22 to 2024-25, in all ₹ 1,447.67 crore is approved for 4,174 beneficiaries, out of which the share of GoI, GoM and beneficiaries was ₹ 544.27 crore, ₹ 414.58 crore and ₹ 488.82 crore respectively. Details of major activities under *Pradhan Mantri Matsya Sampada Yojana* are given in Table 7.41.

+ upto November

7.62.2 Cage culture fish farming is being implemented under PMMSY to increase fish production in the State. Since inception upto November 2024, for inland fishing in 105 water reservoirs in the State, 17,463 cages were sanctioned, of which 4,465 cages were erected and expected fish production was 8,930 MT.

7.63 A compensation scheme for the fishermen is being implemented in the State in which the fishermen are encouraged to cut their fishing nets to release marine animals such as whale, shark, dolphin, seaturtle, etc. protected under the 'Wildlife (Protection) Act, 1972'. During 2022-23, compensation of ₹ 6.53 lakh was given for 52 released animals back to the sea whereas during 2023-24 upto December, compensation of ₹ 3.85 lakh is given for 31 released animals back to the sea.

7.64 **Kisan Credit card for fisherman:** The objective of this scheme is to give short-term credit to fishermen for fish farming, shrimp farming and fishing, etc. During 2024-25 upto January, in all 16,008 Kisan credit cards were distributed to eligible fishermen.

Sericulture

7.65 Sericulture is an agro-based industry which has high potential to generate employment opportunities in rural areas. Mulberry silk development programme is being implemented in 24 districts of the State. Mulberry plantation and silk production is given in Table 7.42.

Table 7.42 Mulberry plantation and silk production

Item	('000)		
	2022-23	2023-24	2024-25 ⁺

+ upto November

7.65.1 Tussar silk development programme is being implemented in four districts of the State viz. Bhandara, Chandrapur, Gadchiroli and Gondia. Area under plantation of Ain and Arjun trees (on which Tussar silkworms are grown) in these four districts is 18,866 ha. During 2023-24 production of raw Tussar silk was 182.79 lakh. During 2024-25 upto November, production of raw Tasar silk was 44.18 lakh.

Forest

7.66 The total forest area of the State at the end of the year 2023-24 was about 62 thousand sq km, which was 20.1 per cent of the geographical area of the State. The jurisdiction of the total forest area in the State is divided amongst Forest department (55,826.04 sq km), Forest Development Corporation of Maharashtra (FDCM) (3,548.36 sq km), Private forests brought under the possession of Forest department (1,185.02 sq km) and Revenue Department (1,433.34 sq km). Forest area is the second largest to agricultural land in the State as per land use statistics of the State 2023-24. Forest circlewise distribution of forest area is given in Table 7.43.

Table 7.43 Forest circlewise distribution of forest area

(as on 31st March, 2024)

Forest circle	Forest area (sq km)				Per centage to total forest area
	Reserved	Protected	Unclassed	Total

7.66.1 Total forest cover in the State is 50,858 sq km as per India State of Forest Report (ISFR) 2023, showing an increase of 60 sq km as against reported in ISFR 2021. The forest cover of the State is 16.5 per cent of the geographical area as against the goal of 33 per cent envisaged in the 'National Forest Policy, 1988'. The total forest cover of the State comprises of 19.4 per cent very dense forest, 42.4 per cent moderately dense forest and 38.2 per cent open forest. Forest cover of selected states is given in Table 7.44.

Table 7.44 Forest cover of selected states

(sq km)

State	Geographical area	Total forest cover	Per centage of forest cover to geographical area

7.68 Wild life, National Parks and Sanctuaries: There are six national parks, 51 sanctuaries and 27 conservation reserves in the State to preserve and conserve wildlife. Tiger Census is carried out quadrennially by National Tiger Conservation Authority. As per the 'Status of Tigers in India, 2022' report, estimated number of tigers in the State were 444 which was 312 as per the 'Status of Tigers in India, 2018' report. Area of wildlife projects and expenditure incurred are given in Table 7.46.

Social Forestry

7.71 Various social forestry schemes are being implemented in the State. Under social forestry seedlings are planted on community land and along road, railways, canals, etc. Seedling are also provided to various institutions, *gram panchayats* and individuals for plantation. Major social forestry schemes are given in Table 7.49.

Table 7.49 Major social forestry schemes

Scheme	2022-23	2023-24	2024-25 ⁺
Seedlings planted on community land (Lakh seedlings)	45.21	19.95	38.20

+ upto November

7.72 **Sant Tukaram Vangram Yojana:** This scheme is launched to create awareness about the importance of forest & wild life, to protect the forest from illegal tree cutting, encroachments, etc. Under the scheme 11,645 Joint Forest Management Committees (JFMC) are formed in 15,500 villages. About 25.18 lakh ha of forest area is under the management of JFMCs.

7.73 **Mangroves conservation:** As per 'ISFR 2023', the total mangrove cover of the State is 315 sq km area. For conservation of mangroves, about 11,548 ha of mangroves have been declared as reserved forests under section 20 of the 'Indian Forest Act, 1927'.

7.73.1 The State is implementing Mangrove Conservation and Livelihood Generation Scheme since 2017 with the participation of local communities across coastal stretch of the State covering 199 villages from Palghar, Thane, Raigad, Ratnagiri and Sindhudurg districts. During 2024-25, the State has allocated funds of ₹ 5.94 crore for upscaling various livelihood activities such as mud crab farming, fish cage culture, oyster & mussel farming, ornamental fish culture, eco-tourism and mangrove plantation under the scheme. During 2023-24, mangrove plantation over an area of 138 ha was carried out and a profit of ₹ 1.78 crore was earned by beneficiaries through various livelihood activities. During 2024-25 mangrove plantation over an area of 187 ha has been carried out and a profit of ₹ 2.45 crore was earned by beneficiaries through various livelihood activities.

Industry and Co-operation

8. INDUSTRY AND CO-OPERATION

8.1 The industry and cooperation sectors are complementary to each other, with cooperatives providing raw materials, finance and skilled manpower to industries while industries offer technology, market access, financial support and capacity building to cooperatives. This symbiotic relationship can promote industrialisation, employment, productivity and competitiveness through modernisation, governance, integration with global value chains and innovation. These two sectors play a prominent role in the State's economic landscape. Government initiatives & policies aim to strengthen this relationship, fostering economic growth and development in the State.

INDUSTRY

8.2 The industry sector is an indispensable part of the overall development process as it drives economic growth, innovation and employment opportunities. Industries foster technological advancements, entrepreneurship & competitiveness and also give directions to other sectors. Maharashtra's industrial sector constitutes a vital component of the industrial sector of the nation. Diversified industry base, complementary cooperative sector, infrastructure development and government support through proactive policies & strong institutional support are the driving factors of the industrial development in the State. The State's diverse industries encompass key sectors such as automotive, information technology, pharmaceuticals, textiles and engineering which facilitates a competitive business environment. The State's industrial sector continues to attract domestic & international investors and the State has maintained its top position in foreign direct investment in the country.

Policy Initiatives

8.3 State's Industrial Policy-2019:

The State has its comprehensive Industrial Policy-2019 in place promoting 14 thrust sectors. The State has initiated various progressive sectoral policies in consonance with other existing policies related to industrial development such as Logistics Policy 2024, Tourism Policy 2024, Export Promotion Policy 2023, New IT and ITeS Policy 2023, Integrated & Sustainable Textile Policy 2023-2028, Maritime Development Policy 2023, Green Hydrogen Policy 2023 and Electric Vehicle Policy 2021, etc. Apart from implementation of GoI schemes, GoM is also implementing various schemes & initiatives for promoting industrial development in the State.

Industrial Policy-2019: Thrust Sectors

- Electric Vehicles (Manufacturing, Infrastructure & Servicing)
- Aerospace and Defense Manufacturing
- Industry 4.0 (Artificial Intelligence, 3D Printing, Internet of Things & Robotics, Nanotechnology)
- Integrated Data Center Parks
- Textile Machinery Manufacturing
- Biotechnology and Medical & Diagnostic Devices
- Agro & Food Processing
- Information Technology (IT) & IT enabled Services (ITeS)
- Electronic Systems Design & Manufacturing and Semiconductor Fabrication
- Logistics & Warehousing
- Green Energy/Bio Fuel Production
- Sports and Gym Equipment Manufacturing
- Nuclear Power plant equipment manufacturing
- Mineral/Forest based Industries

8.4 **Maharashtra Logistics Policy 2024:** The policy aims to make Maharashtra a global logistics hub by modernising the state's logistics sector. The policy is aligned with the National Logistics

Policy and is intended to play a key role in helping Maharashtra achieve its goal of becoming a USD one trillion economy by 2028. The policy includes the following initiatives:

- Setting up small, large, mega, ultra mega, and multi-storied logistics parks
- Creating 25 district logistics nodes with dedicated space in MIDC areas
- Establishing five regional logistics hubs
- Establishing five state logistics hubs
- Incorporating technologies such as blockchain, artificial intelligence, intelligent logistics management systems, green logistics parks, sustainable design, and model shifts

Objectives of the Logistics policy 2024:

- Reducing logistics costs by 4-5 per cent compared to the current 14-15 per cent
- Reducing the time required for logistics operations
- Minimising carbon emissions by adopting green initiatives and advanced technologies like AI & blockchain
- Offering financial incentives to encourage investment
- Creating jobs and contributing to a more sustainable future

8.5 Ease of Doing Business (EoDB) Initiative: Maharashtra has been recognised as an 'Achiever' in the Business Reform Action Plan (BRAP) rankings conducted by the Department for Promotion of Industry and Internal Trade (DPIIT), GoI for the year 2020-21. Further, in the seventh edition of BRAP 2022 initiative, Maharashtra has been awarded the 'Top Achiever' ranking for EoDB at the 'Udyog Samagam 2024' conference. As per the UK-India Business Council Report 2022, Maharashtra ranked first (with score 3.33 out of 5) for its conducive business environment. The State is currently working on the implementation of the Business Reform Action Plan 2024, which includes BRAP plus and the reduction of regulatory compliance burden (RCB).

8.6 Single Window System: As envisioned in the Industrial Policy-2013, GoM has established the Maharashtra Industry, Trade, and Investment Facilitation Cell (MAITRI) in Mumbai since February, 2014 to provide a single point of contact for investors. MAITRI aims to boost investments and facilitate businesses in the State by offering Government-to-Business (G2B) services. The MAITRI portal serves as a one-stop shop, providing all investment-related services and information. Through MAITRI Portal 1.0, entrepreneurs have access to 141 services from 17 different government departments. MAITRI Portal 2.0, an upgraded version with additional features, has been developed and launched on 04th February, 2024.

8.6.1 MAITRI has been functioning as the nodal agency for the single window system in the State, since the enactment of the MAITRI Act from July, 2023. Upto December, 2024, in all 3,21,400 applications have been received of which 3,13,939 applications have been disposed of and out of the total 3,334 complaints received, 3,224 have been resolved by MAITRI.

Industrial Investment in the State

8.7 Since adoption of liberalisation policy (August, 1991), in all 30,610 projects (including IEM, LoI and 100 per cent export oriented units) with an intended investment of ₹ 20,36,567 crore and expected employment of about 35.75 lakh were approved upto July, 2024 in the State.

8.7.1 The Industrial Entrepreneur Memorandum (IEM) are used to report intention for establishing a business and report the commencement of business, both can be filed and acknowledged online through the G2B portal of GoI. The investment intentions and other details are reported in IEM Part-A and intimation regarding the commencement of business is communicated through IEM Part B. In the State, during January, 2022 to July, 2024, in all 627 industrial projects with an intended investment of ₹ 2,11,993 crore reported to establish their projects as per Part A acknowledgments and 545 industrial projects with an investment of ₹ 1,24,292 crore have reported commencement of business as per Part B acknowledgments.

8.7.2 Industrial projects & intended investment in selected states as per IEM-Part A acknowledgements is given in Table 8.1. Industrial projects & investment in selected states as per IEM-Part B acknowledgements is given in Table 8.2.

8.8 Magnetic Maharashtra: The event Magnetic Maharashtra 2.0 was organised in June, 2020 in the State with an aim to attract investments and generate employment. From June, 2020 to January, 2025, the State signed 249 MoUs worth ₹ 23,56,861 crore of investments and expected employment of about 24.10 lakh. These include MoUs signed during successive World Economic Forum summits in Davos and those signed apart from the summits.

8.8.1 In the ‘World Economic Forum 2025’ held at Davos, Switzerland, the State has signed 63 MoUs worth ₹ 15.73 lakh crore with expected employment of about 15.96 lakh. The MoUs were signed with reputed companies across Steel & metals, IT, Green Energy, Automobiles & Electric Vehicles, Textile, Data Centers, Electronics, Aerospace & Defense, Biotech & Pharmaceuticals, Food & Beverages, Infrastructure, Drone Manufacturing, Education etc.

8.9 Mega Projects: Mega Project Policy has been implemented in the State since 2005. The State has approved 944 mega projects since inception upto December, 2024 with an investment of ₹ 10,20,092 crore and expected employment of 9.17 lakh. Eligibility certificates have been issued to 277 projects with an investment of ₹ 1,50,861 crore & expected employment of about 1.85 lakh.

8.10 District level Investment Parishads: Recognising the significant role of districts in driving development, district-level investment councils were organized to attract investments that would propel economic prosperity. These councils were convened in 34 districts from February 20, 2024, to March 15, 2024. The agenda of these councils encompassed a wide range of topics, including sharing of experiences by entrepreneurs, exploring investment opportunities within the respective districts, deliberations on key industrial sectors within the district, discussions on investment and business opportunities in other sectors with potential, and organising events for the signing of MoUs. These councils witnessed active participation from entrepreneurs and stakeholders, demonstrating an enthusiastic response. In these councils, 2,652 MoUs were signed, signifying proposed investments amounting to ₹ 96,680 crore, with the potential to generate 2.31 lakh employment opportunities.

8.11 Foreign Direct Investment: The business friendly environment coupled with various policies and skilled workforce has helped the State to remain on forefront in terms of FDI Equity inflow in India. FDI Equity inflows in the states as per DPIIT, GoI report are given in Table 8.3.

Table 8.3 FDI Equity inflows in the states

Micro, Small and Medium Enterprises

8.12 Manufacturing and service enterprises have been classified into Micro, Small and Medium enterprises (MSMEs) based on annual turnover along with investments in plant & machinery or equipment. Various schemes are being implemented to strengthen and promote the MSMEs in the State. GoI has launched *Udyam* Registration Portal on 1st July, 2020 to provide permanent registration number to MSMEs for facilitating ease of doing business. Since inception upto December, 2024, in all 46.74 lakh MSMEs have been registered in the State with the investment of about ₹ 13.01 lakh crore and employment of about 201.67 lakh. All-India MSMEs registered under *Udyam* registration portal upto December, 2024 was 3.27 crore of which 14.3 per cent were from the State. Region wise *Udyam* registration of MSMEs is given in Table 8.4.

including City and Suburban districts

Exports from Maharashtra

8.13 The State is one of the major exporter in the country and consistently making efforts through launching various initiatives to increase State's contribution in global exports. Maharashtra State Export Promotion Policy 2023, One District One Product, District as an Export Hub, State & District Export Promotion Council, etc. are some of the key initiatives taken by the State. Gems & jewellery, engineering items, agriculture & allied products, chemicals, metal & metal products, drugs & pharmaceuticals, electronics & electrical components and textile & apparels are some of the main products exported from the State. Export of products worth ₹5,56,379 crore during 2023-24 and ₹3,58,439 crore during 2024-25 upto November have been done from the State.

8.13.1 GoM has taken various initiatives for export promotion such as rent subsidy of 50 per cent to small scale industries units for participation in Industrial Exhibitions in the country or foreign countries, Award to the Best Exporters from the State and establishment of international exhibition centres.

8.13.2 Maharashtra State Export Promotion Policy-2023:

The policy aims to boost exports from the State by creating a favorable business environment and providing incentives to exporters. The policy focuses on creating and strengthening export-promoting infrastructure and facilities, offering exclusive incentives for exporters and export-oriented units (EOUs), promoting One District One Product (ODOP) & Geographical Indication (GI) products. Additionally, the policy provides institutional arrangements for export facilitation, ease of doing export business and convergence of the State government policies to promote exports. The policy also offers incentives for new MSME entrants, including assistance for participation in international exhibitions and logistics incentives for first-time MSME exporters.

- The State ranks second in the total exports from India during 2023-24 by contributing 15.4 per cent
- The State ranks second in India as per the Export Preparedness Index ranking 2022 published by NITI Aayog
- The State has 37 Special Economic Zones (SEZs) and eight Agri Export zones
- The State has 27 industrial parks focused on exports across various sectors which is highest in the leaders category as per DPIIT, GoI

Schemes/Programmes for Industrial Development

8.14 **Micro and Small Enterprises-Cluster Development Programme (MSE-CDP):** For holistic development of Micro and Small sector, GoI is implementing this programme since 2006. The objectives of this programme are (i) to enhance the productivity and competitiveness of Micro & Small Enterprises (MSEs) for their holistic development by adopting cluster approach through financial assistance for establishment of Common Facility Centers (CFCs) in the existing clusters and (ii) establishment of new / up-gradation of existing Industrial Areas / Estates / Flatted Factory Complexes. Under this programme, grant of ₹277.01 crore has been released for 47 approved projects for setting up of CFC, out of which 24 CFCs are operational in the State upto December, 2024.

8.15 **Maharashtra State Industrial Cluster Development Programme:** This programme is being implemented since 2014 by GoM for development of industries, mainly in the 'no industry' districts and naxalite area in the State. Under the programme, development of 256 cluster projects have been initiated by GoM, of which 125 cluster projects have been approved for establishment of CFCs. Upto December, 2024 in all 71 CFCs were operational in the State and the expenditure incurred was ₹ 326.01 crore.

8.16 Package Scheme of Incentives: With an aim to promote balanced regional development and spread of industries in industrially less developed areas, the State is implementing Package Scheme of Incentives for new or expanded industrial units in these areas. Since inception of the scheme in 1964, it has been amended from time to time. Under Package Scheme of Incentives-2019, eligible private sector, State public sector/joint sector and co-operative sector are considered for providing incentives. Disbursement under Package Scheme of Incentives is given in Table 8.5.

Table 8.5 Disbursement under Package Scheme of Incentives

Institutional Support and industrial infrastructure in the State

8.17 Maharashtra Industrial Development Corporation (MIDC): MIDC is the State nodal industrial and investment promotion agency. MIDC has auxiliary infrastructure of 19 Common Effluent Treatment Plants, two Sewage Treatment Plants, four Common Hazardous Waste Treatment, Storage & Disposal Facility Plants. Industrial infrastructure through Delhi-Mumbai Industrial Corridor and SUPA-Japanese Investment Zone projects is under development. Upto December, 2024, MIDC has 292 industrial complexes (147 large industrial areas, 105 mini-industrial areas and 40 growth centers) with more than 1.01 lakh ha. of land, largest water supply network in Asia (2,500 MLD per day), dedicated feeders for electricity supply to industries and specialised infrastructure such as wine parks, silver parks, floriculture parks, food parks, textile parks, 27 IT parks and nine special economic zones. Development of 15 new industrial areas and specialised parks are under process.

8.17.1 MIDC offers ready-to-move-in factory environment under plug & play infrastructure equipped with advanced utilities and affordable pricing structure with sectoral tailoring. Additionally, MIDC also provides industrial shed spaces on rental basis to enable quick setting up of industries. Information of industrial and commercial units in MIDC areas is given in Table 8.6.

Table 8.6 Information of industrial and commercial units in MIDC areas

Region	Units (Industrial+ Commercial) (no.)	Investment (₹ Crore)	Employment (Lakh)	Developed plots (Industrial+ Commercial) (no.)

8.18 Delhi-Mumbai Industrial Corridor (DMIC): DMIC is a planned industrial development project between Delhi and Mumbai. Under the project Shendra-Bidkin Industrial Area in Chhatrapati Sambhajnagar district and Dighi Port Industrial Area in Raigad district are included.

8.18.1 Shendra-Bidkin Industrial Area (AURIC) is a state-of-art greenfield industrial township being developed over 10,000 acres in Chatrapati Sambhajnagar as a part of DMIC. Robust plug-and-play infrastructure, including an integrated network of roads, underground utilities (such as power, water, recycled water and sewerage), an uninterrupted power supply and effluent treatment facilities are offered at AURIC. The project is equipped with modern technology driven solutions such as city wide Wi-Fi, a central command & control room and e-governance systems, making it a preferred destination for multinational companies. Upto November, 2024, AURIC has attracted investment of ₹ 60,376 crore with more than 1,046 hectares land allotment and an employment generation potential of 35,492 jobs.

Key flagship projects of the State:

- Hi Tech ESDM parks at Ranjangaon and Talegaon
- Bulk drugs park & leather cluster at Dighi port industrial area
- Mega food park & hubs at AURIC, Dindori, Sinnar, Butibori and Nagpur
- Startups & Data centre at Mumbai, Navi Mumbai and Taloja
- Medical devises, equipment and R&D at AURIC, Pune and Sindhudurg
- Integrated & multi modal logistics at Chakan, Talegaon, Bhiwandi, Nashik, Jalna and Nagpur
- Gems and Jewellery park at Trans Thane Creek (TTC) Industrial area, Taloja, Navi Mumbai
- PM-Mitra textile park at additional Amaravati
- Skill Development centers at Chhatrapati Sambhajnagar, Nagpur, Nashik, Pune and additional Amaravati
- Centre for Invention, Innovation, Incubation and Training (CIIT) centers at Ratnagiri and Dombivli

8.18.2 Dighi Port Industrial Area (DPIA) Project covering area of 2,450 hectares, with an investment potential of ₹ 38,000 crore is envisioned as a port-led industrial hub, leveraging its proximity to Dighi port. DPIA project is expected to generate employment of about 1.14 lakh.

8.19 Maharashtra Small Scale Industries Development Corporation (MSSIDC):

MSSIDC assists entrepreneurs and provides support services like consulting, counseling, marketing, training, import-export, entrepreneurship development programmes for the development of small scale industries. Turnover of MSSIDC is given in Table 8.7.

8.21 ‘Maharashtra State Innovation Society’ (MSInS): MSInS serves as the nodal agency for startups and innovation in the State. It is responsible for implementing initiatives under the ‘Maharashtra State Innovation Startup Policy-2018’. With the presence of several major investors and a network of more than 125 incubators, the State has created a favorable environment for startups. The State has allocated venture funding of ₹ 500 crore for startups and MSMEs through three venture funds. Number of startups and employment therein for selected states is given in Table 8.9.

Table 8.9 Number of startups and employment therein for selected states

State	As on 23 th January, 2025	
	Startups	Employment
Andhra Pradesh	2,478	27,258
Bihar	3,115	34,265
Chhattisgarh	1,688	18,568

- As per the ‘States’ Startup Ranking 2022’ report of Startup India, the State is one of the five top performer states and retained the top spot in the ‘Outlook Start-Up Outperformers 2023’ rankings
- The State has the highest share of about 24 per cent in the startups recognised by DPIIT, GoI at all India level as on 23rd January, 2025
- There are at least 15 startups in each district of the State
- Upto October, 2024, from the 117 unicorn (a company with valuation more than \$ 1 billion) startups in India, 27 are in the State
- Maharashtra is the only state to have a Fintech policy and has a dedicated supporting team ‘the Mumbai Fintech Hub’ for fintech startups

8.21.1 Maharashtra Startup Week is the initiative platform through which 24 startups with innovative solutions get a work order of ₹ 15 lakh each. From five events organised so far, innovative solutions worth ₹ 18 crore are procured from startups. Maharashtra startup week pilots have been deployed in 30 districts in the State.

8.21.2 Punyashlok Ahilyadevi Holkar Women’s Startup Scheme: This scheme is launched in the State in 2024 to address the need to provide financial support to women-led startups and innovative startups for business growth and expansion. The objective of the scheme is to make women startups self-reliant & independent, promote job creation to reduce unemployment and establish the State having highest number of women startups in the country. The scheme offers one-time financial assistance ranging from ₹ one lakh to ₹ 25 lakh based on startup turnover. Under the scheme, 25 per cent of the total allocated funds are reserved for women from marginalised and economically

disadvantaged background. In the first phase, ₹ 74 lakh has been distributed among the 20 women startups and in the second phase ₹ 55 lakh has been distributed among the 11 women startups.

8.21.3 Various initiatives/schemes for Startups in the State are given in Table 8.10.

Table 8.10 Various Initiatives/Schemes for Startups in the State

(upto December, 2024)

Initiative/ Policy	Objective, coverage of the Initiative/Policy	Achievement	
		Particulars	Nos.
Scheme for Setup and Expansion of Incubators	To support incubators across the State with a grant of ₹ five crore to be disbursed over a period of five years	Incubators	26
	Setting up of incubators for capacity building & strengthening the startups in partnership with public universities	Incubators	14
		Incubators for women entrepreneurs	1
	Startups developed through incubators supported	Startups	350
Scheme for Intellectual Property Rights and Quality Testing & Certification	To support early-stage startups in the State, with a reimbursement of ₹ two lakh for domestic patents, upto ₹ 10 lakh for international patents and upto ₹ two lakh for quality testing & certification	Startups reimbursed for patents	112
		Startups reimbursed for quality testing & certification	174
Maharashtra Student Innovation Challenge programme 2023	To foster and showcase innovations by college students in the State and to empower them with the necessary support so that their entrepreneurial dreams come true	Institutions	2,015
		Unique innovators	9,230
Maharashtra Startup Acceleration Programme	To provide mentoring through network of experienced mentors & alumni and help the founders in scaling their business and eventually build a sustainable & large business	Startups	100
		Cohorts	4

Source: Maharashtra State Innovation Society

8.21.4 **National Startup Conclave:** The State has been authorised to organise National level Startup Mega Conference/Conclave to connect startups with investors & mentors to facilitate the exchange of knowledge & experiences, provide investment opportunities, market linkages and foster collaboration between the State's startup ecosystem, investors and stakeholders across the country.

Information Technology & Information Technology enabled Services (IT & ITeS)

8.22 Maharashtra contributes significantly in the software export of India. New IT & ITeS Policy of Maharashtra State-2023 is being implemented in the State for the balanced development of Information Technology all over the State and to boost the growth of IT & ITeS sector. The policy aims to make the State a global IT & ITeS destination, AVGC (Animation, Visual Effects, Gaming & Comics) industry hub and technology capital of the country. The policy offers various incentives such as stamp duty exemption for IT & ITeS units, electricity duty exemption for data centers and additional floor space index for IT parks. The policy allows IT & ITeS units, integrated information technology townships and data centers to set up in any zones, including residential and no-development/green development zones declared by the State. Additionally, IT & ITeS units are granted essential services status and the policy gives dedicated incentives for emerging technology companies, customized skill development incentives to boost talent development & employability of IT workforce and fiscal support for R&D activities in IT, market development, certification & patents to encourage research activities and commercialization of technology products.

8.22.1 **IT Parks:** Maharashtra Industrial Development Corporation (MIDC), City & Industrial Development Corporation (CIDCO) and Software Technology Parks of India (STPI) have developed public IT parks in the State. In all 37 public IT parks with an investment of about ₹ 18,000 crore and about 2.7 lakh employment are functioning in the State upto December, 2024.

8.22.2 Participation of private sector has been promoted for creating world class infrastructure for IT industry. Since inception of IT and ITeS policy in all 628 private IT parks located in Pune (220), Mumbai city & Mumbai suburban (196), Thane (196), Nagpur (5), Nashik (5), Chhatrapati Sambhajnagar (4), Wardha (1) and Raigad (1) districts have been approved upto end of December, 2024. The software export in the State is ₹ 7,47,075 crore and investment of ₹ 66,718 crore upto March, 2024 with employment generation of about 23.65 lakh.

8.22.3 Software Technology Parks of India (STPI) is an autonomous body established by GoI to promote the development and export of software & software services. In terms of software exports made by registered units through STPI, the State contributes about 20 per cent share of All-India software exports and ranks second after Karnataka. Software exports made by registered units through STPI from the State is given in Table 8.11.

Table 8.11 Software Exports made by registered units through STPI from the State

(₹ Crore)	
Year	Software Exports
2015-16	64,063.6

Mining

8.23 The total potential mineral area in the State is about 58 thousand sq km, which is about 19 per cent of the total geographical area of the State. Of the total area with potential mineral reserves, 60 percent is in the Nagpur division (Bhandara, Chandrapur, Gadchiroli, Nagpur, Gondia), 10 percent is in the Amaravati division (Yavatmal), 20 percent is in Konkan division (Raigad, Ratnagiri & Sindhudurg), 5 per cent in Chhatrapati Sambhajnagar division, 3 per cent is in Pune division (Kolhapur) and 2 per cent in Nashik division.

8.23.1 As on 31st March, 2024, in all 193 major mineral mines were functional in the State with employment of 50,051 therein. The total value of minerals extracted during 2023-24 was ₹ 22,724 crore whereas the total value of minerals extracted during 2024-25 upto September was ₹ 11,585 crore. During 2023-24, the production of coal was highest among all the minerals followed by limestone. During 2023-24, about 692.82 lakh MT coal worth ₹ 16,537 crore was extracted (about 73 per cent of total value of minerals extracted). The minerals production in the State is given in Annexure 8.1.

Graph 8.3 : Share of major minerals in total Minerals production during 2023-24 in the State

Textile

8.24 Textile sector is a significant contributor to the employment and economy of the State. The substantial production of cotton, yarn, non-traditional silk, tassar & mulberry silk, wool and non-conventional yarn from bamboo, banana, *ghaypat*, *ambadi* & coir in the State provides strong base for textile industry. Additionally, the traditional textile sector of the State consisting of renowned products like paithani, narayan peth sariees, himroo shawls, warli textile, etc. are highly appreciated in the markets.

8.24.1 **Textile mills:** There are in all 225 spinning & composite textile mills in the State with installed capacity of 48.82 lakh spindles and 43,863 rotors upto December, 2024.

8.24.2 **Technology Upgradation Fund Scheme (TUFS):** TUFS was introduced by GoI in 1999 to facilitate the textile industry with new and appropriate technologies for making the textile industry globally competitive. Under the State Textile Policy, 2011-17 & 2018-23 in all 5,094 textile projects have been linked with TUFS for interest subsidy on long term loans. Of these projects, during 2023-24 interest & capital subsidy of ₹ 802.50 crore was given to 2,695 projects and during 2024-25 upto December, ₹ 147.73 crore was given to 40 projects in the State.

8.24.3 **Textile Parks:** Textile parks provide a platform to many small and medium textile industries to flourish their businesses. There are 12 Textile Parks in the State at Hinghanghat (Wardha), Basmat (Hingoli), Latur (Latur), Shirpur, Dhule & Degaon (Dhule), Bhivandi (Thane), Baramati (Pune), Islampur (Sangli) and Ichalkaranji-(4) (Kolhapur). In all, there are 889 units functioning in these textile parks with total employment of 44,092 upto December, 2024.

8.25 **Integrated and Sustainable Textile Policy 2023-2028:** The policy of the State envisage evolving the textile industry in the State through integrating the whole textile value chain and create an enabling environment for sustained growth of all sub-sectors in the textile industry. The policy announces sub-sector wise incentives to MSME, large, mega and ultra mega enterprises such as capital and electricity subsidy for the private sector and share capital & electricity subsidy for co-operative sector. It covers various measures for development of handloom sector, wool, sericulture and traditional textile sectors and promotes green & sustainable textile production.

Tourism

8.26 **Maharashtra Tourism Policy 2024:** The policy focuses on transforming Maharashtra into a preferred, sustainable, globally recognised tourist destination while leveraging its cultural and natural diversity and promoting sustainability, inclusivity and economic growth. The policy targets to attract investments worth ₹1,00,000 crores in the tourism sector over 10 years, double the tourist inflow within the same period and create 18 lakh direct and indirect jobs. Various fiscal incentives like capital investment subsidies, SGST reimbursements, interest subvention, electricity duty exemptions & specific incentives for women entrepreneurs, SC/ST groups and differently-abled individuals and non-fiscal incentives like simplified land conversion processes, single window clearances, etc. will be provided under the policy. The initiatives under the policy are :

Strategic Focus Areas of Tourism Policy:

- Rural tourism, agro-tourism, eco-tourism, wellness tourism, adventure tourism and caravan tourism development
- Focus on special zones like the Mumbai Metropolitan Region (MMR) for cruise tourism, cultural tourism, and MICE (Meetings, Incentives, Conferences and Exhibitions) development
- Digital and Brand Marketing through leveraging digital campaigns, influencer partnerships and events to market Maharashtra globally
- Encouraging green practices such as renewable energy, waste management and reducing plastic usage at tourist sites for sustainability

- Cruise and River Tourism: Utilising the State's coastline and rivers to attract domestic and international tourists
- Rural Tourism Promotion: Competitions to recognise villages promoting cultural and natural heritage while boosting rural economies
- Maharashtra Special Destination Development Program: Focused on developing 50 unique destinations
- Tourism Mitra Program: Deploying task forces for safe and responsible tourism at key destinations

8.27 Tourism Policy of the State designates tourism as priority sector as this sector holds the potential to accelerate economic development and generate high employment with comparatively low inputs. Industry status has also been given to this hospitality sector. Various schemes are being implemented for promotion & publicity to boost tourism in the State and to strengthen the tourism sector. The State has come up with policies for sectors like agro-tourism, beach shack, caravan tourism and adventure tourism. Details of initiatives/policies for tourism sector are given in Table 8.12.

Table 8.12 Details of Initiatives/Policies for Tourism Sector

Initiative/ Policy	Objective, coverage of the Initiative/Policy	No. of applications Sanctioned ⁺
Single Window Clearance for hospitality sector	Promoting ease of doing business for hospitality sector by reducing the number of permissions/approvals from 70 to 10	206
Agro-tourism Policy	Rural development through agro-tourism, ensuring market to agricultural produce, encouraging agriculture related business and providing employment to women & youth, etc.	833
Adventure Tourism Policy	Covers more than 25 adventure activities like trekking, paragliding, water rappelling, river rafting, biking, rock climbing, scuba diving, etc.	584
Caravan Tourism Policy	To develop tourism in offbeat destinations like remote places, reserved sites where any permanent construction is prohibited and some of the peculiar places of sea shores, historical forts, mountain ranges etc. not having adequate stay arrangements	8
Beach Shack Policy	Setting up of temporary eco-friendly and Coastal Regulation Zone compliant beach shacks, deck beds, umbrellas and common beach facility centers along the Konkan coast. (Kelwe, Boardi, Diveagar, Varsoli, Aare Ware, Guhagar Kunkeshwar and Tarkarli are selected for pilot projects)	--
'Aai' Women Oriented Tourism Policy	For the empowerment of women in the State, this policy has been announced by GoM in July, 2023. Under this policy reimbursement of interest (within the limit of 12 per cent) upto ₹ 4.50 lakh or for the period of 7 years whichever is earlier will be given to women entrepreneurs in tourism business on their loans upto ₹ 15 lakh from authorised banks.	432

+ upto December, 2024

8.28 Maharashtra has significant tourism potential for attracting domestic and foreign tourists. The State offers wide range of experience to tourists, from scenic hill stations, beautiful beaches, nature & wildlife sanctuaries, forts, natural caves, UNESCO heritage sites & historical monuments, museums to pilgrimage sites & places of worship. The State has always attracted domestic and foreign tourists. According to 'India Tourism Statistics, 2023' report, the State ranked sixth in domestic tourist visits and second in foreign tourist visits during 2022. State wise number of tourist visits is given in Table 8.13.

8.28.1 As per India Tourism Statistics 2023 report, in India, there were 1,716 approved hotels with 1,07,795 hotel rooms as on 30th June, 2023. Maharashtra ranks first in terms of hotel rooms (16,557) followed by Kerala (15,093) and ranks second in terms of number of recognised travel trade service provider (117) after Delhi (512) in India as on 30th June, 2023. During 2022, Mumbai Airport has registered second highest number of Foreign Tourists Arrivals (17.8 per cent) after Delhi Airport (37.7 per cent). Number of visitors to centrally protected & ticketed Archaeological Survey of India monuments in the State during 2020-21 to 2022-23 are given in Table 8.14.

Table 8.13 Statewise number of tourist visits

8.29 Maharashtra Tourism Development Corporation (MTDC): MTDC manages well-established resorts and restaurants across the State. In all 34 resorts, one *kalagram* and one boat club are established at scenic locations and the tourists are given services with warm hospitality & by serving delicious local cuisine in the restaurants. MTDC also offers heritage walks, adventure activities, and aquatic sports along with interesting tour packages giving opportunities to the tourists to explore the riches of the State.

8.29.1 *Niwas Nyahari Yojana* of MTDC aims to promote tourism and provide homestay facilities to tourists while generating employment opportunities for local residents. *Mahabhraman yojana* aims to provide an immersive cultural experience to tourists, showcasing the State's rich heritage and traditions through guided tours organised by enterprenurs registered under this scheme. Upto December, 2024, there were 1,414 *Niwas Nyahari* entrepreneurs and 56 *Mahabhraman* entrepreneurs in the State.

8.29.2 MTDC has developed Indian Institute of Scuba Diving and Aquatic Sports (IISDA) at Tarkarli in Sindhudurg district which is first in India. This institute has been empanelled by Maharashtra Maritime Board for scuba diving and water sports training.

8.29.3 MTDC has developed Koyna Jalparyatan Kendra at Munawale in Satara district which is one of the biggest freshwater tourism center in the country. This centre has been opened for tourists from March, 2024.

Annual Survey of Industries

8.30 The Annual Survey of Industries (ASI) is the principal source of Industrial Statistics and plays a key role in assessing the changes in the growth and structure of the registered units in the manufacturing sector. The estimates of various aggregates like input, fixed & working capital, employment, output, value added, etc. pertaining to registered manufacturing sector are available from this survey. ASI covers factories registered u/s 2m (i) and 2m (ii) of the 'Factories Act, 1948' and Beedi & Cigar units registered under the 'Beedi & Cigar Workers (Conditions of Employment) Act, 1966'.

- As per ASI 2022-23 results, the State has retained its first position by virtue of its contribution to net value added (16.7 per cent), gross value added (16.3 per cent), working capital (14.7 per cent) and total emoluments (17.5 per cent)
- In terms of contribution to net value added, the State is followed by Gujarat (14.5 per cent), Tamil Nadu (10.3 per cent), Karnataka (7.1 per cent) and Uttar Pradesh (6.1 per cent)
- In terms of total emoluments, the State is followed by Tamil Nadu (13.0 per cent), Gujarat (12.9 per cent), Karnataka (7.7 per cent) and Uttar Pradesh (7.5 per cent)

8.30.1 Principal characteristics of industries based on ASI are given in Table 8.15 and selected structural ratios based on ASI are given in Table 8.16.

Index of Industrial Production

8.31 All-India Index of Industrial Production (IIP) measures changes in level of production and is free from influential impacts of price changes. This indicator tracks manufacturing activities in various sectors of the economy and is of immense importance to the government for framing policies. It is being used by various organisations as well. All-India IIP is compiled by National Statistical

Office, GoI on monthly basis. Groupwise and use-based category wise All-India IIP is given in Table 8.17. Series of IIP at All-India is given in Annexure 8.3.

Table 8.17 Groupwise and use-based categorywise All-India IIP

Item	Weight	Average IIP (April-December)		
		2023-24	2024-25 ⁺⁺	Per cent change

CO-OPERATION

8.32 The Co-operative movement traces its origin to agriculture & allied activities and was originally evolved as mechanism for pooling people's meager resources with a view to provide them advantages of economies of scales. Subsequently co-operatives have entered into various spheres of socio-economic activities viz. production, marketing, credit & banking, processing, consumer, dairying, storage, housing, farming, fishing, etc. The co-operative movement in the State is the largest ever community-led socio-economic development effort in the country. The overarching vision and mission of cooperatives in Maharashtra is to strengthen the movement by developing economically sound and independent institutions.

8.33 Co-operative societies are registered under 'The Maharashtra Co-operative Societies Act, 1960'. As on 31st March, 2024 there were about 2.22 lakh co-operative societies in the State of which, about 57 per cent were co-operative housing societies. Information about co-operative societies is given in Table 8.18 and details of co-operative societies in the State are given in Annexure 8.4.

8.36 In order to strengthen PACS, GoI is implementing the project 'Computerisation of Primary Agricultural Credit Co-operative Societies'. Under this project, 12,000 working PACS in the State are to be computerised during 2022-23 to 2024-25, of which 6,704 has been computerised till December, 2024. As on December, 2024 total expenditure of ₹ 126.89 crore has been incurred under this project.

Agro-processing Co-operative Societies

8.37 GoM provides financial assistance to co-operative societies for setting up agro-processing units. These units comprises of sugar factories, cotton ginning & pressing societies, spinning mills, handloom & powerloom, dairy, fisheries, rice mills, oil mills and other processing units. As on 31st March, 2024 there were 25,502 agro-processing co-operative societies having about 66 lakh members.

8.38.1 As on 31st March, 2024 there were 172 registered co-operative sugar factories in the State. Information of co-operative sugar factories is given in Table 8.21.

Infrastructure

9. INFRASTRUCTURE

9.1 Quality infrastructure accelerates socio-economic development. Maharashtra has a well-developed infrastructure that supports the State to become one of the most industrialised and economically significant states in the country. State's robust energy infrastructure is a mix of thermal, hydro and renewable energy sources and its transportation infrastructure mainly includes vast road & rail network, major ports and key airports, ensuring seamless connectivity.

ENERGY

9.2 The energy sector is a key element for economic growth, industrial development and social well-being. Maharashtra, being one of the most industrialised and populous state, plays a crucial role in the country's energy sector. The State's energy infrastructure supports its industrial and commercial sectors. Maharashtra is the largest consumer of electricity in India and has a well-developed electricity generation and distribution system. The State has relied heavily on thermal power plants for electricity generation. With a growing emphasis on renewable energy to address environmental concerns and meet the increasing demand for energy in a sustainable manner, there has been a notable shift in recent period towards diversifying energy sources in the State.

Installed capacity of Electricity

9.3 In the State as on 31st March, 2024, total installed capacity of electricity generation through conventional & non-conventional sources was 38,601 MW of which share of private sector was 60.8 per cent, that of public sector was 34.1 per cent and of public-private partnership (PPP) (Ratnagiri Gas Power Project Ltd.) was 5.1 per cent. Electricity generated mainly through thermal sources is contributing about 52.8 per cent in installed capacity of the State. The sourcewise installed capacity is given in Table 9.1.

Table 9.1 Sourcewise installed capacity

Source	As on 31 st March			As on 31 st December, 2024	Per cent change in 2024 over 2023
	2022	2023	2024

9.3.1 Capacity addition of 660 MW project of MAHAGENCO at Bhusawal thermal power station is commissioned in January, 2025 and commercial operational date is expected in February, 2025. Process of acquiring statutory clearances is in progress for Koradi thermal power station project having capacity of 1,320 MW.

- Total installed capacity in the State increased from 31,291 MW in 2014-15 to 38,601 MW in 2023-24 with compound annual growth rate (CAGR) of 2.4 per cent.
- Installed capacity through thermal sources is highest with average share of 57.8 per cent over the period.

Graph 9.2 : Installed capacity and share of thermal and renewable energy in the State (as on 31st March)

Electricity generation

9.4 During 2024-25, upto December total electricity generated in the State was 1,04,274 Million Units (MU). The total electricity generated in the State was 1,43,746 MU during 2023-24. The share of private, public and public-private partnership in total electricity generation in the State during 2023-24 was 56.4 per cent, 42.7 per cent and 0.9 per cent respectively.

9.4.1 In total electricity generated during 2023-24, share of electricity generated through thermal, renewable and other sources was 76.8 per cent, 16.8 per cent and 6.4 per cent respectively. Sourcewise electricity generated is given in Table 9.2.

- Electricity generated in the State increased from 1,03,779 MU in 2014-15 to 1,43,746 MU in 2023-24 with CAGR of 3.7 per cent.
- Share of energy generated through renewable energy sources in total energy generated in the State has increased from 8.1 per cent to 16.8 per cent during this period with CAGR of 12.4 per cent.

Electricity consumption

9.6 During 2024-25, upto September total electricity consumption in the State, was 81,640 MU. Aggregate consumption of electricity in the State during 2023-24 was 1,62,054 MU. The consumption of electricity in the State was highest for industrial sector (38.7 per cent) followed by agriculture sector (25.3 per cent) and domestic (21.6 per cent). Sectorwise electricity consumption in the State is given in Table 9.4. Per capita ultimate consumption of electricity is given in Table 9.5. Installed capacity, generation & consumption of electricity in the State is given in Annexure 9.1.

Table 9.4 Sectorwise electricity consumption

Sector	2021-22	2022-23	2023-24	2024-25 ⁺	(MU)

+ upto December

Transmission and Distribution network infrastructure

9.8 Improvement in Transmission and Distribution (T & D) network infrastructure is an ongoing process which involves measures such as modernisation of Extra High Voltage (EHV) sub-stations, replacement of faulty meters, load reduction on overloaded high tension (HT) & low tension (LT) circuits by providing additional transformers, erection & commissioning of new sub-stations and anti-theft drive.

9.8.1 The transmission capacity of MAHATRANSCO was about 1,38,598 Mega Volt Ampere (MVA) with the network of 51,518 circuit km transmission lines and 742 sub-stations by the end of March, 2024. Transmission capacity has been enhanced to 1,40,163 MVA with the network of 51,868 circuit km transmission lines and 750 sub-stations by the end of December, 2024. The transmission losses of MAHATRANSCO for 2022-23 & 2023-24 were 3.26 per cent & 3.27 per cent respectively, whereas for 2024-25 upto November, it was 3.37 per cent.

Graph 9.7: Transmission capacity of MAHATRANSCO

9.8.2 Distribution network of MAHADISCOM is all over Maharashtra except Mumbai city. BEST has distribution network in Mumbai city. In addition to MAHADISCOM, Tata Power Co. Ltd. and Adani Electricity Mumbai Ltd. have distribution network in Mumbai suburban. The details of distribution network in the State is given in Table 9.7.

Table 9.7 Details of Distribution network in the State

(upto March, 2024)

[#] Losses for 2024-25 as approved by MERC

+ upto September

Source: MAHADISCOM, BEST, Adani Electricity Mumbai Ltd., Tata Power Co. Ltd.

9.8.4 **Revamped Distribution Sector Scheme:** GoI has launched Reforms Based and Result Linked Revamped Distribution Sector Scheme (RDSS) in 2021 to minimize the Aggregate Technical & Commercial (AT & C) losses and Average Cost of Supply-Average Revenue Realised (ACS-ARR) gap. Under the scheme, 60 per cent of the project cost will be provided to distribution companies for up-gradation of the distribution infrastructure, prepaid smart metering and other supporting activities by March, 2026. The scheme is being implemented through MAHADISCOM and BEST in the State. Under the scheme, smart metering of 2.37 crore non-agricultural consumers, 4.07 lakh non-agricultural distribution transformers and 27,826 feeders through MAHADISCOM is proposed by MAHADISCOM. In order to minimise AT & C losses and reduce ACS-ARR gap, installation of 1,376 transformers and metering of 3,485 km line is completed by November, 2024.

Regulatory measures and electricity tariffs

9.9 'The Electricity Act, 2003' has mandated the Maharashtra Electricity Regulatory Commission (MERC) to take measures to rationalise the electricity tariff under electricity price regulation, economic management and reforms of the power sector. MERC has notified 'Multi Year Tariff Regulation, 2019' for the period from April, 2020 to March, 2025 for determining the category wise tariffs for distribution companies for each year. Average tariffs of electricity during 2024-25 are given in Table 9.9.

Table 9.9 Average tariffs of electricity during 2024-25

Renewable energy

9.10 Being one of the urbanised, populated and industrialised State, demands for energy is ever increasing in the State. To increase share of renewable energy substantially by 2030, it has become necessary to use renewable energy sources as an alternative to existing conventional sources for electricity generation. Wind, solar, hydro, biomass, biogas, sea waves, geo-thermal, etc. are clean and eco-friendly renewable energy sources. Maharashtra Energy Development Agency (MEDA) is the designated agency to co-ordinate, regulate and enforce the provisions of the 'Energy Conservation Act, 2001'.

- Total installed capacity of renewable energy in the State increased from 6,717 MW in 2014-15 to 12,355 MW in 2023-24 with CAGR of 7.0 per cent.
- Share of installed capacity of solar energy has increased from 4.9 per cent to 31.7 per cent during this period with CAGR of 31.7 per cent.

9.10.1 Share of renewable energy in total installed capacity of the State for the year 2023-24 is 32.0 per cent. The State ranks fifth in India after Rajasthan, Gujarat, Tamil Nadu and Karnataka in terms of installed capacity of renewable energy. Potential and installed capacity of renewable energy in the State is given in Table 9.10.

Table 9.10 Potential and installed capacity of renewable energy in the State

Source	Potential capacity	Installed capacity			
		As on 31 st March			31 st December,
		2022	2023	2024	2024

projects (less than 25 MW capacity) installed by Irrigation Department, GoM

9.11 Renewable Purchase Obligation & Renewable Energy Certificates Mechanism: Renewable Purchase Obligation (RPO) is the obligation mandated by MERC to purchase specified minimum percentage of renewable energy out of the total consumption by the obligated entity (the distribution companies, grid connected captive generating plants and open access consumers).

9.11.1 Renewable Energy Certificate (REC) is a market based instrument to promote renewable energy and to address the mismatch between available renewable energy sources and the requirement of the obligated entities to meet their RPO. MEDA is the State agency for RPO, its compliance and implementation of REC framework. As per 'RPO-REC Regulation-2019' of MERC, obligated entity had to purchase minimum 10.5 per cent solar and 11.5 per cent other renewable energy during 2023-24 out of the total conventional consumption by them. RPO achievements are given in Table 9.11.

Table 9.11 RPO achievements

Distribution Company	(per cent)					
	Solar Energy			Other Renewable Energy

Policies regarding renewable energy

9.12 The State government has implemented several policies to promote renewable energy as part of its commitment to sustainable energy and reducing carbon emissions. Some of the policies are as below:

- **Unconventional Energy Generation Policy, 2020** - The state has adopted a policy for electricity generation from new and renewable energy sources, covering both transmission-linked and non-transmission projects. The goal of the policy is to establish environment friendly electricity generation projects with a capacity of 17,360 MW.
- **Maharashtra Green Hydrogen Policy, 2023** - The Green Hydrogen Policy aims to create a production capacity of at least 500 kilotonnes of green hydrogen per year in the State by 2030 and make the State a leader in green hydrogen and its related products, promote decarbonisation in industries, increase energy security and promote exports in the green hydrogen sector.

Schemes for energisation

9.13 In all 48.69 lakh agricultural pumps were energised in the State upto 31st March, 2024. During 2024-25, upto November in all 1,12,860 agriculture pumps were energised. Various schemes are being implemented in the state regarding energisation in agriculture sector and domestic electrifications. Details of various schemes are given in Table 9.12.

Table 9.12 Details of various schemes for energisation

(Since inception upto December, 2024)

Scheme	Objective of the Scheme	Scheme inception	Particulars	Achievement
Schemes for energisation in agriculture sector				
<i>Pradhan Mantri Kisan Urja Suraksha evam Utthan Mahabhiyan (PM KUSUM)</i>	Installation of grid connected solar power plants & solar agricultural pump and non-grid solar agricultural pumps in the State	July, 2019	No. of solar pumps installed	1,34,319
<i>Mukhyamantri Saur Krishi Vahini Yojana</i>	Provide electricity to farmers during day time by installing solar projects in decentralized manner at or nearby MAHADISCOM's sub-station	June, 2017	Installed capacity of solar energy (Megawatt)	548 [#]
High Voltage Distribution System Scheme	Provide connections to agriculture pumps that have paid the necessary fees and pending for connection as on 31 st March, 2018	May, 2018	No. of connections provided	1,38,830 [#]
Domestic electrification schemes				
<i>Pradhan Mantri Surya ghar muft bijli yojana</i>	Provide electricity to one crore households by installation of rooftop solar panels upto 3KW with subsidy	February, 2024	Installed capacity (Megawatt)	69,690
Rooftop Solar Programme	Installation of rooftop solar system for consumers in all sectors	February, 2016	Installed capacity of rooftop solar system (Megawatt)	2,028 [#]
Schemes under Unconventional Energy Generation Policy, 2020				
Decentralized Micro Grid Project	To establish decentralised micro grid project for providing sustainable and uninterrupted electricity supply through solar or other renewable energy to households in villages/ padas of remote areas that cannot be electrified by conventional means	December, 2020	Installed capacity of decentralised micro grid project (Kilowatt)	91.2
Solar based cold storage	Establishment of 800 solar energy based cold storage of capacity 4 kw each per year for storage of agriculture produce	December, 2020	No. of cold storage established	22
Rural Electrification Programme	Electrify households with solar lamps and fan in remote villages which are not electrified through conventional energy sources by government and areas where MAHADISCOM is unable to electrify the house in next five years	December, 2020	No. of household electrified (Target to electrify 10,000 Households each year)	7,977

Source: MAHADISCOM, Maharashtra Energy Development Authority

upto March, 2024

9.13.1 **Continuous Electricity Scheme:** GoM has introduced Continuous electricity scheme in March, 2024 for immediate replacement of over 15 year old and faulty transformers to provide uninterrupted and quality electricity supply to consumers.

9.13.2 **Mukhyamantri baliraja mofat vij yojana 2024:** GoM has introduced the *Mukhyamantri baliraja mofat vij yojana - 2024* to provide free electricity to agricultural pump users up to 7.5 HP. The scheme is being implemented for a period of five years, from April, 2024 to March, 2029.

9.13.3 **Mukhyamantri Saur Krishi Vahini Yojana 2.0:** GoM has launched *Mukhyamantri Saur Krishi Vahini Yojana 2.0* to make the *Mukhyamantri Saur Krishi Vahini Yojana* more efficient and streamlined, solarise atleast 30 per cent of agriculture channel in the State by 2025 and create at least 7,000 MW of solar power capacity to provide uninterrupted and sustainable electricity supply to farmers during the day.

9.13.4 **Various measures for renewable energy:** The information of various measures for renewable energy are given in Table 9.13.

Table 9.13 Information of various measures to promote renewable energy

9.16 **Pradhan Mantri Ujjwala Yojana (PMUY):** GoI has launched this scheme for providing LPG connections to five crore women belonging to BPL families over a period of three years starting from 2016-17. Upto December, 2024 in all 52.2 lakh LPG connections have been provided in the State out of which 44.1 lakh LPG connections have been provided under this scheme. GoI has launched *Ujjwala 2.0* on 10th August, 2021. The scheme aims to provide deposit-free LPG connections to low-income families who could not be covered under the earlier phase of PMUY. Under *Ujjwala 2.0*, along with a deposit free LPG connection, first refill and hotplate is provided free of cost to the beneficiaries. Under *Ujjwala 2.0*, upto December, 2024 in all about eight lakh LPG connections have been provided in the State.

TRANSPORT AND COMMUNICATION

9.17 An accessible and affordable transport and communication system is essential for seamless connectivity & sustainable economic growth. The transport system comprises of roads, railways, waterways and airways, whereas communication system consists major connectivity through postal services, telephones, cellphones, internet services, etc. Innovations and inventions in the field of transport and communication lead to better service delivery and wider market accessibility in the State.

Surface transport

9.18 **Road network:** The road network consists of highways, district roads, village roads and internal city roads. The total road length maintained by National Highway Authority of India (NHAI), Public Works Department (PWD) and Zilla Parishad (ZP) (excluding road length maintained by other agencies) at the end of March, 2024 was 3.28 lakh km. Road length by type of roads in the State maintained by NHAI, PWD and ZP is given in Table 9.18 and its time series is given in Annexure 9.2. Classification of districtwise road length according to breadth is given in Annexure 9.3.

Table 9.18 Road length by type of roads in the State (maintained by NHAI, PWD and ZP)

(As on 31st March)

Year	Road length (km)						Total
	National highways	Major state highways	State highways	Major district roads	Other district roads	Village roads	
2020-21	18,089	2,900	29,388	68,350	46,408	1,57,980	3,23,115
2021-22	18,366	2,622	29,265	68,535	45,371	1,59,714	3,23,873
2022-23	18,366	2,716	30,465	71,574	43,229	1,59,139	3,25,489
2023-24*	18,366	2,692	30,922	74,178	43,229 [#]	1,59,139 [#]	3,28,526

Road length upto March 2023

* Provisional

Source: Public Works Department, GoM

9.18.1 Road length maintained by forest department at the end of March, 2024 was 15,760.68 km.

9.19 **Central Road Fund Scheme:** GoI is implementing Central Road Fund (CRF) scheme since 2001-02 for the development & maintenance of national highways, state roads (roads of interstate connectivity & economic importance), rural roads and construction of roads either under or over the railways by means of a bridge & erect suitable safety works at unmanned rail-road level crossings. A total of 1,562 works are sanctioned under CRF scheme in the State and upto March, 2024 about 75 per cent work is completed.

9.20 **Pradhan Mantri Gram Sadak Yojana:** The objective of *Pradhan Mantri Gram Sadak Yojana* (PMGSY), launched by GoI in 2000, was to provide all-weather road connectivity to the unconnected habitations in the rural areas with a population of 500 & above (250 & above for tribal areas). The objective of PMGSY-II, started in 2013 was to upgrade existing selected rural roads based on their economic potential and their role in facilitating the growth of rural market centres. The objective of PMGSY- III, started in 2019 is to upgrade roads connecting secondary schools, health centres and market committee centres. Under PMGSY in all 1,822 habitations were connected upto December, 2024. Road length constructed and upgraded under PMGSY is given in Table 9.19.

Table 9.19 Road length constructed and upgraded under PMGSY

(Upto December, 2024)

Phase	Road length sanctioned (km)	Road length completed (km)	Expenditure (₹ Crore)
I	24,210.87	24,167.80	7,241.21
II	2,585.91	2,585.91	1,437.32
III	6,459.03	3,012.42	2,651.21
Total	32,255.81	29,766.13	11,329.74

9.21 **Mukhya Mantri Gram Sadak Yojana:** This scheme is being implemented in the State since 2015-16 for connecting unconnected habitations and upgrading existing rural roads which are not covered under PMGSY. For upgrading other district roads & rural roads *Mukhya Mantri Gram Sadak Yojana* phase-2 is being implemented since 2021-22 in the State. Road length constructed and upgraded under *Mukhya Mantri Gram Sadak Yojana* is given in Table 9.20.

Table 9.20 Road length constructed and upgraded under Mukhya Mantri Gram Sadak Yojana

(Upto December, 2024)

Phase	Road length sanctioned (km)	Road length completed (km)	Expenditure (₹ Crore)
I	30,922	29,520	20,180.00
II	9,995	1,120	1,833.00

9.22 **Bharatmala Pariyojana:** This is an ambitious infrastructure programme being implemented by GoI from 2015. The programme aims at optimising the efficiency of freight and passenger movement across the country by bridging critical infrastructure gaps through development of Economic Corridors, Inter-State Corridors, Feeder Routes, National Corridor, Border & International connectivity roads, Coastal & Port connectivity roads and Green Field Expressways. Under this programme 40 projects, worth ₹ 46,752 crore, are under implementation in the State. *Sant Tukaram Palkhi Marg*, *Sant Dnyaneshwar Palkhi Marg*, *Vadodara-Mumbai Expressway* are included in this programme.

9.23 **Projects of Maharashtra State Road Development Corporation (MSRDC):** This corporation is established for development of roads & allied infrastructure in the State mainly through private participation and deals with road projects, flyover projects, toll collection rights, etc. Most of the project undertaken by MSRDC are on Build, Operate and Transfer (BOT) basis. Status of ongoing projects of MSRDC are given in Table 9.21.

Table 9.21 Status of ongoing projects of MSRDC

9.23.1 **Hindu Hrudaysamrat Balasaheb Thackeray Maharashtra Samruddhi Mahamarg:** An eight lane expressway (701 km long and 120 m wide) connecting Mumbai to Nagpur, passes through 10 districts, 26 talukas and 392 villages thereby connecting 24 districts. Development of 24 *Krusha Samruddhi Kendra* is proposed at the crossing points of state and national highways. This corridor connects industrial places (Butibori, Wardha, Amravati, Jalna, Chikalthana, Shendra, Waluj and Sinnar), tourist & pilgrimage places (Sewagram, Karanja (Lad), Lonar, Sindkhedraja, Ellora and Shirdi). Upto December, 2024 about 99 per cent work is completed and expenditure incurred is ₹ 64,755 crore. Out of total road length Nagpur to Igatpuri (about 625 km) is opened to traffic. Remaining road length about 76 km will be expected by February, 2025.

9.24 **Projects of Mumbai Metropolitan Region Development Authority:** Mumbai Metropolitan Region (MMR) comprises of entire area of Mumbai City, Mumbai Suburban and parts of Thane, Raigad & Palghar districts. MMR covers 6,328 sq km area under nine Municipal Corporations, nine Municipal Councils, one Nagar Panchayat, 44 Census Towns & about 1,425 villages. Mumbai Metropolitan Region Development Authority (MMRDA) has undertaken various infrastructure projects in MMR. Status of on-going transport projects by MMRDA is given in Table 9.22.

Table 9.22 Status of on-going transport projects by MMRDA

(As on 30th November, 2024)

Name of project	Commence- ment year	Cost of project (₹ Crore)	Expenditure incurred (₹ Crore)	Expected year of completion	Current status

9.25 Mumbai Coastal Road Project (South): The Mumbai Coastal Road of length 10.58 km from Princess Street flyover to Worli end of Bandra Worli Sea Link with three interchanges, by Municipal Corporation of Greater Mumbai is in progress. The total estimated cost of the project is ₹ 13,983.83 crore. Upto January, 2025, about 95 per cent work is completed and expenditure of ₹ 12,212 crore was incurred. The southbound traffic lane from Bandra Worli Sea Link to Princess street flyover and the northbound traffic lane from Marine Drive to Bandra Worli Sea Link is opened to traffic from January, 2025.

Public passenger road transport facility

9.26 Maharashtra State Road Transport Corporation (MSRTC): This corporation provides passenger services within the State and adjoining states. Percentage of villages covered and population served by MSRTC bus service is given in Table 9.23 and the transport statistics is given in Table 9.24.

Table 9.23 Percentage of villages covered and population served by MSRTC bus service

9.26.3 **Mahila Sanman Yojana:** This scheme is being implemented by GoM since March, 2023 for women passengers travelling by buses of MSRTC within the State. Under this scheme 50 per cent concession in bus fare (excluding city transport) is given to women passengers. Since inception upto December, 2024, MSRTC received reimbursement amount of ₹ 3,110.21 crore under this scheme.

9.26.4 **Freight transport by MSRTC:** MSRTC has commenced goods transport service from May, 2020 and made available 1,130 buses for goods transportation. At the end of March, 2024, about 19.08 Lakh MT and during 2024-25, upto December about 0.75 Lakh MT goods were transported by MSRTC.

9.27 **City public passenger road transport:** MSRTC provides local passenger transport facility in Ratnagiri city & Sangli-Miraj-Kupwad city Municipal Corporation where as *Brihanmumbai* Electricity Supply & Transport (BEST) in *Brihanmumbai*, *Pune Mahanagar Parivahan Mahamandal* Ltd (PMPML) in Pune Municipal Corporation & Pimpri-Chinchwad Municipal Corporation areas and in remaining 13 cities respective Municipal Corporations/ Councils provide transport facilities. City public passenger road transport statistics is given in Table 9.27.

Motor vehicles

9.28 The total number of motor vehicles on road in the State as on 1st January, 2025 is 4.88 crore showing an increase of about 5.9 per cent over the previous year. Total number of Battery Electric Vehicles (BEVs) registered in the State upto December, 2024 was 6,44,779. The number of vehicles per km road length (roads maintained by NHAI, PWD and ZP) in the State was 149 as on 1st January, 2025. Number of motor vehicles in the State is given in Table 9.28 and its time series is given in Annexure 9.4.

Table 9.28 Number of motor vehicles in the State

Category of vehicles	As on 1 st January					
	Maharashtra			Brihanmumbai		
	2024*	2025*	Per cent change	2024*	2025*	Per cent change

9.28.1 The driving licenses and registration certificates are issued online in the form of smart card through *SARATHI* & *VAHAN* application respectively. Upto December, 2024 the number of valid motor driving licenses in the State was 428.20 lakh, showing an increase of 2.2 per cent over the previous year. The number of learning licenses issued in the State during 2024-25, upto December was 26.59 lakh.

Road Safety

9.29 The number of accidents per ten thousand vehicles in the year 2024 was seven in the State. Plays and lectures based on theme of road safety are organised every year in the State for public awareness. Road safety week in the month of January is celebrated in the State to promote road safety measures. Road accident statistics in the State is given in Table 9.29.

Railway

9.30 Railway is the major public transport system. Passenger transport and freight transport are the two major segments of the railways. The railway route length including Konkan railway in the State as on 31st March, 2024 was 6,310.94 km, which is 9.1 per cent of the total railway route length of India (69,180.79 km). The status of on-going works of central railway in the State is given in Table 9.31.

Table 9.31 Status of on-going central railway works(As on 30th September, 2024)

Name of the route	Route length (km)	Total project cost (₹ Crore)	Physical progress (per cent)

9.30.1 During 2022-23 & 2023-24 cargo traffic handled by central railway was 760.53 lakh MT and 833.96 lakh MT respectively.

9.31 **Mumbai Suburban Railway:** This is the major mode of public transport in MMR. Two zonal railways, viz. western railway and central railway operate Mumbai suburban railway system. The Harbour line and Trans Harbour line are parts of the central railway. During 2023-24, everyday both suburban railways fleet of 233 local trains (12 AC local trains) were utilised to run 3,092 train services including 162 AC services, carrying on an average 73.8 lakh passengers per day.

9.31.1 Mumbai Railway Vikas Corporation Ltd. (MRVC) implements rail component of Mumbai Urban Transport Projects (MUTP). The status of on-going projects of MUTP II, III & III A is given in Table 9.32.

Table 9.32 Status of on-going projects of MUTP II, III & III A

(As on 31st December, 2024)

Name of project	Length of corridor (route kilometer)	Estimated cost (₹ Crore)	Expenditure incurred (₹ Crore)	Expected year of completion	Physical Progress (Per cent)

Metro Rail Projects

9.32 Metro Rail Project is designed to reduce traffic congestion on road and alternate to existing public transport in urban region. Metro rail projects are undertaken in Mumbai, Navi Mumbai, Pune & Nagpur cities to have a safe, reliable, efficient, affordable, commuter friendly and environmentally sustainable rapid public transport system. Details of operational metro rail in the State is given in table 9.34.

Table 9.34 Details of operational metro rail in the State

Name of metro rail	Route	Metro rail commissioned year	Length (km)	Average no. of passengers per day (lakh)

9.32.2 Nagpur metro rail project: Nagpur Metro rail project Phase II is sanctioned by GoI in December, 2022 consisting of an extension of two operational corridors of Phase-I. This project consists of 32 stations covering length of 43.80 km. The cost of project is ₹ 6,708 crore and work of this project is in progress.

9.32.3 Pune metro rail project: Northern extension corridor Pimpri Chinchwad to Nigdi (4.41 km elevated) of Pune Metro Rail Project is sanctioned by GoI in October, 2023 with project cost of ₹ 910.18 crore. Upto December, 2024 about 8 per cent work is completed. Southern extension corridor from Swargate to Katraj (5.46 km underground) is sanctioned by GoI in September, 2024 with project cost of ₹ 2,954.53 crore and work of this project is in progress.

Mumbai Ahmedabad High Speed Rail Project

9.33 Mumbai Ahmedabad High Speed Rail project has been sanctioned by GoI in December, 2015 with estimated project cost of ₹ 1.08 lakh crore. Under this project work of following three packages is in progress.

- Construction of underground high speed rail station at Bandra Kurla Complex
- Construction of about 21 km long tunnel partly passing under sea
- Construction of 135 km long high-speed rail viaduct, bridge and tunnel.

Water transport

9.34 Water transport is cheaper and environment friendly as compared to road and railway transport facilities. Maharashtra Maritime Development Policy, 2023 (MMDP 2023) is being implemented in the State from August, 2023.

9.34.1 **Major ports:** Two major ports viz. Mumbai Port and Jawaharlal Nehru Port are located in the State. During 2023-24, Mumbai Port and Jawaharlal Nehru Port handled 672.60 lakh MT and 858.18 lakh MT cargo traffic respectively. Transport statistics of major ports is given in Table 9.36.

Table 9.36 Transport statistics of major ports

Particulars	Mumbai Port		Jawaharlal Nehru Port	
	2022-23	2023-24	2022-23	2023-24
Total cargo capacity (lakh MT)	838.50	838.50	1,208.00	1,253.00
Cargo traffic handled (lakh MT)	636.08	672.60	838.61	858.18
<i>Of which</i> a) Import	458.51	490.26	465.32	508.71
b) Export	177.57	182.34	373.29	349.46
Passenger traffic handled ('000)	190.43	277.90	NA	NA
Vessels handled (no.)	7,401	7,519	3,273	3,498

Source: Mumbai Port trust & Jawaharlal Nehru Port trust

NA Not Applicable

9.34.2 **Non-major ports:** There are 48 non-major ports in the State with number of captive and multi-purpose jetties set-up within these ports, which also undertake cargo handling. The transport statistics of non-major ports is given in Table 9.37.

Table 9.37 Transport statistics of non-major ports

Particulars	2022-23	2023-24	2024-25 ⁺
Cargo traffic handled (lakh MT)	712.56	768.71	514.92
<i>Of which</i> a) Import	518.17	581.42	405.10

Source: Maharashtra Maritime Board

+ upto December

9.34.3 **Roll on – Roll off (ro-ro) services:** This services have been started at New *Bhaucha Dhakka* (Mumbai) - Mandwa (Raigad), Agardanda-Dighi in Raigad district and Bhayander (Thane)-Vasai (Palghar). Construction works of ro-ro jetties are in progress at Marve-Manori (Mumbai suburban), Gorai-Borivali (Mumbai suburban), *Bhaucha Dhakka* (Mumbai)-Kashid (Raigad), *Bhaucha Dhakka* (Mumbai)-Mora (Raigad) waterways. Belapur (Navi Mumbai)-Elephanta (Raigad) passenger service has started. Construction of Passenger Jetty at Malvan (Sindhudurg) is completed.

9.34.4 **Sagarmala programme:** Under this programme, projects have been identified across the areas of port modernisation & new port development, port connectivity, port led industrialisation and community development. Upto January, 2025 under this programme, 12 projects are completed in the State and expenditure of ₹ 246.31 crore was incurred.

9.34.5 **Marina:** Marina would help to decongest water areas by eliminating un-authorized/disordered anchorages. In the first phase infrastructure will be developed at Belapur in Navi Mumbai to facilitate anchoring of 30 boats. The yachts and speedboats anchored at Gateway of India can be parked safely at the Marina.

Air transport

9.35 There are 13 Domestic airports functioning in the State, of which six are International airports. Transport statistics of airports in the State is given in Table 9.38.

Table 9.38 Transport statistics of airports in the State

Neg Negligible

9.35.1 To reduce air-traffic congestion at *Chhatrapati Shivaji Maharaj* International Airport, an additional international airport is being developed in four phases at Navi Mumbai through Public Private Partnership. It will be one of the largest greenfield airports planned to handle 9 crore passengers and 25 lakh MT cargo per annum. This airport will have 1,160 ha area with two independent parallel runways for simultaneous operation. Phase I and II of this project with overall capacity of 2 crore passengers and 8 lakh MT cargo per annum is expected to be commission by May, 2025. Estimated cost for Phase I and II is ₹ 19,647 crore.

9.35.2 **Ude Desh Ka Aam Naagrik (UDAN):** Regional Connectivity Scheme (RCS) is a flagship programme of GoI, connecting unserved & underserved airports and catering to regional areas & hinterlands. UDAN- RCS aims to make flying affordable for public. Since inception upto September, 2024 about 40,000 flights have been operated and about 17 lakh passengers benefited through six RCS airports in the State.

Communication

9.36 Post, telephone, voice-video and data telecommunication are major components of the communication system. The operational statistics of postal services in the State is given in Table 9.39.

9.37 The total number of landline connections at the end of September, 2024 in the State was 53.99 lakh. The landline and cell phone connections per lakh population were 4,221 and 98,235 respectively. Landline and cell phone connections in the State is given in Table 9.40.

Table 9.39 Operational statistics of postal services in the State

+ upto September

Source: Telecom Regulatory Authority of India

9.38 The internet subscriber in the State at the end of September, 2024 was 11.06 crore.

9.39 A public Wi-Fi hotspot is an area where Wi-Fi enabled internet can be accessed. These areas are created in places such as malls, cafe, airports, stadiums, parks, etc. There are 17,552 public Wi-Fi hotspot and 38,717 access points in the State at the end of September, 2024.

Graph 9.12 : Internet subscriber in the State

9.40 **BharatNet** : Under BharatNet Phase-I, 15,379 Gram Panchayats have been connected by Optical Fiber Cable (OFC). BharatNet Phase-II (MahaNet-I) project is being implemented to provide high speed internet connectivity using OFC network in 26 districts, 153 talukas and about 12,513 gram panchayats covering about 56,067 km of the State. Upto January, 2025, in all 76 per cent project work is completed.

9.41 **Urban MahaNet**: Cost effective high speed broadband connectivity is being provided in the State through Urban MahaNet. Using this connectivity various offices of GoM including urban local bodies are providing e-Governance services such as G2C and G2G. Upto January, 2025, under this programme connectivity is provided in the State at 3,823 locations.

Social Sector

10. SOCIAL SECTOR

10.1 Social sector development refers to the policies, strategies and programmes aimed at improving the well-being of the population focusing on sectors like Education, Healthcare, Women & Child Development, Social Justice, Housing, Employment and Poverty alleviation. Social sector development ensures the benefits of development reaches to all the sections of the society, especially vulnerable and marginalised communities. Implementation of various schemes & programmes in this sector facilitates to distribute benefits and opportunities evenly and thereby helps in achieving sustainable development.

EDUCATION

10.2 Education is universally acknowledged as one of the key inputs contributing to the process of national and individual development. 'Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all' is one of the Sustainable Development Goals. Sustainable development can be achieved by providing universal access to quality education. The State has robust educational framework to cater inclusive and equitable quality education in the State.

National Education Policy 2020

10.3 The National Education Policy (NEP), 2020 aims to pave way for transformational reforms in school and higher education systems in the country to achieve the targets Stated in Sustainable Development Goal. The salient features of the policy are:

I. School education

- To universalise education from pre school to secondary level with 100 per cent Gross Enrollment Ratio (GER) in school education by 2030
- To replace current 10+2 system by new 5+3+3+4 curricular structure corresponding to age three to eight years (foundational stage in two parts, i.e three years of Anganwadi/pre-school + two years in primary school in Grades 1-2), eight to 11 years (preparatory stage Grades three-five), 11 to 14 years (middle stage Grades six-eight) and 14 to 18 years (secondary stage Grades nine-12 in two phases, i.e. nine-10 in the first and 11-12 in the second) respectively
- To bring out of school children into the mainstream through an open schooling system
- To bring the out of school children of age six-14 years under school curriculum with 12 years of schooling
- To make Class X and XII examinations simpler
- To introduce accreditation frame work and an independent authority to regulate public as well as private schools
- To give emphasis on foundational literacy and numeracy
- To impart vocational education from class VI onwards with internship
- To formulate new and comprehensive 'National Curriculum Framework for Teacher Education 2021'

II. Higher education

- To enhance GER in higher education to 50 per cent by 2035
- Three or four years holistic undergraduate education having multiple entry & exit options and with flexible curriculum
- To establish educational credit bank to facilitate transfer of credits

- To set up Education and Research Universities having global standards for multidisciplinary education
- To establish National Research Foundation for fostering a strong research culture in India
- To set up a Higher Education Commission of India, a single umbrella body for the entire higher education, excluding medical and legal education

III. Other features

- To establish 'National Educational Technology Forum', an autonomous body to provide a platform for free exchange of ideas on the use of technology to enhance learning, assessment, planning and administration
- To establish '*PARAKH*', National Assessment Centre for assessment of students
- To encourage foreign universities to set up centres in India
- To give emphasis on setting up of Gender Inclusion Fund and Special Education Zones for disadvantaged regions and groups

Action taken by the State for implimentation of National Education Policy 2020

10.3.1 The following initiatives are being taken by the State

- On the lines of 'National Curriculum' issued by the GoI, the State Curriculum has been developed for the basic level and the curriculum for Kindergarten, Class one and Class two has been prepared and the process of creating the curriculum for Class three to 12 is underway
- Conducted two gatherings under '*Pahile Paul*' to prepare pre-primary students for pre-school (About 8.51 lakh students from 53,043 schools of the State were participated)
- About 64,235 schools benefitted from *NIPUN Bharat Abhiyaan* in terms of mainstreaming first standard students and creating awareness among parents
- Produced workbooks "*Karuya Maitri Ganitashi*" in eight languages (Marathi, Urdu, English, Hindi, Gujarati, Tamil, Telugu, Kannada) for the development of basic numeracy and academic achievement for the students of first to fifth standard under the *NIPUN Bharat Abhiyaan* which benefitted about 40 lakh students from 64,235 government and local bodies schools
- Developed guide book and made available online for teachers and workbook for students under *Vidya Pravesh* initiative which benefitted about 6.69 lakh students
- To teach engineering curriculum in the Marathi language a set of 20 marathi translated books for diploma and degree are prepared and made available to the institutions
- In all 163 polytechnic colleges in the State already started courses in Marathi language
- Translation of 88 books of engineering/polytechnic courses into Marathi language is in progress

Primary and Upper Primary education

10.4 Various educational programmes are being implemented in the State for primary education. Some important indicators of primary (Std I to V) and upper primary (Std VI to VIII) education are given in Table 10.1. Regionwise, education level wise institutions, enrollment and number of teachers are given in Annexure 10.2.

Table 10.1 Some important indicators of primary (Std I to V) and upper primary (Std VI to VIII) education

		(As on 30 th September)		
Indicator		2021-22	2022-23	2023-24
Reported number of schools imparting primary education		1,05,848	1,04,781	1,04,499
Percentage of schools in rural areas		75.8	75.1	75.2
Density of schools per 10 sq km	(a) Primary	3.2	3.2	3.2
	(b) Upper primary	1.7	1.7	1.7
Primary schools per thousand children (age 6 to 11 years)		10.1	10.1	10.1
Upper primary schools per thousand children (age 11 to 14 years)		9.3	9.3	9.3
Percentage share of private self-financed schools to total schools		16.3	12.2	12.4
Enrollment in schools (lakh)		154.2	146.0	146.0
Percentage of girls enrollment		47.3	47.2	47.7
Gross Enrollment Ratio	(a) Primary	106.9	99.2	101.6
	(b) Upper primary	100.4	93.4	94.3
Average Student - Class room ratio (all schools)		28	26	26
Number of teachers (lakh)		5.0	4.9	4.8

10.5 ‘The Right of Children to Free and Compulsory Education Act, 2009’: This act has been enacted in the State since April, 2010. The Act provides children the right to free and compulsory complete primary education in the nearest school. Under this Act, 25 per cent of the total admission capacity in self-financing private schools (excluding minority schools) is reserved and students from economically weaker & disadvantaged sections are given free education along with free admission from pre-primary to Std VIII. Since inception of RTE Act, about 7.89 lakh students were admitted to schools upto November, 2024. Under this act 78,376 students got admission during 2024-25.

10.5.1 Under the RTE Act, efforts are being made to bring every out-of-school child in the age group six to 14 years in educational stream. In all 6,570 out-of-school children brought in mainstream and of which 4,633 children were given special training during 2023-24. During 2024-25, upto November 2,212 out-of-school children have been identified and 1,790 children have been given special training.

Secondary and Higher secondary education

10.6 Some important indicators of secondary (Std IX to X) and higher secondary (Std XI to XII) education are given in Table 10.2. Regionwise, education level wise institutions, enrollment and number of teachers are given in Annexure 10.2.

Table 10.2 Some important indicators of secondary (Std IX to X) and higher secondary (Std XI to XII) education

		(As on 30 th September)		
Indicator		2021-22	2022-23	2023-24
Reported number of schools imparting secondary and higher secondary education		28,612	28,532	28,986

10.8 **Sainiki schools:** There are 38 aided *Sainiki* schools in the State of which four schools are exclusively for girls. During 2024-25, a total of 12,224 students have been enrolled.

10.9 **Samagra Shiksha:** *Samagra Shiksha*, an overarching programme, is being implemented in the State since 2018-19 to provide quality education to the students. Under this programme three schemes viz. *Sarva Shiksha Abhiyan* (SSA), *Rashtriya Madhyamik Shiksha Abhiyan* (RMSA) and Teacher Education (TE) are subsumed to ensure inclusive and equitable quality education from pre-school to higher secondary stage as envisaged under Sustainable Development Goal. During 2023-24, expenditure incurred was ₹ 2,378.60 crore. During 2024-25 upto November, expenditure incurred was ₹ 864.88 crore.

10.10 **Inclusive Education for Divyang programme:** Inclusive Education for *Divyang* programme is being implemented in the State to ensure quality education to Children With Special Needs (CWSN) in a normal set up with a normal peer group for their emotional progress and their social integration. Identification & medical assessment of CWSN and providing educational & rehabilitative support services such as braille books, spectacles, hearing aids & appliances, speech trainer, etc. are included in the programme. Progress of Inclusive Education for *Divyang* programme is given in Table 10.4.

Table 10.4 Progress of Inclusive Education for Divyang programme

Level of education	2022-23		2023-24		2024-25 ⁺

10.15 PM SHRI schools: PM SHRI school (PM Schools for rising India) a centrally sponsored scheme is being implemented in the State since 2022. The objective of this scheme is to develop selected existing schools as PM SHRI schools which will implement all aspects of 'National Education Policy-2020'. Under this scheme, more than 15,000 selected schools (primary, secondary and higher secondary) will strengthen and develop with excellent infrastructural facilities in a pleasant, stimulating and academically conducive school environment with adequate resources to provide high quality qualitative education. There are 10,077 PM SHRI Schools in India of which 827 are in the State.

National Achievement Survey

10.16 The National Achievement Survey (NAS) is a national level large-scale assessment conducted to obtain information about the learning achievement of students of Classes III, V, VIII and X studying in State government schools, government aided schools, private unaided and central government schools. Percentage of students in the State by performance level as per NAS-2021 is given in Table 10.8.

Table 10.8 Percentage of students in the State by performance level

		(per cent)			
Class	Subject	Performance level 2021

10.19 **Self-financed Universities:** The economic reforms being undertaken by GoI have prompted the change in policy making and involving the private sector in infrastructure development related to higher education. Accordingly, GoM has encouraged private participation to enhance access, excellence, inclusion and research in the field of higher education by creating best class infrastructure facilities in the State. As per AISHE 2022-23, total enrollment in 21 self-financed universities in the State was 76,410 of which 30,726 were female students.

Pradhan Mantri Uchchatar Shiksha Abhiyan

10.20 *Pradhan Mantri-Uchchatar Shiksha Abhiyan* (PM-USHA) is being implemented in the State since 2013. It aims at attaining higher levels of access, equity and excellence in the higher education with greater efficiency, transparency, accountability and responsiveness. During 2024-25 upto November, total expenditure of ₹ 501.56 crore was incurred. Under 'Enhancing quality & excellence in selected State universities' component of the scheme, Savitribai phule pune university has been sanctioned the grant of ₹ 100 crore and 25 autonomous colleges have been supported with grants of ₹ five crore each. Further, seven universities have been sanctioned ₹ 20 crore each for strengthening and 43 colleges have been sanctioned ₹ five crore each. Four districts have also been sanctioned ₹ 10 crore each for promoting equity and inclusion in education.

The following are some of the key achievements of the *Rashtriya Uchchatar shiksha abhiyan*: -

- For setting up new research and technology transfer centers in the country, Maharashtra is the first State in the country to receive a grant of ₹ 20 crore.
- With the objective of developing research capacity and initiating research projects to ensure expansion, commercialisation or technology transfer of industries, six centers for technology development and technology transfer were set up in six State universities
- In the State under the scheme three cluster universities namely Dr. Homi Bhabha State university, Mumbai, Hyderabad (Sindh) national collegiate university, Mumbai and Dr. Karmveer Bhaurao Patil university, Satara have been established
- Two new model degree colleges are being set up in two aspirational districts in the State
- Under PM-USHA, ₹ 100 crore has been sanctioned to four universities under the component Multidisciplinary Education and Research University (MERU)

10.21 **Rajarshi Chhatrapati Shahu Maharaj tuition fee scholarship scheme:** This scheme is being implemented in the State for students belonging to economically backward category)having annual family income upto ₹ eight lakh(. The progress of *Rajarshi Chhatrapati Shahu Maharaj* tuition fee scholarship scheme is given in Table 10.11.

Table 10.11 Progress of *Rajarshi Chhatrapati Shahu Maharaj* tuition fee scholarship scheme

PUBLIC HEALTH

10.22 Public health services are dedicated to enhance the quality of life through organised measures aimed at preventing diseases and promoting health and longevity for all individuals. The State has made significant progress towards achieving targets outlined in the Sustainable Development Goal 3 'Ensure healthy lives and promote well-being for all at all ages' and continues to strive for improvements in health indicators. The government is implementing various healthcare schemes and programs to ensure accessible and affordable healthcare to all.

Public health infrastructure

10.23 The State has three-tier health infrastructure to provide comprehensive health services. The primary tier comprises of Sub-centres, Primary Health Centres (PHC) and Community Health Centres (CHC). The sub-district hospitals and district hospitals constitute secondary tier whereas, well equipped hospitals attached to medical colleges and super-specialty hospitals are at tertiary level. Health infrastructure of the State Government is given in Table 10.12 and series of medical facilities available in the State (public, local bodies and trust hospitals) is given in Annexure 10.7 and districtwise health infrastructure is given in Annexure 10.8.

10.24 Sub-centres provide health services with counselling for maternal & child health care, family welfare, nutrition, immunisation, control of diarrhoea & communicable diseases. Facilities available at PHC are outdoor patients department (OPD), six beds indoor ward, emergency services, operative & laboratory facilities and medicines. Family planning services and treatment to patients referred by sub-centres are also provided at PHC. Similarly, a CHC is to be set up as referral centre for every four to five PHCs covering a population of 80,000 to 1.20 lakh. Round the clock health facilities are available at community health centres, sub-district hospitals, district hospitals and hospitals attached to medical college.

10.25 Allopathic medical graduates in the State have to register with Maharashtra Medical Council and renew their license every five years. Upto December, 2024 in all 1,99,998 (including 96,679 post graduates) allopathic doctors were registered.

10.25.1 To enhance the existing medical facilities, government has brought Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homoeopathy (AYUSH) into the mainstream health care services. There are 1,14,432 ayurveda doctors (including 6,615 post graduate) & 9,726 unani doctors (including 172 post graduate) registered with Maharashtra Council of Indian Medicine and 88,528 homeopathy doctors (including 3,527 post graduate) registered with Maharashtra Council of Homeopathy upto December, 2024. Assuming 80 percent availability of registered allopathic doctors and considering total AYUSH doctors (2,12,686), the doctor-population ratio in the State is 1: 343.

Pradhan Mantri Ayushman Bharat Health Infrastructure Mission

10.26 *Pradhan Mantri Ayushman Bharat Health Infrastructure Mission* is being implemented in the State since October, 2021 to meet the need of better equipment of the public health services at primary, secondary and tertiary care levels. The main objectives of the mission are strengthening of grass root public health institutions to provide universal comprehensive healthcare, expanding & building disease surveillance systems enabled by information technology and to support the research work on infectious diseases. Under this mission, available/sanctioned health facilities upto December, 2024 are as follows:

- Sanctioned Integrated Public Health Laboratories (IPHL) in district hospitals at Nashik, Ratnagiri, Nanded, Amravati, Buldhana, Gadchiroli, Ahilyanagar, Pune, Dharashiv, Beed, Bhandara, Raigad, Dhule, Satara, Parbhani, Hingoli, Washim, Wardha, Nandurbar, Akola, Palghar, Sindhudurg, Chhatrapati Sambhaji Nagar, Nagpur, in government medical colleges at Jalgaon, Solapur, Chandrapur, Kolhapur, Sangli, Yavatmal, Gondia and in general hospitals at Ulhasnagar (Thane), Mira Bhayander & Malvani (Malad)
- Sanctioned Critical Care Hospital Blocks (CCHB) having 100 beds in district hospitals at Nashik, Pune, Nanded and Palghar
- Sanctioned Critical Care Hospital Blocks (CCHB) having 50 beds each in district hospitals at Jalna, Ahilyanagar, Gadchiroli, Bhandara, Satara, Buldhana, Beed, Amravati, Ratnagiri, Hingoli, Wardha, Washim, Government medical colleges at Latur, Chandrapur, Akola, Gadchiroli, Solapur, Dharashiv, Nandurbar, Satara, Miraj (Sangli), Parbhani, Dhule, Ulhasnagar (Thane), Jalgaon, Yavatmal, Sindhudurg, Raigad (Alibag), Chhatrapati Sambhaji Nagar, Kolhapur & Gondia and in general hospitals at Ulhasnagar (Thane) & Mira Bhayander

Hindu Hrudaysamrat Balasaheb Thackeray Aapla Davakhana

10.27 *Hindu Hrudaysamrat Balasaheb Thackeray Aapla Davakhana* is being implemented at 428 locations in the State in first phase since May, 2023 with the aim to provide services to the common people in urban areas mainly poor and slum dwellers and to monitor and control the prevalence of various diseases. Health services like out-patient check-up, free meditation, free, laboratory test, teleconsultation, examination of pregnant mothers etc are provided through *Hindu Hrudaysamrat Balasaheb Thackeray Aapla Davakhana*.

10.27.1 In all 42.41 lakh out-patient services, 4.98 lakh free laboratory test and check-up of 68,372 pregnant women have been conducted upto December, 2024. During 2023-24, expenditure of ₹ 60.27 crore was incurred and during 2024-25 upto December, expenditure of ₹ 28.01 crore was incurred on this programme.

National Health Mission

10.28 The National Health Mission (NHM), which encompasses National Rural Health Mission (NRHM) and National Urban Health Mission (NUHM) was launched in 2013 to provide universal access to health care by strengthening health systems, institutions and human resource capabilities. The main components of the mission include strengthening of health system in rural & urban areas, control of communicable & non-communicable diseases and implementation of reproductive, maternal, newborn, child & adolescent health programmes.

10.28.1 ***Ayushman Arogya Mandir Programme:*** The programme aims to provide comprehensive primary health care services by transforming existing Sub-centres and PHCs into Health & Wellness Centres (HWCs). The existing HWCs have been renamed as '*Ayushman Arogya Mandir*'. Under this program upto December, 2024 in all 12,044 *Ayushman Arogya Mandirs* are functional in the State.

10.28.2 National Rural Health Mission (NRHM): NRHM is being implemented in the State to address health needs of the underserved rural population especially women, children and vulnerable sections of the society by providing affordable, accessible and quality healthcare. Some of the facilities provided under NRHM upto December, 2024 are as follows:

- Health services to rural population through 14,825 medical officers including specialists and 63,694 ASHA workers
- Telemedicine facility at 23 hospitals, 39 sub district hospitals/CHCs and 6 medical colleges
- Implementation of Sickle Cell Disease Control Programme in 21 districts where sickle cell disease is prevalent
- In all 20 Mobile Medical Units operational by NGOs/*Rugna Kalyan Samitis* to provide health care services to people living in remote and inaccessible areas of the State.

10.28.2.1 During 2023-24, expenditure incurred under NRHM in the State was ₹ 3,870.24 crore and during 2024-25 upto December, expenditure incurred was ₹ 2,362.19 crore. Physical achievements under NRHM is given in Table 10.13.

10.28.3 National Urban Health Mission (NUHM): NUHM is being implemented in the State to meet health care needs of urban population primarily, slum dwellers and other marginalised groups of all cities/towns with population above 50,000. In all 98 cities in the State are covered under NUHM.

10.28.3.1 Under NUHM, upto December, in all 807 urban PHCs are functional, 10 Mobile Medical Units are operating and 13,113 ASHA workers are working in the State. To provide health care facilities to people living in slums having population around 10,000 and not having urban PHC, 100 clinics viz. *Aapala davakhana* have been approved in 10 municipal corporations. During 2023-24, expenditure incurred under NUHM was ₹ 373.30 crore and during 2024-25 upto December, expenditure incurred was ₹ 277.20 crore.

10.28.4 **Reproductive, maternal, newborn, child and adolescent health programme (RMNCH+A):** RMNCH+A programme is being implemented to enhance child health status & population stabilisation thereby reducing Maternal Mortality Ratio (MMR), Infant Mortality Rate (IMR) and Total Fertility Rate (TFR). Under the programme, during 2023-24, expenditure of ₹ 484.98 crore and during 2024-25 upto December, expenditure of ₹ 287.17 crore was incurred. Some of the health indicators are given in Table 10.14 and its series is given in Annexure 10.9. The details of some schemes under RMNCH+A is given in Table 10.15.

10.28.4.3 **Rashtriya Baal Swasthya Karyakram:** *Rashtriya Baal Swasthya Karyakram* aims at early detection and management of 'four Ds' viz. defects at birth, diseases in children, deficiency condition and development delays including disabilities. Biannual regular health screening of preschool children upto six years of age using *anganwadi* as a platform is an essential component. Moreover, children in the age group 6-18 years studying in government and government aided schools also receive regular health checkups. Children diagnosed for illness receive follow up referral support and treatment including surgical interventions free of cost. Information of *Rashtriya Baal Swasthya Karyakram* is given in Table 10.18.

10.28.8 National Programme for Control of Blindness: National Programme for Control of Blindness (NPCB) is being implemented mainly for cataract surgeries & screening of school children with provision of spectacles to the students having refractive errors. The NPCB aims to reduce the rate of blindness to 0.25 per cent by the year 2025. During 2023-24, in all 9.44 lakh cataract surgeries were performed and expenditure incurred was ₹ 28.89 crore, while during 2024-25 upto December, in all 7.48 lakh cataract surgeries were performed and expenditure incurred was ₹ 6.41 crore.

10.28.9 National Leprosy Eradication Programme: National Leprosy Eradication Programme aims to eliminate leprosy (prevalence of less than one case per 10,000 population in all districts), strengthen disability prevention & medical rehabilitation of persons affected by leprosy and reduction in the level of stigma associated with leprosy. During 2023-24, number of newly reported & active leprosy cases were 20,001 & 14,976 respectively and the prevalence rate per 10,000 population was 1.16. During 2024-25 upto December, number of newly reported and active leprosy cases were 13,960 & 13,339 respectively and the prevalence rate per 10,000 population was 1.04.

Graph 10.1 : Prevalence rate of Leprosy

10.28.10 National Programme for Health Care of the Elderly: National Programme for Health Care of the Elderly (NPHCE) is being implemented to provide an easy access to promotional, preventive, curative and rehabilitative services to the elderly through district hospitals, rural hospitals and primary health centre. During 2023-24, expenditure of ₹ 194.65 crore was incurred and during 2024-25 upto December, expenditure of ₹ 97.90 crore was incurred on this programme. Information of National Programme for Health Care of the Elderly is given in Table 10.24.

Table 10.24 Information of National Programme for Health Care of the Elderly

10.28.12 National Mental Health Programme: National Mental Health Program (NMHP) of GoI is being implemented in the State with main objectives as follows:

- To functionalise District Mental Health Unit at district level
- Early detection & treatment of patients
- Targeted Intervention for School & College Students and Community
- To make mental health services available, along with the other health services in the remote and rural population

10.28.12.1 Infrastructure and key programs under NMHP is as below

- Four Regional Mental Hospitals (RMH) with a combined bed capacity of 5,695
- 13 Day Care Centers for rehabilitation
- 34 Memory Clinics focused on dementia care
- 24/7 mental health services across Maharashtra through Tele MANAS (Over 1,19,797 calls have been received from October, 2022 to December, 2024)
- *Prerna Prkalp* (Farmer Counseling Health Service Program) provides mental health services in 14 suicide-prone districts. ASHA workers conduct surveys in village to identify the depressed people and refer them to further treatment

10.28.12.2 During 2023-24, expenditure of ₹ 3.57 crore was incurred and during 2024-25 upto December, expenditure of ₹ 1.04 crore was incurred. The details of National Mental Health Program is given in Table 10.26.

10.28.13 National Iodine Deficiency Disorder Control Programme: National Iodine Deficiency Disorder Control Programme (NIDDCP) is being implemented in endemic districts to reduce the prevalence of iodine deficiency disorder below 5 per cent in the entire country. Replacing common salt by Iodized salt in the diet of the people staying in endemic districts is the surest way of controlling Iodine deficiency. During 2023-24, expenditure of ₹ 58.25 crore was incurred and during 2024-25 upto December, expenditure of ₹ 49.47 crore was incurred.

10.28.14 **Maharashtra Emergency Medical Services:** Maharashtra Emergency Medical Services provide pre-hospital health services to patients through life support ambulance while transporting them to nearby hospital for further treatment. This 24×7 emergency service is provided free of cost and can be availed by dialing a tollfree number 108. In all there are 937 ambulances, of which 233 are well equipped with advanced life support system and 704 are with basic life support system. Number of patients served in emergency situation is given in Table 10.27.

Integrated Mahatma Jyotirao Phule Jan Arogya Yojana and Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana

10.29 Integrated *Mahatma Jyotirao Phule Jan Arogya Yojana* (MJPJAY) and *Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana* (AB-PMJAY) have been implemented in expanded form across the State from 1st July, 2024. The scheme provides end to end cashless quality medical services for identified diseases through empanelled hospitals.

10.29.1 Details of Integrated MJPJAY and AB-PMJAY is as follows

- Applicable to all families in the State
- An insurance cover of ₹ 5 lakh per family per annum is being provided
- In all 1,356 surgeries/treatments covered
- In all 2.92 crore Ayushman cards have been generated in the State upto December, 2024

10.29.2 Details of Integrated *Mahatma Jyotirao Phule Jan Arogya Yojana* and *Ayushman Bharat Pradhan Mantri Jan Arogya Yojana* and information of surgery counts & claim paid under Integrated MJPJAY and AB-PMJAY is given in Table 10.28 and 10.29 respectively.

National AIDS Control Programme

10.30 Maharashtra State AIDS Control Society is established to implement effectively National AIDS Control Programme (NACP) in the State. The focus of NACP is on creating awareness and education & surveillance of specific groups of population. Surveillance is undertaken through screening of blood samples of patients from the clinics for sexually transmitted diseases and women seeking antenatal care. During 2023-24, expenditure of ₹ 149.74 crore was incurred and during 2024-25 upto December, expenditure of ₹ 96.61 crore was incurred. Information of HIV/AIDS cases is given in Table 10.30.

WOMEN AND CHILD DEVELOPMENT

10.34 Empowerment of women & holistic development of children are pillars of an equitable, sustainable and prosperous society. Various schemes & programs are being implemented by government for empowerment of women and children.

Women Development

10.35 Women empowerment is the catalyst for social, economic & political progress of State which ensures equal access to opportunities & resources and participation in decision making. Towards achieving these aspects, the State has declared fourth 'women policy' in 2024.

10.36 **Gender Budget:** The key objective of gender budgeting is to evaluate fiscal policies from a gender perspective and integrate the principle of gender equality in the budget. It is a means of bridging gaps in income, health, education, nutrition and the standard of living among women, men and persons of other genders. The share of gender budget in total State budget is 3.1 per cent in 2023-24 and 3.3 per cent in 2024-25.

10.37 **Mission Shakti:** 'Mission Shakti', an integrated woman empowerment programme of GOI is being implemented in the State since 2022-23 for the safety, security & empowerment of women. 'Mission Shakti' has two sub-schemes, 'Sambal' for safety & security and 'Samarthya' for empowerment of women. These sub schemes are being implemented through 45 *sakhi* one stop centres, 19 *shakti sadans* and 74 *sakhi nivas*. Performance of 'Sambal' and 'Samarthya' sub-schemes in the State is given in Table 10.34.

Table 10.34 Performance of 'Sambal' and 'Samarthya' sub-schemes in the State

Scheme Component	Objective	No. of beneficiary	
		2023-24	2024-25 ⁺

10.37.1 Hub for Empowerment of Women: This is one of the component of ‘Samarthya’ sub scheme, in which hubs for empowerment of women are functional at district & State level. The ‘*Stree Shakti*’ digital portal has been developed, to create awareness about all schemes and services for women. Additionally, all women empowerment centers, One-Stop Centers, *Sakhi Nivas*, all *Anganwadis* and NGOs working for women in the State have been integrated on this portal. About 2.50 lakh women are connected through this portal. For the economic empowerment of women, the ‘*Yashasvini*’ digital portal has been developed. Through this portal, self-help groups of women, women entrepreneurs, cottage industries and small business run by women, etc. are being brought together. Efforts are being made to expand the scope of business run by women through the Women Empowerment Centers. Furthermore, various awareness campaigns are being carried out under different initiatives.

10.37.2 *Beti Bachao Beti Padhao*: This is component of ‘Sambal’ sub scheme which aims to ensure survival, safety & education of a girl child and to prohibit gender identification. Under the scheme, various programmes are being implemented such as *Jan-jagran* campaign to increase the birth rate of girls, registration of pregnant women, celebrating birth of girl child, organising health camps, guidance on girls’ education, *gudda-guddy* board, writing down the numbers of births of boys & girls at public places and organising various district level contests.

10.38 Various women specific schemes are being implemented in the State. Performance of selected women specific schemes is given in Table 10.35.

Table 10.35 Performance of selected women specific schemes

+ upto December

10.39 **Mukhyamantri Majhi ladki bahin yojana:** The State has launched this scheme in June, 2024. The objectives of this scheme are:

- To promote employment and economic development by providing adequate facilities to women and girls in the age group 21 to 65 years
- To rehabilitate women economically and socially
- To make women self-reliant
- To promote the empowerment of women and girls
- To improve the health and nutritional status of women and children dependent on them

10.39.1 Under the scheme per month ₹ 1,500 is given through DBT to the beneficiary. In all, 2.38 crore women availed the benefit and expenditure of ₹ 17,505.90 crore was incurred upto December, 2024.

10.40 **Pink e Rickshaw:** The scheme launched in July, 2024 aims to promote employment generation for women & girls in the age group 20 to 40 years in the State, to promote their economic and social development, to make them self-reliant, to promote empowerment and to provide safe travel for women & girls. Financial assistance (70 per cent of the e-rickshaw cost as a loan, 20 per cent State share & 10 per cent beneficiary share) will be provided to all interested & eligible women in major cities of 8 districts in the State and the loan repayment period will be 5 years. A target has been set of 10,000 beneficiaries.

10.41 **Participation of women in decision making:** In the 18th Loksabha (2024-2029), there are seven women MPs out of 48 sitting MPs and in the 17th Loksabha (2019-2024), there were eight women MPs out of 48 MPs from Maharashtra. In the Rajyasabha, there are five women MPs out of 19 sitting MPs from Maharashtra.

10.41.1 In 15th Maharashtra Legislative Assembly (2024-2029), as on 30th November, 2024 there are 22 women MLAs out of 288 sitting MLAs. In the 14th Maharashtra Legislative Assembly (2019-2024), there were 26 women MLAs out of 288 MLAs. In Maharashtra Legislative Council, there are four women MLCs out of 51 sitting MLCs as on 30th June, 2024.

10.41.2 As per The Bombay Village Panchayats and the Maharashtra Zilla Parishads and Panchayat Samitis (Amendment) Act 2011, 'one half' of the total number of seats are reserved for women in Panchayat Raj Institutions. Seats reserved for women in local bodies in the State are given in Table 10.36.

Table 10.36 Seats reserved for women in local bodies in the State

(as on 30 th November, 2024)			
Local body	Number	Total seats	Seats reserved for women

10.41.3 As per the State Government employees master database (excluding Public undertakings and Local self government institutions) as on 1st July, 2024, out of the 4,90,272 filled in posts, 25 per cent were women.

10.42 Self Help Group: Self Help Groups (SHGs) are informal association of individuals who come together to address common economic & social concerns. SHG movement is most successful network of women owned community based Micro Finance Institutions which gives access to finance by the poor and vulnerable groups for poverty reduction and sustainable development. As on March 2024, there are 16,30,589 SHGs in the State having accounts with cooperative banks, regional rural banks, public commercial banks and private commercial banks, out of which 13,80,838 SHGs (85 per cent) are exclusively for women.

10.43 Mahila Arthik Vikas Mahamandal (MAVIM): GoM has declared MAVIM as a nodal agency to implement various women empowerment schemes through Self Help Groups (SHGs). The main objective of MAVIM is to organise women through SHGs, build their capacity & enhance self confidence, entrepreneurial development, synchronise employment opportunities through Community Managed Resource Centres which are federation of SHGs. Also MAVIM promotes women's initiatives for equal opportunities & participation in governance and build grass root institutes through SHGs. MAVIM also provides market linkages to SHGs and arranges training for enhancing the capacity of women in terms of leadership quality & administrative capacity.

10.43.1 During 2024-25 upto December, women SHGs received loans of ₹ 10,475.48 crore from various financial institutions, total internal loans disbursed was 3,779 crore while total cumulative savings of women SHGs was ₹ 1,404 crore. information of MAVIM attached women SHGs is given in Table 10.37.

Table 10.37 Information of MAVIM attached women SHGs

(As on 31 st December, 2024)

10.43.2 Community Managed Resource Centre: Community Managed Resource Centre (CMRC) registered under 'Societies Registration Act, 1860' is a group of 250 to 300 SHGs formed in a cluster of about 20 to 25 villages within a radius of 25 km. The role of the CMRC is to provide primary services to SHGs such as skill development training for livelihood, bank linkages, provide market to produced goods. There are 295 CMRCs functioning in the State at the end of December, 2024.

10.43.3 Tejashree Financial Services: Tejashree financial services scheme is a loan redemption scheme being implemented through SHGs for ultra-poor and debt ridden women. Under this scheme the target is i) individual loan upto ₹ 10,000 to one lakh women ii) financial assistance upto ₹ 20,000 for repayment of loan to 10,000 debt ridden women and iii) working capital upto ₹ two lakh to 300 women social enterprises run by CMRCs. Since inception (2018-19) upto March, 2024, total loan of ₹119.62 crore was disbursed under the scheme.

10.43.4 Nav Tejaswini: Nav Tejaswini Rural Women Enterprise Development Project has been started in the State since January, 2021 with the support of International Fund for Agricultural Development (IFAD) to financially empower poor and needy women. The project majorly focuses on market led enterprise promotion, enabling support services & institutional development and project management. The project is supporting women led farmer producer organisations, micro entrepreneurs, farm activities, non-farm activities and farm allied activities run by CMRCs.

10.44 Maharashtra State Commission for Women: The Maharashtra State Commission for women is a statutory body which regularly holds hearings/public hearings on complaints filed by women victims, provides free legal aid and counselling services. An innovative initiative called ‘Woman commission at your doorstep’ was implemented extensively by organizing division-wise and district-wise public hearing, with the primary objective of giving women victims a platform to resolve their issues and interact freely. It also organises workshops, training programmes and seminars on women related issues viz. self defence programmes, awareness about gender equality, legal literacy, cyber crimes, implementation of ‘Prevention of Domestic Violence Act-2005’, ‘Sexual harassment of Women at Workplace (Prevention, prohibition & redressal) Act-2013’, rehabilitation of acid attack victims, preparation of guidelines for creche, etc. During 2023-24, expenditure of ₹ 63.78 lakh was incurred and during 2024-25 upto January, expenditure of ₹ 30.88 lakh was incurred on these programmes.

10.44.1 Complaints regarding Marital problem, social problems, rape, property issues, sexual harassment at the workplace, harassment at the workplace & other problems are received at counselling branch and legal branch of Maharashtra State Women's Commission Office. During 2023-24 total number of complaints registered including pending complaints were 12,019 of which, 10,318 were resolved.

10.45 Women protection: Crime against women is direct or indirect physical or mental cruelty to women. Number of crimes against women per lakh female population in the year 2022 was 75 and in the year 2023 was 77.

10.45.1 For the safety of women, different measures such as prevention of atrocities against women cell, Bharosa cell, fast track court, complaint committee, etc. are established in the State. Crimes against women reported in the State are given in Table 10.38.

Table 10.38 Crimes against women reported in the State

Child Development

10.46 Providing a nurturing environment for children’s physical, emotional & cognitive growth, as well as promoting quality education and learning opportunities for all children are key priorities of the government. ‘Child policy 2014’ is being implemented in the State to ensure that every child shall have an equal opportunity to develop potential within protected environment.

10.46.1 Child budget: Child Responsive Budgeting enables governments to plan and commit resources in a manner that prioritise equitable development for children. The share of child budget in total State budget is 12.1 per cent in 2023-24 and 12.5 per cent in 2024-25. Various child development schemes are being implemented in the State.

Integrated Child Development Services Scheme

10.47 Integrated Child Development Services Scheme is being implemented in the State to address the growth needs of children under the age of six years. The main objectives of ICDS scheme are

- To improve the nutritional and health status of children in the age-group 0-6 years
- To lay the foundation for proper psychological, physical and social development of the child
- To reduce the incidence of mortality, morbidity, malnutrition and school dropout
- To achieve effective co-ordination of policy and implementation amongst the various departments to promote child development
- To enhance the capacity of mothers to care for the general health and nutritional needs of their children through education on proper nutrition and diet.

10.47.1 ICDS services are provided through *Anganwadis*. This programme is implemented through 1,10,631 *anganwadis* covered under 553 Child Development Projects. Under this scheme basic services such as immunisation, supplementary nutrition, health check-up, referral services, nutrition & health education and pre-school education are provided to children upto six years of age, pregnant women and lactating mothers.

10.47.2 Nutrition programme: The Supplementary Nutrition Programme is implemented under ICDS to meet the minimum nutritional requirements of children upto six years of age, pregnant women & lactating mothers and to provide health care to them. It also aims to minimise infant mortality by controlling malnourishment in remote and sensitive areas. During 2023-24, expenditure of ₹ 1,629.52 crore was incurred on 65.28 lakh beneficiaries and during 2024-25, upto December expenditure of ₹1,192.13 crore was incurred on 64.42 lakh beneficiaries. Percentage of children of age 0 to 5 years in the State according to nutrition grades are given in Table 10.39

Table 10.39 Percentage of children of age 0 to 5 years in the State according to nutrition grades

Month	Area	Children weighed (no.)	Percentage of children		
			Normal	Moderately under weight	Severely under weight
March, 2023	Rural	38,53,585	94.1	5.1	0.9
	Tribal	8,60,418	81.7	14.8	3.5

10.47.3 Village Child Development Centre: Under the ICDS programme, Village Child Development Centres (VCDC) has been established at village/*anganwadi* level for eliminating malnutrition. SAM children are kept in the *anganwadi* all day for a month. For elimination of severe malnutrition, medical advice as well as nutritional diet is provided. In *anganwadi*, children are provided an additional three times diet apart from three regular diets and all medical facilities. In March, 2024 out of 42,62,652 children, Severe Acute Malnutrition (SAM) and Moderate Acute Malnutrition (MAM) children were 1.21 per cent and 3.92 per cent respectively whereas in December, 2024 out of 48,16,010 children, SAM and MAM children were 0.72 per cent and 3.24 per cent respectively.

10.47.4 Poshan Abhiyaan: This *Abhiyaan* is being implemented in all the districts under the ICDS programme. The main objectives of the *Abhiyaan* are (i) reducing malnutrition by six per cent, (ii) reducing anaemia by nine per cent in infants, adolescent girls & women and (iii) reducing the proportion of low birth weight babies by six per cent. To ensure community mobilisation and bolster people's participation, every year the month of September is celebrated as *Rashtriya Poshan Maah* in the State since 2018. During 2023-24, expenditure of ₹ 88.24 crore and during 2024-25, upto December expenditure of ₹ 244.08 crore was incurred on this *Abhiyaan*. Progress of *Poshan Abhiyaan* is given in Table 10.40.

Table 10.40 Progress of Poshan Abhiyaan

Particulars	(per cent)	
	During March, 2023	During December, 2024
Pregnant Women anaemia	0.62	2.8
Lactating Women anaemia	0.92	2.6
SAM (0-5 years age)	1.93	0.8

+ upto December

10.48.1 **Parenting & Education in Early Childhood:** Maharashtra State Council for Education Research and Training developed 'Balshikshankram' curriculum named 'Aakar' for the age group of three to six years, based on the developmental stages of a child and paedology. Pre-school activities of children enrolled in all *anganwadis* were carried out online through 'Aakar' child education programme. During 2023-24, in all 25.94 lakh children and during 2024-25 upto October, in all 24.62 lakh children were benefitted.

10.48.2 **Policy for Adoption of Anganwadi:** The Government is implementing policy for Adoption of *anganwadi* since October, 2022 for strengthening of *anganwadis* through public participation. *Anganwadi* can be adopted by establishments i) through Corporate social responsibility (CSR) programme, ii) NGOs, various trusts, Rotary club, Lions club etc. iii) persons/families/groups. The adopting agencies provide infrastructure, educational facilities, growth monitoring machines, training & skill development, health checkup facilities, etc. Since inception upto December, 2024 in all 3,442 *anganwadis* have been adopted.

10.48.3 **Chacha Nehru Bal Mahotsav:** *Chacha Nehru Bal Mahotsav* is organised every year in the second week of November in each district and region to bring forth hidden qualities of all children in Government/NGO care homes and develop feeling of brotherhood & team spirit among them. Competitions like sports, games, elocution, etc. are organised in this *mahotsav* and winners are awarded. Every year grants of ₹ five lakh for each district and ₹ 5.82 lakh for each region are sanctioned. Under the scheme during 2023-24, expenditure incurred was ₹ 1.77 crore and during 2024-25, upto December expenditure incurred was ₹ 0.83 crore.

Mission Vatsalya scheme

10.49 *Mission Vatsalya* scheme aims at building a protective environment through government-civil society partnership for children in difficult circumstances as well as other vulnerable children. Programmes such as juvenile justice boards, State child protection society, district child protection society, Government/ NGO children homes, observation homes, after care homes, open shelter homes, special adoption resource agencies, child welfare committees, etc. are included under this scheme. Componentwise expenditure incurred on beneficiaries under *Mission Vatsalya* scheme is given in Table 10.42.

Table 10.42 Componentwise expenditure incurred on beneficiaries under *Mission Vatsalya* scheme

10.51 **Transgenders:** Transgender persons continue to encounter discrimination, prejudice and limited access to essential services. The major problems faced by the transgender community include social exclusion, discrimination, unemployment, lack of educational facilities, homelessness, lack of medical facilities, depression, etc. For the welfare of transgender and protection of their rights, 'State Board for Protection and Welfare of Transgender Rights' at the State and regional level has been established.

10.51.1 The 'Transgender Persons (Protection of Rights) Act, 2019' and The 'Transgender Persons (Protection of Rights) Rules, 2020' of GoI have come into force across the country. Through this act provisions such as identification of transgender persons, application for anti-discrimination identity certificate, issuance of identity certificate, gender reassignment, welfare measures by the government, non-discrimination in employment, liability of establishments, grievance redressal mechanism, right to residence, education of transgender persons, social security and health, liability of educational institutions to provide inclusive education to transgender persons, vocational training and self-employment, health facilities, National Council for Transgender Persons, functions of the National Council, etc. are made.

EMPLOYMENT AND POVERTY

10.52 Employment generation and poverty alleviation are important aspects of sustainable development. Employment intensive economic growth helps in reduction of poverty. Government is implementing various policies and programmes for employment generation & poverty alleviation.

EMPLOYMENT

10.53 ‘Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all’ is one of the Sustainable Development Goals. Skilled workforce is essential to meet sectorial requirements and market demands. Addressing employment challenges and equipping the workforce with necessary skills are important for economic growth and social stability. The government is implementing various schemes for generating employment along with skill development initiatives to empower the youth of the State. The government reviews employment trends, formulate policies and relies on data from sources like population census, Economic Census, Periodic Labour Force Survey, etc.

Employment status

10.54 **Employment status as per Population Census:** According to the Population Census 2011, the total workers in the State were 4.94 crore, out of which 4.38 crore were main workers and 0.57 crore were marginal workers. The proportion of female in main workers was 31.5 per cent and that in marginal workers was 53.6 per cent. The Work Participation Rate (WPR) for India was 39.8 per cent whereas, it was 44.0 per cent for the State. The percentage distribution of workers in the State according to population census are given in Table 10.44.

Table 10.44 Percentage distribution of workers in the State according to population census

10.55 Employment status as per Periodic Labour Force Survey: The quinquennial survey on ‘Employment and Unemployment’ were conducted by the then National Sample Survey Office (NSSO). To suffice the need of labour force data at frequent time intervals National Statistical Office (NSO) launched Periodic Labour Force Survey (PLFS) in April, 2017. The PLFS brings out the key labour force indicators viz. Labour Force Participation Rate (LFPR), Worker Population Ratio (WPR) and Unemployment Rate (UR). The PLFS brings out the following key labour force indicators estimated on the basis of Usual Activity Status (Principal Activity Status (PS) + Subsidiary Activity Status (SS)) and Current Weekly Status (CWS).

- Labour Force Participation Rate (LFPR): the percentage of persons in the labour force in the population
- Worker Population Ratio (WPR): the percentage of employed among the persons in the population
- Unemployment Rate (UR): the percentage of unemployed persons in the labour force

10.56 Employment status as per Economic Census: The Sixth Economic Census (2013) covered all establishments excluding establishments engaged in crop & plantation, public administration, defence, compulsory social security services, activities of households as employers of domestic personnel, activities of extra territorial organisation & bodies and illegal activities. Number of establishments and employment therein as per fifth and sixth economic census in the State are given in Table 10.46.

Table 10.46 Number of establishments and employment therein as per fifth and sixth economic census

Particulars	Fifth Economic Census- 2005@	Sixth Economic Census - 2013
Total establishments (lakh)	41.53	61.37
Agricultural establishments (per cent)	14.5	25.9
Non-agricultural establishments (per cent)	85.5	74.1
Persons employed in total establishments (lakh)	105.27	145.12
Persons employed in agricultural establishments (per cent)	10.0	18.2
Persons employed in Non-agricultural establishments (per cent)	90.0	81.8

Skill development, employment and entrepreneurship

10.60 Skill development, employment and entrepreneurship guidance centres have been established in the State to counsel, guide and help the job seekers regarding employment & self-employment. In all 44 such centres are functioning in the State, of which 36 are at district level and eight for tribal candidates. A special desk for *divyang* is established in each district level centres.

10.60.1 The number of persons on the live register of these centres upto January, 2025 were 71.07 lakh. During 2024, number of persons registered in the centres were 10.11 lakh. The details of notified vacancies, placement and persons on the live register according to educational qualification are given in Annexure 10.13 and Annexure 10.14 respectively.

10.61 **Employment Promotion Programmes:** The State Government is implementing following programmes for promotion of employment.

- Employment promotion programme (EPP): On-the-Job training or other practical training for educated unemployed persons
- Apprenticeship training programme: Supply of skilled manpower to industries through apprenticeship training
- Entrepreneurial development training programme: Motivate and train the educated unemployed youths for self-employment

Details of Employment Promotion Programmes is given in Table 10.50.

10.64 **Punyashlok Ahilyadevi Holkar Women's Startup Scheme:** This scheme is started to provide financial support to women-led startups in the State with the objectives

- Promote Women Entrepreneurship: Encourage women to take up entrepreneurship and create successful startups.
- Foster Innovation: Support innovative ideas and solutions that address the challenges.
- Economic Empowerment: Enhance the economic status of women.

Under this scheme, 25 per cent of the total allocated funds will be reserved for women from marginalised and economically disadvantaged backgrounds. The scheme will provide financial assistance to early-stage women-led startups in the State, ranging from ₹ 1 lakh to a maximum of ₹ 25 lakh, based on their turnover.

Employment generation schemes

10.65 **Mahatma Gandhi National Rural Employment Guarantee Scheme-Maharashtra:** The 'Mahatma Gandhi National Rural Employment Guarantee Act, 2005' (MGNREGA) provides enhancement of livelihood security, giving at least 100 days of guaranteed wage employment in every financial year to every rural household, whose adult members volunteer to do unskilled manual work. The expenditure on wages upto 100 days per household is borne by GoI and additional expenditure on wages beyond 100 days per household is borne by GoM. Details of MGNREGA scheme in the State is given in Table 10.53. Categorywise number of works completed and expenditure incurred is given in Annexure 10.15.

10.69 Chief Minister Employment Generation Programme: This programme is being implemented since 2019 in the State to generate employment opportunities through micro & small enterprises. Under this programme financial assistance of 15 to 35 per cent of project cost is provided as credit link subsidy. Under this programme, during 2023-24, credit link subsidy was given to 19,800 projects including margin money of ₹ 438.33 crore and during 2024-25, upto December, credit link subsidy was given to 8,188 projects including margin money of ₹ 238.35 crore.

10.70 Mukhya Mantri Yuva Karya Prashikshan Yojana: This scheme is launched in July, 2024 with the objective to enhance the capacity of the job seeking candidates by getting practical work experience training and also to provide the entrepreneurs with manpower required for their industry through job training. Eligible job seekers in the age group 18 to 35 years can register on the portal and major industries, start-ups, government, semi-government establishments can post their vacancies on the portal. The job training span is of six months, during which candidates receive a monthly stipend based on their educational qualifications through Direct Benefit Transfer as follows:

- 12th Pass: ₹ 6,000/-
- ITI / Diploma: ₹ 8,000/-
- Degree / Post Graduation: ₹ 10,000/-

Around 10 lakh job training opportunities will be made available in every financial year under this scheme. The details of entrepreneurship under *Mukhya Mantri Yuva Karya Prashikshan Yojana* are given in Table 10.57.

10.75 Maharashtra Building and Other Construction Workers Welfare Board is established to regulate the employment & condition of service and to provide safety,

health & welfare measures for the building & other construction workers. The board implementing various schemes for these workers. The total number of registered construction workers in the State upto December, 2024 was 50.2 lakh. In all 53.13 lakh persons were benefited from various schemes.

10.76 **Pradhan Mantri Shram Yogi Maan-dhan yojana:** This scheme is being implemented since 2019 for old age protection and social security to unorganised workers. The unorganised workers in the age group 18 to 40 years having monthly income upto ₹ 15,000 and not covered under any pension scheme are eligible under this scheme. These workers have to contribute ₹ 55 to ₹ 200 per month depending on their age and after completion of 60 years of age, will receive pension of ₹ 3,000 per month. Upto 31st January, 2025 in all 6,20,905 unorganised workers in the State have been registered under this scheme.

Prohibition of Child Labour

10.77 ‘Child Labour (Prohibition & Regulation) Act, 1986’ aims at prohibiting the employment of children below 14 years of age. This act prohibits employment of children in 16 occupations & 65 processes considered hazardous to the health and psyche of the child. As per the amendment in this Act in 2016, a person who has completed his 14 years of age but not completed 18 years is defined as adolescent and act prohibits employment of adolescents in certain hazardous occupations. During 2023, in all 195 places were raided and 69 child labourers & 66 adolescent labourers rescued and legal action was initiated against 73 establishments. During 2024, the number of raids was 260 and 54 child & 63 adolescent labourers were rescued and legal action initiated against 55 establishments.

Industrial Relations

10.78 During 2024, there were 8 work stoppages (strikes and lockouts), which affected 1,842 employees in the State and number of person-days lost due to work stoppages was 4.58 lakh. During 2023, there were 20 work stoppages (strikes and lockouts), which affected 9,357 employees in the State and number of person-days lost due to work stoppages was 2.25 lakh. The details of industrial disputes in the State are given in Annexure 10.16.

POVERTY

10.79 ‘End poverty in all its forms everywhere’ is one of the Sustainable Development Goals. Poverty alleviation has always remained a major challenge. To address this, government is implementing various welfare schemes which mainly include food grain distribution, financial aid, skill development, healthcare, access to education, etc.

Multidimensional Poverty Index

10.80 Multidimensional Poverty Index (MPI) computed by NITI *Aayog* captures multiple and overlapping deprivations faced by the poor which was not sufficiently reflected in monetary poverty measure. MPI has three equally weighted dimensions viz. health, education and standard of living which are represented by 12 indicators.

10.80.1 As per ‘National MPI-2023’ report, MPI for the State was 0.033 during 2019-21, as against 0.065 during 2015-16. Multidimensionally poor population in the State decreased from 14.8 per cent in 2015-16 to 7.8 per cent in 2019-21. The percentage of multi dimensionally poor and deprived population in each indicator is given in Table 10.60.

Table 10.60 Percentage of multidimensionally poor and deprived population

		(per cent)

HOUSING

10.81 Housing is one of the basic needs of human being and measure of the socio-economic status of people. The government is undertaking various measures such as providing affordable housing with the objective to reduce multidimensional poverty. Government has designed various policies and schemes to achieve 'Housing for All'.

Urban Housing

10.82 Maharashtra Housing and Area Development Authority (MHADA), Maharashtra Housing Development Corporation Limited (MahaHousing) and City & Industrial Development Corporation Limited (CIDCO) are the State agencies designated for creating mass housing projects in urban areas at affordable prices whereas Slum Rehabilitation Authority (SRA) is the agency for redevelopment of slums in urban areas. The government has taken number of policy initiatives for providing affordable houses to families belonging to Economically Weaker Section (EWS), Low Income Group (LIG), Middle Income Group (MIG).

Pradhan Mantri Awas Yojana (Urban) - (PMAY-U)

10.83 This flagship scheme of GoI, is aimed to provide all weather pucca houses alongwith basic civic amenities and social infrastructure to all eligible beneficiaries in the urban areas by 2022 under 'Housing for All' mission. The scheme is being implemented in the State since 2015 through four verticals namely Beneficiary Led Construction (BLC), Affordable Housing in Partnership (AHP), In-situ Slum Redevelopment (ISSR) and Credit Linked Subsidy Scheme (CLSS). The scheme addresses housing shortage among EWS, LIG, MIG and slum dwellers in urban areas. The scheme promotes women empowerment by providing the ownership of houses in the name of female member or in joint name. For the completion of houses sanctioned upto 31st March, 2022, GoI had extended the timeline upto 31st December, 2025.

10.84.1 GoI has set the target of building 19.40 lakh houses in 409 cities of the State. Dwelling units are being constructed by State agencies, individuals and partnership with public & private institutions. Upto January, 2025, in all 1,590 projects consisting of 12.10 lakh dwelling units have been sanctioned, of which 3.78 lakh EWS dwelling units are grounded and 2.04 lakh EWS dwelling units are completed.

10.84.2 GoI has launched *Pradhan Mantri Awas Yojana-Urban (PMAY-U) 2.0* under which financial assistance will be provided to one crore urban poor and middle class families through States/UTs/Primary Lending Institutions to construct, purchase or rent a house at an affordable cost in urban areas in next five years from 2024-25. PMAY-U 2.0 is being implemented through four verticals namely Beneficiary Led Construction (BLC), Affordable Housing in Partnership (AHP), Affordable Rental Housing (ARH) and Interest Subsidy Scheme (ISS). The government assistance in BLC & AHP is ₹ 2.50 lakh per unit with 60:40 Centre-State sharing pattern whereas under ISS vertical, maximum subsidy of ₹ 1.80 lakh will be given for interest on home loans to eligible beneficiaries in five yearly installments.

10.84.3 MahaHousing is entrusted with the responsibility of constructing affordable mass housing projects under PMAY-U in the State under the vertical AHP. Total 10 joint venture projects have been sanctioned consisting of 27,388 dwelling units for EWS and 4,521 dwelling units for LIG beneficiaries. Out of these projects, eight projects consisting of 17,076 dwelling units for EWS and 3,902 dwelling units for LIG beneficiaries have been started. Of which 100 dwelling units for EWS have been completed and handed over to the beneficiaries.

10.85 **Maharashtra Housing and Area Development Authority:** MHADA, is the nodal agency responsible for providing affordable housing in the State. Since establishment upto November, 2024, MHADA has constructed 5,13,242 dwelling units/tenements (including redevelopment). Details of dwelling units/tenements constructed by MHADA are given in Table 10.62.

Table 10.62 Details of dwelling units/tenements constructed by MHADA

Year	EWS	LIG	MIG	HIG	Tenements	Total	Transit camps	Expenditure incurred (₹ Crore)
2021-22	1,831	62	256	0	2,122	4,271	0	752.66

+ upto November

10.86 City and Industrial Development Corporation Ltd.: CIDCO is implementing housing development programme in a planned manner in the State. Since establishment upto December, 2024, CIDCO has constructed in all 2,13,116 dwelling units/tenements. Details of dwelling units/tenements constructed by CIDCO since inception upto December, 2024 are given in Table 10.63.

Table 10.63 Details of dwelling units/tenements constructed by CIDCO

City	EWS	LIG	MIG	HIG	Total
Navi Mumbai	81,676	14,974	33,285	28,693	1,58,628
Nashik	21,343	0	2,619	582	24,544
Chhatrapati Sambhajnagar	19,501	0	2,127	432	22,060
Nanded	7,758	0	126	0	7,884
Total	1,30,278	14,974	38,157	29,707	2,13,116

Source: City and Industrial Development Corporation Ltd.

10.86.1 Under PMAY-U, CIDCO has completed in all 23,157 tenements for EWS and LIG beneficiaries upto March, 2024. Also, under PMAY-U package 1 to 4, target of construction of 86,961 tenements for EWS and LIG beneficiaries was set in September, 2019, of which CIDCO has completed construction of 5,736 tenements upto December, 2024.

10.87 Slum Rehabilitation Scheme: This scheme is being implemented by the Slum Rehabilitation Authority (SRA). Under the scheme, tenements are being provided to families living in slums. Since inception upto December, 2024 in all 2,424 projects were completed and 2,68,188 families residing in slums were rehabilitated in tenements.

Rural Housing

10.88 Rural housing aims to cater the housing needs of economically and socially weaker sections of the society in rural areas. Government is implementing various schemes for rural housing.

10.89 Pradhan Mantri Awas Yojana (Gramin)-PMAY (G): Under this scheme subsidy of ₹ 1.20 lakh in general area and ₹ 1.30 lakh in naxalite & hilly area is given to homeless beneficiaries for construction of dwelling unit of area 269 sq ft in rural areas. Since inception upto December, 2024, in all 19,51,704 dwelling units have been sanctioned, of which construction of 12,63,257 dwelling units were completed. During 2023-24, expenditure of ₹ 1,724.69 crore and during 2024-25, upto December expenditure of ₹ 1,202.99 crore was incurred for the completion of dwelling units.

Graph 10.10 : Houses completed under PMAY (G) in the State

10.90 **Revised Rajiv Gandhi Gramin Niwara Yojana-II:** The scheme is being implemented for construction of houses for Above Poverty Line beneficiaries in low income category. The cost of each house is fixed at ₹ one lakh, of which loan of ₹ 90,000 is provided through the lead bank in the district and the remaining ₹ 10,000 is borne by the beneficiary. The interest component of the loan is borne by GoM as a subsidy. Since inception upto December, 2024, amount of ₹ 89.02 crore was disbursed to lead banks as interest component through MHADA.

10.91 **Ramai Awas Yojana:** This scheme is being implemented in the State for SC and Neo-Buddhist community families who are homeless or having kutcha house. Under the scheme, subsidy of ₹ 1.20 lakh in general area and ₹ 1.30 lakh in naxalite & hilly area is being provided to beneficiary for construction of dwelling unit of area 269 sq ft in rural areas and subsidy of ₹ 2.50 lakh is being provided for construction of dwelling unit of area 323 sq ft in urban areas. Progress of Ramai Awas Yojana is given in Table 10.64.

Table 10.64 Progress of Ramai Awas Yojana

Year	Dwelling units (no.)				Expenditure incurred (₹ Crore)	
	Target		Sanctioned		Rural	Urban
	Rural	Urban	Rural	Urban		
2021-22	1,21,107	22,676	1,11,493	5,553	562.50	75.00
2022-23	0	0	0	1,400	750.00	500.00

+ upto December

10.92 **Shabari Adivasi Gharkul Yojana:** This scheme is being implemented in the State for ST community families who are homeless or having kutcha house. Under the scheme, subsidy of ₹ 1.20 lakh in general area and ₹ 1.30 lakh in naxalite & hilly area is being provided for construction of dwelling unit of area 269 sq ft in rural areas and subsidy of ₹ 2.50 lakh is being provided to beneficiary for construction of dwelling unit of area 269 sq ft in urban areas. For urban area, during 2023-24 target of constructing 6,250 dwelling units was set and 1,116 dwelling units were sanctioned, for which an expenditure of ₹ 4.06 crore was incurred. During 2024-25 target of constructing 1,770 dwelling units was set and 640 dwelling units were sanctioned upto December. Progress of Shabari Adivasi Gharkul Yojana (rural) is given in the Table 10.65.

Table 10.65 Progress of Shabari Adivasi Gharkul Yojana (rural)

Year	Dwelling units (no.)		Expenditure incurred (₹ Crore)
	Target	Sanctioned	
2021-22	18,544	18,258	150.39
2022-23	93,288	82,545	200.04
2023-24	1,21,125	77,968	581.92
2024-25 ⁺	8,713	1,713	630.51

Source: Tribal Development Department, GoM + upto December

10.93 **Yashwantrao Chavan Mukh Vasahat/Vaiyaktik Gharkul Yojana:** This scheme is being implemented for VJNT community families who are homeless or having kutcha house. Under the scheme, subsidy of ₹ 1.20 lakh in general area and ₹ 1.30 lakh in naxalite & hilly area is being provided for construction of dwelling unit of area 269 sq ft in rural areas to beneficiaries having annual income less than ₹ 1.20 lakh. During 2023-24, in all 31,634 dwelling units were sanctioned and an amount of ₹ 225.72 crore has been disbursed. During 2024-25, upto January 1,12,970 dwelling units are sanctioned and an amount of ₹ 59.74 crore has been disbursed.

10.94 **Pandit Deendayal Upadhyay Gharkul Jaga Kharedi Arthsahayya Yojana:** This scheme is being implemented for beneficiaries who are eligible under PMAY(G) and other rural housing schemes of the State, but are unable to get the benefit due to lack of own land. Under the scheme, GoM is providing free of cost government land or financial assistance upto ₹ one lakh for purchase of 500 sq ft land. Since inception of the scheme upto December, 2024, GoM has provided free of cost land to 23,570 beneficiaries and financial assistance of ₹ 15.96 crore was given to 3,879 beneficiaries for purchase of land.

10.95 **Punyashlok Ahilyadevi Holkar Gharkul Yojana:** This scheme is being implemented to provide all weather pucca houses to beneficiaries from Dhangar community belonging to Class ‘C’ Nomadic Tribes who are homeless or living in *kutch*a house. Under the scheme, subsidy of ₹ 1.20 lakh in general area and ₹ 1.30 lakh in naxalite & hilly area is being provided for construction of dwelling unit of area 269 sq ft in rural areas to beneficiaries having annual income less than ₹ 1.20 lakh. During 2023-24, in all 5,413 dwelling units were sanctioned and an amount of ₹ 40 crore has been disbursed. During 2024-25 upto January, 23,880 dwelling units are sanctioned and an amount of ₹ 24 crore has been disbursed.

10.96 **Modi Awas Gharkul Yojana:** In order to provide all weather pucca houses to eligible rural beneficiaries from Other Backward Class and Special Backward Class categories who are not covered under PMAY(G) and other rural housing schemes, GoM has launched *Modi Awas Gharkul Yojana* in 2023-24. The scheme is being implemented on the same line of PMAY(G) with financial support of ₹ 12,000 crore, setting the target for construction of 10 lakh dwelling units in coming three years. During 2023-24, in all 2,99,407 dwelling units were sanctioned and an amount of ₹ 2,550 crore has been disbursed. For the year 2024-25, target of constructing three lakh dwelling units has been fixed.

Maharashtra Real Estate Regulatory Authority

10.97 Under the ‘Real Estate (Regulation and Development) Act, 2016’, the GoM has established the Maharashtra Real Estate Regulatory Authority (MahaRERA) for regulation of real estate sector infusing transparency in transactions in real estate sector, financial discipline, protection to interests of home buyers, accountability and speedy redressal of complaints through conciliation and quasi-judicial mechanism. Upto January, 2025, in all 48,855 projects are registered with MahaRERA. Since inception, MahaRERA has received 28,113 complaints, of which 20,278 complaints were resolved.

WATER SUPPLY AND SANITATION

10.98 Access to safe drinking water and sanitization are essential for maintaining good health. Water supply and sanitation system requires sustained efforts to ensure access to adequate water and sanitation facilities. Government is implementing various schemes and programmes to ensure the accessibility and availability of water.

Water Supply

10.99 The government is implementing various schemes to supply adequate quantity of clean water to meet the least minimum needs of all household in the State.

Jal Jeevan Mission

10.100 *Jal Jeevan Mission* is being implemented in the rural areas of the State from September, 2020 with an aim '*Har Ghar Nal Se Jal*'. The main objective of *Jal Jeevan Mission* is to supply minimum 55 liters quality water per capita per day in every rural household by Functional Household Tap Connection (FHTC). Under the Mission, FHTC is to be provided to every household, school, *grampanchayat* building, health centre, *Anganwadi* etc. in rural areas by 2024. During 2023-24 an expenditure of ₹ 16,579.87 crore was incurred on the mission. Physical progress of tap connections under *Jal Jeevan Mission* is given in Table 10.66.

Table 10.66 Physical progress of tap connections under *Jal Jeevan Mission*

(As on January, 2025)			
Type	Target	Achievement	per cent
Households	1,46,80,624	1,29,16,476	(88.0)
Schools	77,725	76,809	(98.8)
<i>Grampanchayat</i> Building	17,627	14,333	(81.3)
Health Centre	6,190	5,167	(83.5)
<i>Anganwadi</i>	90,661	89,146	(98.3)

Atal Bhujal Yojana

10.102 The World Bank aided *Atal Bhujal Yojana* is being implemented in the State during 2020-21 to 2024-25 with an objective to facilitate sustainable ground water management. In all 1,442 villages in 1,133 *grampanchayats* in 43 talukas from 13 districts of the State have been selected based on the of criteria of over exploited, critical and semi critical watersheds/talukas. Under the scheme various measures such as cement drains dams, percolation ponds, Kolhapur-style earthen drains, soil drains dams, forest ponds, recharge trench & shaft, recharge shaft, gabian drains, flat surface trench, drain deepening, closeireir pipelines, etc. are taken to increase the water level. Expenditure of ₹ 419.74 crore has been incurred since inception upto November, 2024.

Atal Mission for Rejuvenation and Urban Transformation (AMRUT)

10.103 *Atal Mission for Rejuvenation and Urban Transformation (AMRUT)* is being implemented in the State since 2015-16. The mission aims to provide financial support for development of basic infrastructure facilities of water supply and sewerage in cities. One of the objectives of the mission is to ensure that every household has access to a tap with assured supply of water and a sewerage connection. The mission covers 44 cities in the State and covers 76 per cent of urban population. Under this mission, GoI has sanctioned grants of ₹ 7,759 crore for the period 2015-16 to 2023-24 for the State.

10.103.1 In all 37 water supply projects worth ₹ 4,343 crore were approved, of which 25 projects worth ₹ 2,675 crore were completed upto December, 2024.

10.103.2 An amount of ₹ 3,233 crore has been approved for 30 sewerage projects, of which 15 projects worth ₹ 1,476 crore, were completed upto December, 2024.

10.103.3 The State has approved 128 Green Spaces (*Amrutvan*) projects worth ₹ 179 crore. All 128 projects worth ₹ 179 crore are commissioned upto December, 2024.

10.104 *AMRUT-2.0* mission is being implemented during 2021-22 to 2025-26 in all urban local bodies in the State. Under this mission, 288 projects of worth ₹ 28,357 crore have been approved by GoI. The main objectives of the scheme are as follows:

- Achieve 100 per cent self-sufficiency in water supply by providing tap connections to all households
- Rejuvenating water resources
- Developing parks & green spaces in the open spaces of cities
- Providing 100 per cent sewage treatment & sewage connections in 44 *AMRUT* cities.

Nagarotthan Maha Abhiyaan

10.105 *Nagarotthan Maha Abhiyaan* is being implemented in the State since 2010, with a view to create infrastructure in the urban local bodies.

In all 487 projects of ₹ 32,893 crore were approved upto November, 2024 under this *Mahaabhiyaan* financial & Physical progress is as follows:

- Water supply schemes: In all 242 projects worth ₹ 12,016 crore were approved of which, 53 projects worth of ₹ 2,110 crore were completed
- Sewerage/Storm Water Drain/Solid Waste Management: In all 99 projects worth ₹ 9,916 crore were approved, of which 18 projects of ₹ 1,130 crore were completed
- Road, storm water drain, flyover, solid waste management, land acquisition etc.: In all 146 projects worth ₹ 10,961 crore were approved, of which 49 projects worth of ₹ 3,557 crore were completed

Sanitation

10.106 Management of solid & liquid waste, safe disposal of human excreta, right use of toilets and avoiding open defecation are some of the measures to protect human health and environment. Various schemes are being implemented in the State to provide sanitation facilities.

Swachh Bharat Mission (Gramin)

10.107 *Swachh Bharat Mission (Gramin)* is being implemented in the State since 2nd October, 2014. The objectives of the mission are to ensure cleanliness in rural areas to stop the practice of open defecation, construction & sustained use of sanitary latrines at household level. The focus of the Mission is as follows:

- Make toilet facility available to every household
- Make India Open Defecation Free (ODF)
- Make India garbage free
- Adopt efficient solid waste management practices.

10.107.1 *Swachh Bharat mission Gramin* to is being implemented in the State during 2020-21 to 2024-25 with the objective to ensure that ODF behaviour are sustained and that solid and liquid waste management facilities are accessible. During 2023-24 an expenditure of ₹ 630 crore has been incurred under this mission physical progress up to October 2024 is a follows:

- Plastic waste management – against the target of 319 projects 41 projects are completed
- Gobardhan project against the target of 22 projects five projects are completed
- ODF plus model (number of villages) against the target of 27,758 villages 10,523 villages achieved

Swachh Bharat Mission (Urban)

10.108 *Swachh Bharat Mission (Urban)* is being implemented in the State since 2nd October, 2014. The objective of the mission is to make cities ODF and to ensure scientific management of solid waste & sewerage including ensured behavioral changes regarding healthy sanitation practices. On the basis of *Swachh Bharat Mission* GoM has implementing *Swachh Maharashtra Mission (Urban)*.

Upto December, 2024 out of 411 cities of the State, 29 cities were ODF, 89 cities were ODF+, 264 cities were ODF++ and 21 cities were water+. The Government has sanctioned faecal sludge treatment plants (FSTP) for 311 urban local bodies, of which 234 cities have completed the project and initiated operations. The State has constructed 7,22,581 individual household latrines (IHHLs), 55,363 seats of public toilets and 1,04,954 seats of community toilets.

10.108.1 *Swachh Maharashtra* Mission (Urban) 2.0 is being implemented in all urban local bodies of the State on the line of *Swachh Bharat* Mission (Urban) 2.0. The period of the mission is from 2nd October, 2021 to 1st October, 2026. The goal of the *Swachh Bharat* Mission (Urban) 2.0 is to make a garbage-free city. *Swachh Bharat* Mission urban - 2.0 envisages to construct sewage treatment plants with total capacity of 1,656 million liters per day (MLD), 1,823 km interception & diversion network of drains, sewage network of 10,056 km and procurement of 211 desludging vehicles in 358 ULB's by October, 2026.

***Swachh Sarvekshan* (Urban) - 2023**

10.109 In all 4,292 cities including 62 cantonment boards participated in *Swachh Sarvekshan* (Urban) - 2023 conducted at national level, of which 403 participant cities were from the State.

- The State has been honored as first best performing State. In all eight cities (Navi Mumbai, Pune, Pimpri-Chinchwad, Saswad, Lonavla, Karad, Panchgani, Gadhinglaj) from the State have received national level award
- Out of top 100 *AMRUT* rank holder cities in India 19 cities are from the State. Out of top 100 non *AMRUT* rank holder cities, 22 cities are from the State
- In all 111 ULBs have received star rating certifications, of which *Navi Mumbai* received seven Star certification, Pune & Pimpri-Chinchwad ULBs received five star certification, 27 ULBs received three Star certification and 81 ULBs received one star certification

Solid Waste Management (Urban)

10.110 On an average daily 24,111 MT waste is generated in the State. Of which, 99.3 per cent waste is collected from door to door. About 99.5 per cent of the collected waste is segregated at source in wet & dry form and about 88 per cent waste is scientifically processed.

10.110.1 Compost fertilizer is produced by scientifically processing the segregated wet waste. The State has registered *Harit Mahacity* compost brand for sale and marketing of this compost fertilizer. In the State 230 cities are permitted to use the '*Harit Mahacity* Compost' brand for sale of compost fertilizers.

ENVIRONMENT CONSERVATION

10.111 Environmental conservation and sustainable development are paramount for ensuring a habitable planet for future generations. The rapid increase in industrialisation, urbanisation, deforestation and global warming are majorly deteriorating environment. Recognizing the critical importance of environmental protection and biodiversity preservation, the United Nations has prioritised the environment as a core component of Sustainable Development Goals. With comprehensive environmental policies, the State has embraced innovative & inclusive green practices and enforcing various environmental regulations.

Pollution control

10.112 **Air pollution:** Air pollution, a major threat to both human health and the environment. The primary contributors to air pollution include vehicle emissions, industrial discharges, construction activities, road dust and the open burning of waste. ‘The Air (Prevention & Control of Pollution) Act of 1981’ is being enforced in the State to prevent, control and reduce air pollution. As part of the National Air Quality Monitoring Programme three key air pollutants viz. Sulphur Dioxide (SO₂), Nitrogen Oxides (NO_x) and Respirable Suspended Particulate Matter (RSPM/PM10) are being monitored regularly to assess air quality. The Maharashtra Pollution Control Board (MPCB) evaluates the air pollution situation using continuous ambient air quality monitoring systems deployed at 69 locations in the State. Ambient average air quality reported at selected monitoring stations during 2024-25, is given in Table 10.69.

Table 10.69 Ambient average air quality reported at selected stations during 2024-25

Monitoring Station	Concentration of air pollutants					
	Sulphur Dioxide (SO ₂)		Nitrogen Oxides (NO _x)		Respirable Suspended Particulate Matter (RSPM/PM10)	
	Limit 50 µg/m ³		Limit 40 µg/m ³		Limit 60µg/m ³	
	Min	Max	Min	Max	Min	Max

Source : Maharashtra Pollution Control Board

µg/m³microgram per cubic meter

10.113 Carbon dioxide emissions primarily result from the burning of fossil fuels like diesel, petrol and natural gas. To mitigate air pollution, the government has implemented several measures including the use of low sulphur diesel, lead free petrol and alternative fuels like LPG & CNG. Additionally, mandatory Pollution Under Control (PUC) certificate, a ban on 15 year old vehicles, incentives for converting eight year old vehicles to LPG/CNG and promoting electric vehicles are significant steps. During 2024-25 upto December, approximately 8.9 per cent of vehicles were operated on LPG/CNG, while 8.4 per cent were electric. Number of vehicles registered in the State is given in Table 10.70

Table 10.70 Number of vehicles registered in the State

Year	Total	(No.)	
		Of which	
		On LPG/ CNG	On Electricity

10.114 **Noise pollution:** Exposure to noise pollution can lead to various health problems such as temporary hearing loss, permanent deafness, mental disorders and anxiety. The primary sources of noise pollution include road traffic, industrial operations, construction activities and events like festivals, weddings & religious ceremonies. Firecracker noise during festivals is a major concern. To assess the impact of noise pollution, the MPCB conducts 'Ambient Noise Level Monitoring Programs' in major cities. Noise levels are measured in residential, commercial and silent zones. According to 'The Noise Pollution (Regulation & Control) Rules of 2000', the maximum permissible noise levels in residential areas are 55 decibels during the day and 45 decibels at night. Day-night noise levels in selected cities during Diwali 2023 and Diwali 2024 are given in Table 10.71.

Table 10.71 Day-night noise levels in selected cities during Diwali 2023 & 2024

10.115 Water pollution: Water pollution is a significant issue affecting rivers, lakes, water bodies, ground water and coastal areas. Major sources of water pollution includes industrial wastewater, agricultural runoff containing fertilizers & pesticides and sewage discharge. This pollution leads to waterborne diseases and soil degradation. 'The Water (Prevention & Control of Pollution) Act of 1974' is being implemented in the State for the prevention & control of water pollution and maintaining & restoring water quality. Under the National Water Monitoring Program, the MPCB regularly monitors water quality at 250 monitoring stations. These stations covers surface water bodies (155 on rivers, 34 on sea/creeks, 10 on drains, one on dam) and groundwater sources (24 bore wells, 24 dug wells, one hand pump, one tube well). Surface water samples are analysed monthly for nine core and 19 general parameters, while groundwater samples are tested every six months for metals and pesticides. Water quality at 156 stations on 56 rivers in the State during 2024-25, is given in Table 10.72. Water quality at selected monitoring stations on selected rivers during April to December, 2024 is given in Table 10.73.

Table 10.72 Water quality at 156 stations on 56 rivers in the State during 2024-25

10.116.1 Under Common Effluent Treatment Plant (CETP) scheme, financial assistance is provided to install pollution control equipments for treatment and disposal of hazardous & non hazardous in the form of sludge solid waste generated from small scale industrial units. During 2023-24, CETPs are commissioned in 26 industrial areas covering 7,885 industries in the State. During 2024-25 upto December, average effluent quantity treated was about 1,731 lakh litres/day.

Waste Management

10.117 Solid Waste: Solid waste includes household garbage, construction debris, industrial waste, drainage residue and waste from residential and commercial complexes. There are 56 common treatment facilities handling solid waste in the State operated by Municipal Corporations, Municipal Councils and Cantonment Boards. During 2023-24, out of the total solid waste generated 81.2 per cent was treated daily. There are 456 composting projects in 400 urban local bodies (ULBs), 145 vermicompost projects in 112 ULBs, 57 bio-methanization plants in 45 ULBs, 23 refuse derived fuel projects in 15 ULBs and there are four Waste-to-Energy plants with a combined capacity of 29 MW. Solid waste generated and treated in the areas of urban local bodies in the State during 2023-24 is given in Table 10.75.

Table 10.75 Solid waste generated and treated in the areas of urban local bodies in the State during 2023-24

Local body	Urban Local bodies (No.)	Solid waste		Percentage of solid waste treated (Per cent)
		Generated (MT/day)	Treated (MT/day)	
Municipal Corporation	28	17,719	16,190	91.4
Municipal Council				
A Class	17	882	699	79.3

10.118 Hazardous waste: Hazardous wastes are wastes that are dangerous or potentially harmful to human health or to the environment. 'Hazardous & other wastes (Management & Transboundary Movement) Rules, 2016' are applicable to hazardous and other waste management. In the State during 2023-24, hazardous waste of 4.51 lakh MT was sent to the common hazardous waste processing centers. MPCB has authorised 282 hazardous waste transporters and installation of Global Positioning System (GPS) for tracking of hazardous waste transporting vehicles has been made mandatory in the State. Common facility centers for hazardous waste processing have been set-up at Taloja (Thane), Mahape (Thane), Ranjangaon (Pune) and Butibori (Nagpur). Total capacity of common facility centres in the State is 4.92 lakh MT per year for landfill and 55,000 MT per year for incineration. Hazardous waste collection at common facility centres is given in Table 10.76.

Table 10.76 Hazardous waste collection at common facility centres

Year	Hazardous waste collected					Treated	
	Mumbai Waste Management Ltd. Taloja (Thane)	Trans Thane Waste Management Association Mahape (Thane)	Maharashtra Enviro Power Limited Ranjangaon (Pune)	Vidarbha Enviro Protection Limited Butibori (Nagpur)	Total	Land fill	Incineration
	2021-22	2.60	0.18	1.10	0.21	4.09	3.51
2022-23	2.56	0.18	1.07	0.22	4.03	3.33	0.70
2023-24	2.83	0.23	1.21	0.24	4.51	3.88	0.63

Source : Maharashtra Pollution Control Board

10.119 Electronic waste: Discarded electrical and electronic devices including parts is termed as Electronic waste (e-waste). During 2023-24, MPCB has authorised 226 industries having environment friendly technology with total capacity of 3,77,369 MT per year for dismantling and recycling of e-waste under 'e-waste management Rules, 2016'.

10.120 Bio-medical waste: As per 'Bio-Medical Waste Management Rules, 2016', MPCB has been issuing authorisation to health care establishments for disposal of bio-medical waste. During 2023-24 upto December, in all 76,413 health care establishments were under the purview of MPCB in the State. During 2023-24, in all 77.86 MT of biomedical waste generated at 259 health facilities centres in the State per day and treated in 30 common biomedical waste treatment and disposal facility centres (29 operating in incineration basis and one on deep burial basis).

10.121 Plastic waste: Due to improper collection, segregation and disposal of plastic & thermocol waste, several environmental issues have been arising. Rise in non-biodegradable plastic waste is causing damage to the environment and health. To ban manufacturing and use of some types of plastic and thermocol products, GoM has issued 'Maharashtra Plastic & Thermocol Product (Manufacture, Usage, Sale, Transport, Handling and Storage) Notification, 2018' and revised it time to time. During 2023-24, in all 2.38 lakh establishments were inspected, 890 MT banned plastic was seized and penalty of ₹ 5.9 crore was recovered from 13,305 establishments for use of banned plastic / thermocol products.

10.121.1 In the State there are 513 material recovery facility centres in 418 urban local bodies where plastic, paper, iron, digital equipments are segregated from dry waste and sent for recycling. Upto December, 2024 there were 309 plastic recycling industries in the State with a total capacity of 16.10 lakh MT per year. Plastic waste generated, collected and disposed in the urban areas of the State is given in Table 10.77.

Table 10.77 Plastic waste generated, collected and disposed in the urban areas of the State

Year	Generation	Collection	Disposal					
			used for RDF	sent to co-processing	used for granule making	used for pyrolysis	used for road construction	sent to land filling
2021-22	3.06	3.05	1.67	0.47	0.46	0.05	0.12	0.19

Source : Maharashtra Pollution Control Board RDF- refuse derived fuel

10.122 Sewage Treatment: Sewage treatment is a waste water treatment which removes contaminants from sewage to produce an effluent suitable for reuse thereby preventing water pollution. In the State there are total 150 sewage treatment plants (STP) installed with capacity of 7,419 MLD. During 2024-25 upto December, out of the total sewage generated in the State 40.5 per cent has been treated. Sewage generated and treated in the areas of urban local bodies of the State during 2024-25, is given in Table 10.78.

Table 10.78 Sewage generated & treated in the areas of urban local bodies of the State during 2024-25

Conservation

10.123 Lake Conservation Plan: National Plan for Conservation of Aquatic Ecosystem is being implemented for environmental protection and conservation of lakes and large reservoirs in urban and semi-urban areas of the State. Koradi Lake, Nagpur and Dharmaveer Sambhaji Lake, Solapur have been included under this plan. GoI has approved works of ₹ 55.90 crore for these two lakes and grant of ₹ 28.66 crore has been disbursed upto October, 2024.

10.123.1 Under the State Lake Conservation Scheme, 176 lake conservation projects have been undertaken by the State Government for the environmental conservation of degraded lakes till December 31, 2024. A total of ₹ 59.95 crore has been disbursed in the financial year 2023-24.

10.124 River Conservation Scheme: For cleaning the polluted belts of the major rivers of the State, works such as collection, interception, diversion of sewage water of the cities and construction of sewage treatment plants, etc are being carried out under National River Action Plan. The necessary system is set up to enable re-use and recycling of processed sewage water in agriculture fields, industries, gardens, etc. GoI has sanctioned ₹ 990.26 crore for the conservation of Mula-Mutha river in Pune city and ₹ 350.45 crore has been disbursed till December, 2024. GoI has approved project worth ₹ 1,926.99 crore of Nag River pollution Control in Nagpur city.

10.124.1 GoM has launched the State River Conservation Scheme to clean the polluted belts of the rivers in the State. During 2019 grants of ₹ 41.51 crore have been approved for conservation of Amravati River, Godavari River and Mosam River out of which funds of ₹ 18.05 crore have been disbursed upto December 2024. Under Namami Chandrabhaga Mission total fund of ₹ 34.65 crore was disbursed so far for the conservation of Chandrabhaga river.

10.125 Majhi Vasundhara Abhiyaan: GoM has launched *Majhi Vasundhara Abhiyaan* with an objective to make citizen aware of the impacts of climate change and environmental issues and to encourage them to make a conscious effort towards improvement of the environment. It also aims to ensure sustainable development of Maharashtra and to take strong climate action at State level. *Majhi Vasundhara Abhiyaan* is being implemented for the year 2020-21 to 2024-25 in five phases. During 2024-25, in all 418 urban local bodies and 27,899 gram panchayats are participating under *Majhi Vasundhara Abhiyaan* 5.0.

Over the four years progress of *Majhi Vasundhara Abhiyaan* is as follows:

- Planted 293.27 lakh trees
- Created and maintained 52,497 green areas
- Created 200 MW of renewable energy generation capacity
- Created more than 28,035 percolation pits across the State
- Built about 227.60 crore cubic meter water conservation potential due to creation of percolation pits
- Over 2,500 water sources have been rejuvenated.
- Avoided 3.84 lakh tons carbon emissions
- Organised about 15,60,489 public awareness programmes

10.126 Coastal Regulations: GoI has issued ‘Coastal Regulation Zone Notification under the Environment (Protection) Act, 1986’ for protection & conservation of coastal environment & ecosystem and regulation of developmental works in the coastal region. GoI has appointed Maharashtra Coastal Zone Management Authority for proper implementation of Coastal Regulation Zone Notifications in the State. Highest tide lines and coastal management maps of seven coastal districts of the State have been approved by GoI. Details of permissions given by the State under Coastal Regulation Zone Notification are given in Table 10.79.

Table 10.79 Details of permissions given by the State under Coastal Regulation Zone Notification

2023	97	67	179	6	349
2024	86	76	59	9	230

Source : Environment and Climate Change Department, GoM

10.127 Environmental clearance: GoI has issued the ‘Environmental Impact Assessment Notification, 2006’ under which prior environmental clearance has been made mandatory for new construction projects, expansion or modernisation of existing projects or activities. State level Environment Impact Assessment Authority (SEIAA) has been constituted to grant environmental clearance. The State has granted environmental clearance to 1,485 building construction projects, 113 industrial construction projects and 1,264 mining projects upto December, 2024 through online process. Details of environmental clearances given by the State are given in Table 10.80.

Table 10.80 Details of environmental clearances given by the State

SOCIAL JUSTICE

10.128 Social justice aims to build a society based on equality, liberty and fraternity by empowering weaker sections through equitable access to resources and opportunities. The government is implementing various schemes & programmes in the State for socio-economic development of all the weaker sections especially for Scheduled Castes (SC), Scheduled Tribes (ST), *Vimukta Jati* & Nomadic Tribes (VJNT), Other Backward Class (OBC), minorities, persons with disabilities, senior citizens, etc.

Scheduled Caste Component Scheme

10.129 During 2024-25, in all 215 schemes (152 state level & 63 district level) are being implemented in the State under Scheduled Caste Component Scheme (SCCS). Sectorwise proposed funds and expenditure incurred under SCCS is given in Table 10.81.

Table 10.81 Sectorwise proposed funds and expenditure incurred under SCCS

10.129.1 **Rajarshi Shahu Maharaj scholarship to SC students for higher education in India:** GoM is implementing this scheme for SC students to pursue higher studies in India and scholarship is given to 100 students every year. Under the scheme during 2023-24 an amount of ₹1.44 crore was disbursed to 61 students and during 2024-25, upto December an amount of ₹ 1.62 crore was disbursed to 55 students.

10.129.2 **Rajarshi Shahu Maharaj scholarship to SC students for higher education in abroad:** GoM is implementing this scheme for SC students to pursue higher studies in abroad. Under the scheme during 2023-24 an amount of ₹ 64.64 crore was disbursed to 218 students and during 2024-25, upto December an amount of ₹ 32.49 crore was disbursed to 145 students.

10.129.3 **Government hostels for SC students:** GoM provides hostel facility to facilitate secondary & higher education of SC students at taluka, district and divisional level. Accommodation, food, uniforms, educational material and other facilities are provided free of cost to the students admitted in these hostels. The cost of school uniform, physical training (PT) uniform, raincoat, shoes, etc. are being deposited directly into the bank accounts of students. Details of Government hostels for SC students is given in Table 10.82.

10.129.5 **Bharat Ratna Dr. Babasaheb Ambedkar Swadhar Yojana:** This scheme has been initiated for SC and Neo-Buddhist students, who were admitted in various courses from class XIth onwards, but who did not get or have not taken admission in the government hostels. Under the scheme, financial assistance through Direct Benefit Transfer (DBT) is provided to students for food, shelter, educational material, subsistence allowance and other necessary facilities depending on educational stream and place of residence. Details of *Bharat Ratna Dr. Babasaheb Ambedkar Swadhar Yojana* is given in Table 10.84.

+ upto December

10.129.6 **Development of SC and Neo-Buddhist wasti in rural areas:** This scheme is being implemented for overall development of SC and Neo-Buddhist notified *wasti* in rural areas by providing basic facilities such as drinking water, electricity, construction of internal roads, roads connecting habitats, drainage, community hall, etc. There are 37,604 such notified *wastis* in the rural areas of the State. During 2023-24, expenditure incurred was ₹ 830.71 crore and during 2024-25, upto January expenditure of ₹ 202.05 crore was incurred under the scheme.

10.129.7 **Sahityaratna Lokshahir Annabhau Sathe Nagari Wasti Sudhar Yojana:** Under this scheme, facilities like drinking water, street lights, construction of bituminous/cement concrete roads, library, gymnasium, kindergarten, drainage, public toilets and repairing of wells, etc. are provided in SC and Neo-Buddhist *wasti* located in 249 notified wards in municipal corporation areas and 1,329 identified wards in municipal council areas. During 2023-24, expenditure of ₹ 1,263.34 crore was incurred and during 2024-25, upto January expenditure of ₹ 357.30 crore was incurred.

10.129.8 **Margin money for Scheduled Castes and Neo-Buddhist new entrepreneurs in Standup India Scheme:** This scheme was introduced by GoI in 2015 to provide employment opportunities to SC/ST and women new entrepreneurs. New entrepreneurs have to bear 25 per cent of the total project cost and 75 per cent amount as loans that is guaranteed by Small Industries Development Bank of India. GoM has introduced a scheme in 2019 to provide margin money to SC and Neo-Buddhist entrepreneurs. Out of the 25 per cent of project cost, 15 per cent margin money is borne by GoM after contributing 10 per cent self-share by the beneficiaries. During 2023-24 subsidy of ₹ 2.32 crore was disbursed to 18 new entrepreneurs.

10.129.9 **Development Corporations:** GoM has setup various development corporations to accelerate socio-economic development of SC & Neo-Buddhist communities. These corporations work as channelising agencies to implement various financial assistance schemes of National Schedule Caste Finance & Development Corporation (NSFDC). These corporation are as follows:

- *Mahatma Phule* Backward Class Development Corporation Ltd. for economic development of SC and Neo-Buddhist communities.
- *Sahityaratna Lokshahir Annabhau Sathe* Development Corporation Ltd. (SLASDC) for economic, educational and social development of *Matang* community.
- *Sant Rohidas Charmodyog & Charmakar* Development Corporation Ltd. This corporation provides financial assistance as well as makes necessary arrangements for procurement & supply of raw material, provides training facilities regarding production & marketing of goods and act as a facilitator for sale of finished products in domestic & international markets for charmakar community.

Details of Development Corporations are given in Table 10.85.

HUMAN DEVELOPMENT AND SUSTAINABLE DEVELOPMENT GOALS

10.137 Human Development refers to a process of creating an environment where people can develop their full potential, lead healthy & full filling lives and contribute to the communities. The Sustainable Development Goal's and Human Development are closely inter-connected. Sustainable Development Goals are built on the foundation of human development, which emphasises the well-being and dignity of all.

Human Development

10.138 **Human Development Index (HDI):** Human Development Index (HDI) is a composite index for assessing long term progress by measuring three basic dimensions of human development viz. a healthy long life, access to knowledge and a decent standard of living. As per Human Development Report, 2023-24 published by United Nations Development Programme (UNDP), India ranks 134th with HDI of 0.644 for 2022 as against 0.434 in 1990.

10.138.1 As per UNDP Subnational Human Development Index report (V8.1)-2022, Maharashtra's HDI was 0.695 (Goa having highest HDI 0.760 and Bihar having lowest HDI 0.577).

10.138.2 District wise HDI as per Maharashtra Human Development Report, 2012 is given in Annexure 10.17.

10.139 **Human Development Programme:** Maharashtra Human Development Programme is being implemented in 125 most backward talukas of the State. Under this programme, various schemes focusing on improvement in education, health and livelihood are being implemented. Considering socio-economic & geographical condition and local needs of the talukas, taluka specific schemes are formulated and implemented.

10.139.1 Under this programme, during 2023-24 expenditure of ₹ 562.50 crore was incurred and during 2024-25 upto January, expenditure of ₹ 75.16 crore was incurred. The physical progress of various schemes implemented under Maharashtra Human Development Programme is given in Table 10.98.

Table 10.98 Physical progress of various schemes implemented under Maharashtra Human development Programme

Sustainable Development Goals

10.140 The United Nations General Assembly adopted 'The 2030 Agenda for Sustainable Development' in September 2015 consisting of 17 Sustainable Development Goals (SDG's) and associated 169 targets. The SDG's are the blue print for achieving better & sustainable future for all based on five principles planet, people, prosperity, peace and partnership. The SDG's are a comprehensive list of global goals integrating social, economic and environmental dimensions of development.

10.140.1 To guide and track progress towards achieving the SDG's, standardised monitoring frameworks have been established at multiple levels. At the global level, the Global Indicator Framework (GIF) is formulated for monitoring progress of SDG's. Based on this, the National Indicator Framework (NIF) is developed to track progress at the national level. Similarly, at the state level, the State Indicator Framework (SIF) is formulated, while at the district level, the District Indicator Framework (DIF) is formulated to provide localised monitoring.

10.141 Global Indicator Framework (GIF): The United Nations adopted Global Indicator Framework comprising 231 indicators for the monitoring and implementation of SDG's in 2017. As per United Nations GIF Progress Report 2024, India's rank was 109 out of 167 nations with SDG composite score 64.0.

10.142 National Indicator Framework (NIF): Ministry of Statistics and Programme Implementation (MoSPI) has formulated the National Indicator Framework to monitor the progress of SDG's at the national level. Presently there are 290 indicators in the NIF-2024.

10.143 SDG India Index: NITI Aayog is the nodal institution for achieving SDG's in the country. NITI Aayog publishes SDG India Index to measure and track progress of all States and UT's based on indicators aligned with NIF.

10.143.1 The first edition of SDG India Index was published in 2018 and the latest one is published in 2023-24 (V4.0). The SDG India Index 2023-24(V4.0) is based on 16 Goals, 70 targets and 113 indicators. As per this report, Maharashtra's score is 73 as against all India score 71. Performance of Maharashtra in selected SDG indicators as per SDG India Index 2023-24 is given in Table 10.99.

Table 10.99 Performance of Maharashtra in selected SDG indicators as per SDG India Index 2023-24

Indicators	SDG	Maharashtra	India
Percentage of employment as a percentage of person who demanded employment under MGNREGA	1	99.5	99.7
Percentage of beneficiaries covered under National Food Security Act (NFSA, 2013)	2	100	99.0
Percentage of institutional deliveries out of the total deliveries reported	3	99.6	97.1
Death rate due to road traffic accidents (per 1,00,000 population)	3	12.5	12.4
Maternal mortality ratio (per 1,00,000 Live Births)	3	33	97
Under 5 Mortality Rate(per 1000 Live Births)	3	18	32
Percentage of schools with access to basic infrastructure (electricity & drinking water)	4	94.6	88.6
Ratio of female to male average wage/salary earnings received among regular wage/salaried employees	5	0.76	0.76
Percentage of districts verified to be ODF (SBM(G))	6	100	100
Percentage of rural population having improved source of drinking water	6	99.8	99.2
Percentage of households electrified	7	100	100
Percentage of women account holder in PMJDY	8	55.7	55.6
Number of functioning branches of commercial banks per 1,00,000 population	8	11.4	11.7
Percentage of targeted habitations connected by all-weather roads under PMGSY	9	99.5	99.7
Percentage of inhabited villages with 3G/4G mobile internet coverage	9	92.2	95.0
Ratio of female workers to male workers working as a professionals & technical workers	10	42.8	50.4
Percentage of individual household toilets constructed against target (SBM(U))	11	114.6	95.2
Percentage of wards with 100 per cent source segregation (SBM (U))	11	99.4	90.0
Percentage of wards with 100 per cent door to door waste collection (SBM (U))	11	99.9	97.0
Percentage of municipal solid waste (MSW) processed to total MSW Generated (SBM (U))	11	94.9	78.4
Percentage use of Nitrogenous fertilizer out of N.P.K (Nitrogen, Phosphorous, Potassium)	12	50.8	65.2
Percentage of industries complying with environmental standards	13	96.5	94.8
Percentage of population covered under Aadhar	16	95.1	95.4

10.144 **State Indicator Framework (SIF):** In line with National Indicator Framework, State has formulated State Indicator Framework consisting of 237 indicators for monitoring the progress of SDG's at the State level. As per 'Maharashtra SDG Progress Report 2022-23', performance of selected indicators is given in Table 10.100.

Table 10.100 Performance of the State in selected SDG indicators as per Maharashtra SDG Progress Report 2022-23

Indicators	SDG	Year	
		2015-16	2022-23
Percentage of households with tap water connections (Rural)	1	35.9	70.9
Percentage of households having access to toilet facility (Rural)	1	60.0	100
Percentage of population living in households with access to electricity	1	93.5	100
Percentage of children under the age of 5 years who are underweight	2	10.3	1.2
Percentage of population covered under National Food Security Act (NFSA), 2013 and one nation one ration card	2	83.8	100
Percentage of Agriculture Mandis enrolled in E-market	2	9.8	43.6
Maternal Mortality Ratio (per lakh live births)	3	55	33
Net enrolment ratio in primary schools	4	88.9	96.1
Net enrolment ratio in upper primary schools	4	78.4	79.1
Net enrolment ratio in secondary schools	4	58.8	61.0
Percentage of Exclusive women SHG's in Bank linked SHG's	5	88.4	86.7
			(2020-21)
Percentage of districts achieving Open Defecation Free (ODF) target	6	11.7	100
Renewable energy share in the total installed electricity generation capacity	7	22.7	27.8
Annual growth rate of Agriculture sector	8	(-)-3.7	4.5
Percentage of waste recycled vs. waste generated	8	30.6	66.5
Percentage of rural habitations connected by all-weather road	9	94.8	99.4
Proportion of hazardous waste getting treated	12	27.4	50.2
Total annual fossil fuel consumption (Kerosene, 1000 MT)	12	442.0	16.0
			(2021-22)
No. of deaths attributed to disasters and natural calamities viz. flood, severe drought, etc.	13	450	502
Nitrogen percentage in ground water (average nitrate content in ground water) (mg/l)	14	24.8	23.8
Tree cover as percentage of total geographical area	15	3.1	3.9
			(2021)

10.145 **District Indicator Framework (DIF):** To monitor the progress of SDG's at district level, the State has formulated District Indicator Framework, which consists of 120 indicators.

10.146 **SDG Urban Index:** SDG Urban index has been published by NITI Aayog in 2021-22 with the objective to strengthen SDG's localization and monitoring at city level.

10.146.1 The SDG Urban Index ranks 56 urban areas based on 77 indicators across 46 targets and 15 SDG's. Out of 56 urban units five cities namely, Pune (Rank-7 with composite score 71.21), Nagpur (Rank-9 with composite score 69.79), Nashik (Rank-19 with composite score 67.50), Chatrapati Sambhaji Nagar (Rank-28 with composite score 65.36), Mumbai (Rank-33 with composite score 64.50) are from the State.

PCDDP – Per capita District Domestic Product

Note - @ Mumbai city & Mumbai Suburban districts together

\$ including Palghar

Source - Maharashtra Human Development Report 2012

Economic Survey of Maharashtra 2024-25

GLOSSARY

Median age: Age that divides the population in two parts of equal size. That is, there are as many persons with ages above the median as there are with ages below the median.

Dependency ratio: The dependency ratio is a demographic indicator that measures proportion of dependent population (age 0-14 years & age 60 years and above) on working age population (age 15-59 years).

$$\text{Dependency Ratio} = \frac{\text{Dependent population (age 0-14 years \& age 60 years and above)}}{\text{Working age population (age 15-59 years)}} \times 1,000$$

Population growth rate: The population growth rate is the Change in the number of individuals over a specific period of time.

Crude Birth Rate (CBR): It is the total number of live births occurring in a given population during the year, per 1,000 persons.

$$\text{Crude Birth Rate (CBR)} = \frac{\text{Number of Births in a year}}{\text{Total population at midyear}} \times 1,000$$

Crude Death Rate (CDR): It is the total number of deaths occurring in a given population during the year, per 1,000 persons.

$$\text{Crude Death Rate (CDR)} = \frac{\text{Number of Deaths in a year}}{\text{Total population at midyear}} \times 1,000$$

Infant Mortality Rate (IMR): It is defined as the number of deaths of infants under one year old per 1,000 live births within a specific population and time period.

$$\text{Infant Mortality Rate (IMR)} = \frac{\text{Number of deaths of infants under one year old in a year}}{\text{Number of live births in the same year}} \times 1,000$$

Under Five Mortality Rate (U5MR): It is defined as the number of children dying before reaching the age of five per 1,000 live births within a specific population of time period

$$\text{Under-5 Mortality Rate (UFMR)} = \frac{\text{Number of deaths of children under 5 years old in a year}}{\text{Number of live births in the same year}} \times 1,000$$

Total Fertility Rate (TFR): TFR is a measure of the average number of children that would be born to a woman over her entire reproductive period.

Life expectancy at birth: The average number of years that a newborn could expect to live, if he or she were to pass through life exposed to the sex and age specific death rates prevailing at the time of his or her birth, for a specific year, in a given geographic area.

Main Workers: Workers who worked for more than six months (180 days) in the reference period are termed as main workers.

Marginal Workers: Workers who worked for less than six months (180 days) in the reference period are termed as marginal workers.

Sex Ratio: Sex Ratio has been defined as the number of female per 1,000 male in the population.

$$\text{Sex Ratio} = \frac{\text{Number of Female}}{\text{Number of Male}} \times 1,000$$

Child Sex Ratio (0-6 Years): Child Sex Ratio (0-6 Years) has been defined as the number of female children in age-group 0-6 years per 1,000 male children in the same age-group in the population.

$$\text{Child Sex Ratio (0-6 Years)} = \frac{\text{Number of Female Children (0-6 Years)}}{\text{Number of Male Children (0-6 Years)}} \times 1,000$$

Literacy rate: Literacy rate is percentage of the number of people in age 7 years and above who can read and write to the total population in that age group.

$$\text{Literacy rate} = \frac{\text{Number of literate (age 7 years and above)}}{\text{Total population (age 7 years and above)}} \times 100$$

Work Participation Rate: Work participation rate (as per Population Census 2011) is defined as the percentage of total workers (main and marginal) to total population.

$$\text{Work Participation Rate} = \frac{\text{Total workers (Main + Marginal)}}{\text{Total population}} \times 100$$

Gross Domestic Product (GDP) at market prices: It is a measure in monetary terms of all the goods & services produced (without duplication) within the boundaries of any geographical area during a given period of time (generally, one year). It is termed as **Gross Domestic Product (GDP)** if the geographical boundary is nation, as **Gross State Domestic Product (GSDP)** if the geographical boundary is State and termed as **Gross District Domestic Product (GDDP)** if the geographical boundary is District.

Gross Domestic Product (GDP) at market prices: Sum of GVA at basic prices for each industry + Taxes on products including import duties less Subsidies on Products

All Net Products such as **Net Domestic Product, Net State Domestic Product & Net District Domestic Product** are obtained by subtracting **Consumption of Fixed Capital (CFC)** from respective **Gross Domestic Products**.

GVA at basic prices (Income Approach): Compensation of Employees + Operating surplus / Mixed Income + Consumption of Fixed Capital + Production taxes less production subsidies

GVA at basic prices (Production Approach): Gross value of output - Inputs

Gross National Income (GNI): It is an addition of Net Income from abroad & Gross Domestic Product of a Nation.

Net National Income (NNI): It is obtained by subtracting Consumption of Fixed Capital (CFC) from Gross National Income. It is also called as **National Income (NI)**.

Per Capita Income: **Per capita National Income, Per capita State Income & Per Capita District Income** is obtained by dividing Net Products of respective geographical area by mid- year population of respective year.

Advance estimate: Estimates based on available suitable/proxy indicators.

Consumer Price Index: Consumer Price Index measures the overall change in consumer prices based on a representative basket of goods and services over time.

Wholesale Price Index: Wholesale Price Index is a measure of the average change in prices of a basket of wholesale goods over a certain period of time.

Primary Deficit: Primary Deficit is fiscal deficit less interest payments

Fiscal Deficit: It is the difference between Government's borrowings and other liabilities of capital receipts and budgetary surplus/deficit.

Budgetary Deficit: It is the difference between total receipts and total expenditure of the budget.

Revenue Deficit: It is the difference between total revenue receipts and total revenue expenditure of the budget.

Cropping Intensity: Ratio of total cropped area to net area sown.

Micro enterprises - The investment in plant & machinery or equipment does not exceed ₹ one crore and turnover does not exceed ₹ five crore

Small enterprises - The investment in plant & machinery or equipment does not exceed ₹ 10 crore and turnover does not exceed ₹ 50 crore

Medium enterprises - The investment in plant & machinery or equipment does not exceed ₹ 50 crore and turnover does not exceed ₹ 250 crore

Per capita Ultimate Consumption of Electricity = Ultimate Consumption of Electricity/Mid-year population

Ultimate Consumption of Electricity refers to the electricity actually consumed by the consumers (or the electricity sold to consumers).

Energy - Units

1 MW = 1,000 kW

1 Unit = 1 kilo-watt-hour = 1 kWh

1 MU = 1 Million Units = 10, 00,000 kWh

1 MVA = 1 Million Volt Ampere

$$\text{Vehicle productivity} = \frac{\text{Average effective km operated per day (in lakh)}}{\text{Average vehicles held}} \times 1,00,000$$

$$\text{Crew productivity} = \frac{\text{Total effective km operated (in lakh)}}{\text{Total drivers on line days}} \times 1,00,000$$

$$\text{Percentage Load Factor} = \frac{\text{Actual passenger earning}}{\text{Expected passenger earning}} \times 100$$

Teledensity: Teledensity is the number of telephone connections for every hundred individuals living within an area.

$$\text{Gross Enrolment Ratio (GER)} = \frac{\text{Enrolment in particular educational level}}{\text{Population of official age group for that particular educational level}} \times 100$$

$$\text{Gender Parity Index} = \frac{\text{Gross Enrolment Ratio of Girls}}{\text{Gross Enrolment Ratio of Boys}}$$

CWSN: Children With Special Needs refers to all those children who are challenged with various problems such as vision, hearing, movement, learning, cerebral palsy or mental retardation.

Drop-out Rate: It means proportion of pupils from a cohort enrolled in a given stage at a given school year who are no longer enrolled in the following school year.

Neo-natal Mortality Rate (NMR): It is defined as the number of deaths of children occurring under 28 days of live divided by the number of live births in that year.

$$\text{Neo-natal Mortality Rate (NMR)} = \frac{\text{Number of deaths within first 28 days of life}}{\text{Number of live births in the same year}} \times 1,000$$

Maternal Death: A maternal death is a death of a women while pregnant or within 42 days of termination of pregnancy irrespective of the duration and the site of the pregnancy, from any cause related to or aggravated by the pregnancy or its management, but the from accidental or incidental causes.

Maternal Mortality Ratio (MMR): Rates of the number of maternal deaths as a result of complication of pregnancy of childbearing in a given year per 1,00,000 live births in that year.

$$\text{Maternal Mortality Ratio} = \frac{\text{Number of maternal deaths in a given time period (usually 1 year)}}{\text{Total number of live births in the same time period}} \times 1,00,000$$

$$\text{Doctor Population Ratio} = \frac{80 \text{ per cent of Registered Allopathic Doctors} + \text{Total no. of Ayush Doctors}}{\text{Total population}}$$

Underweight - An underweight child has weight-for-age Z-score at least two standard deviations below the mean (-2 SD) for the World Health Organisation (WHO) child growth standards.

Moderate Underweight (MUW) is weight-for-age between -2 and -3 SD as per WHO growth chart.

Severe Underweight (SUW) is condition in which a child has a very low weight in relation to age (Z Score of < -3 SD) as per WHO child growth standards.

Moderate Acute Malnutrition (MAM) defined as weight-for-height between -2 and -3 SD as per WHO growth chart.

Severe Acute Malnutrition (SAM) is a condition in which a child has very low weight in relation to length/height (Z Score of < -3 SD) as per WHO child growth standard. SAM is severe for wasting.

Z Score – It is the standard deviation (SD) above or below average.

Institutional Households: A group of unrelated persons who live in an institution and take their meals from a common kitchen are considered as an Institutional Household. Boarding houses, Messes, Hostels, Hotels, Rescue Homes, Observation Homes, Beggars' Homes, Jails, Ashrams, Old Age Homes, Children Homes, Orphanages, etc. all are covered in this type of household.

Seeking or available for work (unemployed): Persons, who owing to lack of work, had not worked but either sought work through employment exchanges, intermediaries, friends or relatives or by making applications to prospective employers or expressed their willingness or availability for work under the prevailing condition of work and remuneration are considered as those who are seeking or available for work (or unemployed).

Labour Force: Persons who were either 'working' (or employed) or 'seeking or available for work' (or unemployed) constituted the labour force.

Workforce (Employed): Persons engaged in any economic activity constitute the work force.

Female Work Participation Rate: Female work participation rate (as per Population Census 2011) is defined as the percentage of total female workers (main + marginal) to total female population.

$$\text{Female work participation rate} = \frac{\text{Total female workers (Main + Marginal)}}{\text{Total female population}} \times 100$$

Labour Force Participation Rate (LFPR)[§]: LFPR is defined as the percentage of persons in the labour force (i.e. working or seeking or available for work) in the population.

$$\text{Labour Force Participation Rate (LFPR)} = \frac{(\text{No. of employed persons} + \text{No. of unemployed persons})}{\text{Total population}} \times 100$$

Worker Population Ratio (WPR)[§]: Worker Population Ratio (WPR) is defined as the percentage of employed persons in the population.

$$\text{Worker Population Ratio (WPR)} = \frac{\text{No. of employed persons}}{\text{Total population}} \times 100$$

Unemployment Rate (UR)[§]: UR is defined as the percentage of persons unemployed among the persons in the labour force.

$$\text{Unemployment Rate (UR)} = \frac{\text{No. of unemployed persons}}{\text{No. of employed persons} + \text{No. of unemployed persons}} \times 100$$

(§ As per terminology used in Annual report of Periodic Labour Force Survey, Report)

Activity Status: The activity status of a person is determined on the basis of the activities pursued by the person during the specified reference period.

Usual Activity Status: When the activity status is determined on the basis of the reference period of last 365 days preceding the date of survey, it is known as the usual activity status of the person.

Principal Activity Status: The activity status on which a person spent relatively long time during the 365 days preceding the date of survey was considered the usual principal activity status of the person.

Subsidiary Activity Status: The person pursued any other economic activity along with principal activity for 30 days or more during the reference period of 365 days preceding the date of survey. That economic activity is considered as subsidiary activity status.

Current Weekly Status (CWS): When the activity status is determined on the basis of the reference period of last 7 days preceding the date of survey, it is known as the current weekly status of the person.

Unorganised worker: Any worker who is a home based-worker, self-employed worker or a wage worker in the unorganised sector including a worker in the organised sector who is not getting any social security benefit is called an Unorganised Worker.

Multidimensional Poverty Index (MPI): computed from twelve indicators of three equally weighted dimensions- health, education, and standard of living.

Consumer goods: Items purchased by consumers for personal and household use.

Intermediate goods: Goods used as inputs in the production of other goods.

Capital goods: Goods such as machinery, used in production of commodities.

Gross output : Gross output is defined to include the ex-factory value, (i.e., exclusive of taxes, duties, etc. on sale and inclusive of subsidies etc., if any) of products and by-products manufactured during the accounting year, and the net value of the semi-finished goods, value of own construction and also the receipts for industrial and non-industrial services rendered to others, rent received for plant & machinery and other fixed assets, net balance of goods sold in the same condition as purchased and value of electricity generated and sold.

Net value added (NVA): This is obtained by deducting the value of total input and depreciation from gross output.

Dimension	Indicator	Deprived if
Health	Nutrition	Any child between the ages of 0 to 59 months, or woman between the ages of 15 to 49 years, or man between the ages of 15 to 54 years is found to be undernourished.
	Child Adolescent mortality	A child/adolescent under 18 years of age has died in the family in the five-year period preceding the survey.
	Maternal Health	Any woman in the household who has given birth in the 5 years preceding the survey, has not received at least 4 antenatal care visits for the most recent birth, or has not received assistance from trained skilled medical personnel during the most recent childbirth.
Education	Years of Schooling	No member of the household aged 10 years or older has completed six years of schooling.
	School attendance	Any school-aged child is not attending school up to the age at which he/she would complete class 8.
Standard of Living	Cooking Fuel	A household cooks with dung, agricultural crops, shrubs, wood, charcoal or coal.
	Sanitation	The household has unimproved or no sanitation facility or it is improved but shared with other households.
	Drinking Water	The household does not have access to improved drinking water or safe drinking water is at least a 30-minute walk from home (as a round trip).
	Electricity	The household has no electricity.
	Housing	The household has inadequate housing: the floor is made of natural materials, or the roof or wall are made of rudimentary materials.
	Assets	The household does not own more than one of these assets: radio, TV, telephone, computer, animal cart, bicycle, motorbike, or refrigerator; and does not own a car or truck.
	Bank Account	No household member has a bank account or a post office account

ODF village: A village can be notified/ declared as ODF village if, no visible faeces found in the environment/ village and every household as well as public/ community institutions using safe technology option for disposal of faeces.

ODF city: A city/ ward can be notified / declared as ODF city if, at any point of the day, not a single person is found defecating in the open.

ODF+ city: A city/ ward can be notified / declared as ODF+ city/ ODF+ ward if, at any point of the day, not a single person is found defecating and/ or urinating in the open, and all community & public toilets are functional and well maintained.

ODF++ city : A city / ward / work circle can be notified / declared as ODF++ city/ ODF++ ward/ ODF++ work circle if, at any point of the day, not a single person is found defecating and/ or urinating in the open, all community and public toilets are functional and well maintained, and faecal sludge/septage and sewage is safely managed and treated, with no discharging and/or dumping of untreated faecal sludge/septage and sewage in drains, water bodies or open areas.

Water+ city: A city / ward / circle / zone can be declared as Water + provided all waste water released from households, commercial establishments drains, nallahs etc. is treated to a satisfactory level (as per CPCB norms), before releasing the treated waste water to the environment.

Air Quality Index (AQI): Air Quality Index (AQI) is a comprehensive index value calculated by transforming weighted values of impacts of individual air pollutants (e.g., SO₂, CO, NO_x) into a single number or set of numbers.

Methodology for Construction of State and District HDI (SHDR-2012):

The dimension indices for Health, Education and Income are calculated using following formula.

$$I_x = \text{Dimension Index of 'X'} = \frac{\text{Actual value} - \text{Minimum value}}{\text{Maximum value} - \text{Minimum value}}$$

Education index has been calculated by allocating two -third weight to literacy and one -third weight to GER.

An aggregate HDI for a given district has been calculated as a simple arithmetic mean.

The goal posts used to estimate the district wise HDI are as follows:

Component	Maximum	Minimum
Infant Survival Rate (ISR)	1,000	0
Literacy rate	100	0
GER	100	0
Per capita net domestic product (Rupees at current prices)	1,50,000	10,000

Human Development Index is geometric mean of indices of Health, Education and Standard of living. Goalpost used for these indices are as follows –

Dimension	Indicator	Minimum	Maximum
Health	Life expectancy (years)	20	85
Education	Expected years of schooling (years)	0	18
	Mean years of schooling (years)	0	15
Standard of living	Gross National Income per capita (2017 PPP ^s)	100	75,000
